February 28-March 4, 1983, Preregistration for Summer Session and Fall Semester

The summer session consists of two terms of 5 1/2 weeks each. Two-semester-hour courses meet 60 minutes, three-hour courses 90 minutes, and five-hour courses meet 150 minutes daily. Reservation Week, March 21-25

Housing Urges Students To Reserve Rooms

Students enrolled spring semester 1983 who plan to return to East Carolina University Fall Semester 1983 and who wish to be guaranteed residence hall housing will be required to reserve rooms during the week of March 21-25. Prior to receiving a room, a student must make an advance room payment of \$60. These payments, which must be accompanied by housing

applications/contracts, will be accepted in the Cashier's Office, Room 105, Spilman Building, beginning March 17.

Students enrolled spring semester will have priority for residence hall housing for fall semester 1983 only if they reserve rooms during the week of March 21-25. Based on this, continuing students who do not reserve rooms dur-

ing the week of March 21-25 probably will be unable to live on campus fall semester.

Details pertaining to the sign-up procedure will be made available in the residence halls February 14, 1983. Day students may obtain the information from the Office of Housing Operations, 201 Whichard Building, as of February 14.
