“

I contribute to LGBTQ equality by striving to be myself and elevating others around me. In the world we live in, it's the small day-to-day interactions that speak volumes. Being kind, open-minded, and supportive costs nothing but means everything. It's because of the LGBTQ activists at Stonewall and the support of my family, friends and community that I'm at a point in my life where I'm proud that I exist, and I'm proud to let others know. I'm ready to give that back to anyone who may feel invisible or left behind.
