Achievements of Ms. Cierrea Roach

Upon finishing high school at North Carolina School of Science and Mathematics, Cierrea enrolled in North Central University in the Fall of 2005. She graduated from North Carolina Central University with magna cum laude honors and was awarded a Bachelors of Science Degree in Biology. Although she has managed to achieve very high achievements and engaged in numerous successful activities throughout her four year journey, they all came with many challenges. Despite oppositions and challenges she has emerged as a highly notable leader from serving as President of Health Careers club and Vice President of Eagle Landing Hall Counsel to being an exclusive Honorable member

of some of NCCU's programs such as University Honors Program, Golden Key International Honour Society, Phi Eta Sigma Honor Society, Collegiate All-American Scholar, Chancellor. The Lovely Ladies of Alpha Kappa Alpha Sorority, Incorporated. She was also apart of Boston University's Early Medical School Selection Program during the summers of college and her entire senior year.

In the fall of 2009, Cierrea will venture to Brody School of Medicine and pursue a career as a physician. Her primary interest is pediatric care. She has also been awarded a four year full scholarship from the United States Army to attend medical school and has been commissioned as a second lieutenant

Her parents, Tommie and Vivian Roach, solicit your continued prayers for their daughter as she moves forward in life.
