I want you to know that I have not got any letters  
you or your mother since the 10th of March more than that I have not  
had more than 4 letters from the whole family, I think it is the  
height of contempt. I will give you one month more to write and  
if you do not when I write and ~~tell~~ you ~~how~~ things is you will  
write tell all the friends to write and when you write to my  
dear mother, tell her I am well and doing

(end of letter)
