

To Helen Bryan and Braxton

COME AND TAKE A CUP OF TEA

PUT THE DEMOCRATS ON TV

Then This!

P.S.

But if you cannot have a tea,

Just ask ten friends to donate-
and send it to me !

I'll send it on to headquarters for you,

The chain is unbroken-
we've each followed through !

Read This First!

Come to Tea . . .

I hope that you're a good Democrat,
And you know very well we must "pass the hat,"
So, if you give a dollar—I'll furnish the tea,
To help put our candidates on TV!

If you'll come to my house, donate and then
Soon after give a party for ten,
Then they give a party and ask ten more,
And on, and on, from shore to shore!

That's the idea of Teas for TV,
To put out our record for all to see.
We can surely reach the goal we seek,
If each does her bit in this "snowball" technique!
