### ANNOUNCEMENT

---

---

TO THE PATRONS OF THE FAIR:

We the members of the Vance County Colored Fair Association herewith, submit to the citizens of this county and adjoining counties the Annual Premium List of our fair. We have given careful consideration to this booklet. To that end, we have published a larger and more complete premium list. We are therefore, urging the full cooperation and liberal patronage of you, your friends, neighbors and other interested individuals, in order that we may be enabled to have the greatest Fair in the history of Vance county.

We are thanking the people of Granville, Franklin, Warren, and Mecklenburg, Va., for the interest and cooperation manifested in 1935 and we are again soliciting the same interest and cooperation during our 1936 Fair.

It is our desire to build up the farming interests and activities in this section of North Carolina among Negroes and it is through your efforts along with ours to support this worthwhile effort and in our minds the Fair will aid considerably in developing this desired aim.

We are urging that you begin now to plan and also prepare for the Fair. Now is the time to encourage your neighbors to support the Fair by selecting and preparing various exhibits. Will you not pledge yourself to have your household represented and the community of which you are a part. If you find it impossible to exhibit a Farm Booth bring what ever is possible in order to advertise your community and bring results which will last for years to come.

In conclusion we extend to you an invitation to attend and participate in the 1936 Fair.
