Dear Senator Morgan:

We are delighted that you will be installing the new officers of the North Carolina Home Builders Association in Greenville, North Carolina, on December 3rd.

As previously committed, we have made arrangements for your transportation back to Washington, D. C. from Greenville, North Carolina on our corporate aircraft. Either John Walker or myself will be accompanying you to Washington. Since it is necessary to make arrival appointments at Washington National Airport, I have scheduled the plane to leave Greenville at approximately 2:30 p.m., and arrive in Washington at National Airport at 3:30 p.m. Should this not be convenient, please let me know, so that the schedule can be changed.

We are looking forward to seeing you and being with you in Greenville.

Yours truly,

Dwight E. Pardue
