

MICHELLE ANDREA GIRON MORALES

She / Her / Hers

Junior, Biology & Hispanic Studies

“

As a Latinx in the LGBTQ community, I am no stranger to the fight for equality. This work means I get the opportunity to fight alongside those who were at the forefront of the Stonewall Riots in 1969. I participate in such a movement that began 50 years ago by standing and speaking up for others, as well as staying true to myself in the process.

”
