~~Under the hood at Montana - 2-82~~

Stuart,

Piece coming to you soon - Polishing
1st 15 pages of Baldclaw.

Enjoyed yr visit.

Thinking about Montana this fall.
Need refreshment of spirit, body,
bed. Life here getting muddier,
dwarfish, desperate. Eudora ought
to get another Speed award for
living here so long.

About your dollar. Waitress went
down on me instantly before I could
explain.

Come see me if t get to Montana.

Best,

Ray
