

Woman's Home Companion

THE CROWELL PUBLISHING COMPANY

250 Park Avenue  
New York

Travel Office

February 15, 1938

Dear Sir:

Many of our readers are spending their vacations in North Carolina this year, where they wish to visit the old homes and gardens.

To assist us in helping our readers plan their trips we should be grateful if you would send us descriptive folders on Beverly Hall and information about the hours the garden is open to the public.

Thanking you, I am

Most sincerely yours,

*Marion B. Sanford*
