Thank you, is a very small token to express our sincere gratitude to everyone that has helped the Gospel Choir to continue to spread the gospel through song.

To our director, Gregory Horton we say Thank You for the dedication you've given the ECU Gospel Choir.

It is my hope and desire that this recording will inspire someone to "Rise Up And Walk," and may we all learn the true meaning of love (More Love) as we grow closer together because we all are "Standing In The Need Of Prayer."

President,

KIPLAN S. CLEMMONS

Special thanks to Ron Orville, Chris Gordon (MC), Dr. Chestnut (advisor), and the ECU Gospel Choir Alumni—"I Love You." "This recording is dedicated to the Staff, Faculty, and Student Body of the East Carolina University."
