

## Martin Luther King Quotes

Somehow this madness must cease. We must stop now. I speak as a child of God and brother to the suffering poor of Vietnam.

I speak for those whose land is being laid waste, whose homes are being destroyed, whose culture is being subverted. I speak

for the poor in America who are paying the double price of smashed hopes at home and death and corruption in Vietnam. I

speak as a citizen of the world, for the world as it stands aghast at the path we have taken. I speak as an American to the

leaders of my own nation. The great initiative in this war is ours. The initiative to stop it must be ours.

Martin Luther King, Jr., The Trumpet of Conscience, 1967

A nation that continues year after year to spend more money on military defense than on programs of social uplift is approaching spiritual death.

Martin Luther King, Jr., Where Do We Go from Here: Chaos or Community?, 1967

## NC's 529 College Savings Plan is a Top Choice

Money magazine recognized North Carolina's National College Savings Program as a good choice for North Carolinians based on the tax break and reasonable expenses.

**Tax Deduction and Savings** – Beginning tax year 2007, there's a tax deduction for every NC taxpayer making contributions to NC's 529 plan up to \$2,500 per individual or \$5,000 for a married couple filing jointly. And earnings on NC 529 accounts are free from federal and state income taxes when used for qualified higher education expenses.

**Low Fees** – NC's 529 plan requires no enrollment fee or sales charges and has very reasonable management fees and fund expenses.

**Multiple Investment Options** – Individual options from Vanguard, Wachovia/Evergreen, NCM Capital, MetLife, and the North Carolina Treasurer, as well as age-based options from J. & W. Seligman and Vanguard, offer a variety of investment choices.

**Flexibility** – Your savings can be used to pay for qualified higher education expenses at virtually any college, anywhere in the country.

To learn more about North Carolina's 529 college savings plan, visit [CFNC.org/NC529](http://CFNC.org/NC529).

For more information about North Carolina's National College Savings Program, please review the complete Program Description and Enrollment Agreement available at [CFNC.org/NC529](http://CFNC.org/NC529) or contact 800-600-3453 to request an enrollment kit that includes both, before opening an Account, or contributing funds to an existing Account, you should carefully read and consider the Program Description, which includes information on investment objectives, strategies, risks, charges, expenses, and other important information.

North Carolina's National College Savings Program is a program of the State of North Carolina, established and maintained by the North Carolina State Education Assistance Authority (Authority) as a qualified tuition program under federal tax law, through NCM Capital Management Group, LLC; J. & W. Seligman & Co. Incorporated; Wachovia Bank, N.A. through its affiliate, Evergreen Investment Management Company, LLC; the State Treasurer of North Carolina; Metropolitan Life Insurance Company (MetLife); and The Vanguard Group, Inc.

The features of a qualified tuition program are complex and involve significant tax issues. The earnings portion of withdrawals not used for qualified higher education expenses are subject to federal income tax and a 10% federal penalty tax, as well as state and local income taxes. The availability of tax benefits may be contingent on meeting other requirements.

The Investment Options are not guaranteed by the State of North Carolina, the Authority, CFN, any investment manager, or MetLife, except to the extent that MetLife has made guarantees for the Protected Stock Fund Investment Option Fund. Accounts are not bank deposits and are not insured by the FDIC or any governmental unit or private person. Participants assume all responsibility for federal and state tax consequences.

## Books and Poems by E.D. Arrington...

Gifts of Inspiration,  
Courage and Love

Jenna 6, Hanging Nooses, James Johnson, Unequal Justice, Heightening Racial Disparity, Soaring high school dropout rates - Signs of the times of 2007? E. D. Arrington's books, though primarily set in the 1960s and '70s, shine a spotlight on our truth - the challenges Black America faced yesterday are the same struggles we face today. But Arrington's books leave readers with one irrefutable message: "The Power Lies Within You." Her novel, *Stay The Course*, is a tale of a grandmother's lifelong dream to see one of her own graduate high school. *Forever Was A Day* is the story of interracial relatives' struggle to break free from the grip of a domineering racist patriarch. *On The Edge* is a saga of secrets that threaten to destroy the lives of a small intimate group of friends. And *Words Of Comfort* is a soul-stirring collection of poems with inspirational messages that honors all of our ancestors. Yes, folks, each of these books is a must read.
