Dear Miss Bunn:

In behalf of the Army Nurse Corps Foundation, I want to take this opportunity to thank you for sending the photographs and cape from World War I.

All items received by the Foundation, pertaining to the Army Nurse Corps, are photographed and catalogued and then deposited with the custodian of the ANEDD Museum.

In this manner, we are amassing a noteworthy collection of artifacts and memorabilia contributing to and complimenting the history of the Army Nurse Corps. Many of these items will be displayed in the ANEDD Museum when, in the near future, it becomes a reality.

Sincerely,

Regina H. Schiffman
