Grimes Real Estate Co.,

Washington, N. C.

Gentlemen:--

Your letter, enclosing a copy for add for our Barter Column, and check for \$3.50 in payment of the same, is received. In reply, would say that we cannot accept the add at the price you offer, for the reason that the Barter Column is only intended for the use of our subscribers who wish to sell or exchange their own farms and not for Real Estate firms who make a regular business of selling farm and other real property.

We cannot accept the add from your firm, except at our regular rates. We herewith enclose you the check you sent us.

Yours truly,

The Farmer Co.,

B.
