

Dear Myra -

I return Elias Corra
letter. How would these people
do for the Dees house or Myra's Ferry
land. Think they would do better
at Dees as they might be interfered
with by Government people should
we put them up there. What can we
rent Peraccone's holding in Myra Woods for
at Cork rent. D. G. Moore asked if he could
rent it for cents a week Peraccone. I put
him up until next week - sorry to hear of
Aunt Willie's death, will write to you - also Elias
Corra tomorrow, thanking him for reading me
the letter. Love to all - In haste
Yours
