Sow A Seed

A Constant Friend

"A man who has friends must himself be friendly, but there is a friend who sticks closer than a brother." Proverbs 18:24

As I sit and think about all of the friends I've had throughout the years, I realize that many of those childhood friends are no longer there; while many have remained constant throughout this journey we call life. There have been many arguments and misunderstandings, as well as those simple moments when we realize that we have just grown apart that have caused all parties involved to just walk away and give up on something that could have been one of the best lifetime experiences. While I continue to ponder the who's, the what's, the when's, and the why's, one simple thought continues to surface in my mind. That thought is, that although these friends have walked away, there has been one constant friend, that no matter what we've done or said to hurt them, they have never walked away and has always promised to stick around to give us that best lifetime experience. Jesus can be and will always be our constant friend. We can turn our backs on him but because of the love he

has for us, he will stand by and wait for us to come to our senses and realize that he's the friend that we can never forget and the friend that always has our best interest in mind. Even when family and friends walk away, he'll be that family that we need. He will never leave us alone and has an answer for every problem and situation that we will ever face. If you are in need of that one true friend, give Jesus a try. He'll always be the friend that remains constant and ever present in your life. So fasten your seatbelts and enjoy the ride on this wonderful lifetime experience.
