Dr. Leo W. Jenkins
East Carolina University
Greenville, N. C. 27834

Dear Leo:

I regret very much that I will be unable to attend the breakfast Saturday, March 7, at nine o'clock, at the Greenville Golf and Country Club. I feel that this announcement will be the one which you discussed with me earlier in the winter, and I am sure it is something that will mean a great deal to East Carolina University.

With best wishes,

Sincerely,

R. F. McCoy
