

JESSICA MELOWSKI, MS

She / Her / Hers

Assistant Director,

Dr. Jesse R. Peel LGBTQ Center

“

All people deserve to feel worthy of acceptance and inclusion. I take pride in building a space where all students are welcome as their authentic selves and are free to express all sides of themselves. The inspiring acts of courage at the Stonewall Inn riots highlight the necessity of fiercely defending spaces that serve as a refuge for so many LGBTQ individuals. As the Assistant Director of the Dr. Jesse R. Peel LGBTQ Center, I am committed to LGBTQ equality through representation of all identities and removal of barriers to LGBTQ student success.
