Stuart.

The Bessie Tapes are here. Along with the others
I wrote Power and Light so much like
a dream (at last), it is a real
piece of art.

It's still all yours at Palamou. I'd like
it bound like your Christmas gift to me.
It may be a movie.

I want you to receive at least
5000 for printing it first.

I'm including a check for \$200,
cashable MARCH 1. Just to avoid the
MAILS.

Things look good, except I'm so broke
now.
