Very Dear Kind friend
Yours increasing circulation has
brought me to this City Thanks for your
kindness but would liked to have
had just a line from you personally
This is my second trip west since
I was at your place Last month
was to Decatur with 160 head of cows
and have just 14 left of 200 head here
Will probably start East again on
Sat. I am glad to see you make
an effort to get your hand cut up
and into the hands of small
farmers. And any good I can do
you will be gladly executed your
plan I can only get a vague idea
of If you would get up a little
different circular and get some
Northern Men who have seen the

Country as reference and aids it
would be advantageous I should
you promulgate such a circular
in good form you are at liberty
to use me in any way that I can
be of advantage to you. And if a
large number are sent to me I
will place them to best possible
advantage. You have in me the
strongest possible advocate I
like your Country I like your
people. And I see great possibilities
there. Please tender my regards
to your most estimable wife
