Mr. Richard D. Dixon,
Edenton, N. C.

Dear Richard:

We too were deeply disappointed not to see you and the Lady, but your alibi is a good one. I went up from Elizabeth City to Farmers Delight where we have been having the Grave Yard put in good condition. It cost me about \$150, but it really was in a bad way and I could not think that the charge was exorbitant.

Let me ask you if you know anything about a piece of land in Isle of Wight County, near Franklinton. I remember that Dick wrote to me about it some years ago, but I never heard any more. I think for a number of years he paid a small tax.

I wish you would get in your car and make us a return visit. Many thanks for the paper.

Yours affectionately,

J. H. Dillard
