THANKSGIVING PROCLAMATION.

Gov. Carr Appoints November 18th as
a Day of Thanksgiving.

The people of North Carolina have much for which to be thankful to Almighty God in the year which has just past. The earth has brought forth abundantly of the food products in response to our labors, the prices of raw materials have advanced, industrial progress has been awakened in our midst and the future looks brighter than the past few years of disaster and want.

Our people should be thankful for the blessings vouchsafed to them, and, in grateful remembrance of His goodness and in obedience to our laws and the time-honored custom of our forefathers, devote one day of the year to His service.

Therefore, I, Elias Carr, Governor of the State of North Carolina, do hereby appoint Thursday, the 28th day of November, 1895, as a day of solemn and public Thanksgiving to God for past blessings, and of supplication for His continued kindness and care over us as a State and nation.

I earnestly request every citizen of this great Commonwealth to lay aside his usual business, assemble either at the churches or around the fireside, and make this annual festival a day of prayer and thanksgiving. Let not the day be devoted to amusements, but with grateful hearts give praise to God for the preservation of our liberties and for the advancement of our nation in prosperity and greatness.

This State has ever been the home of freedom and the abiding place of a virtuous and noble people. Let the day not pass without acknowledgment of all these blessings, and let us remember in our prayers and offerings the charitable institutions of the State, the wounded and needy soldier, the orphan, the poor and afflicted, and, by substantial giv-

ing, show forth the thankfulness of our hearts.

In witness whereof, I have hereunto set my hand and caused the Great Seal of the State of North Carolina to be affixed. Done at the city of Raleigh, this 14th (Seal) of November, in the year of our Lord one thousand eight hundred and ninety-five, and in the one hundred and twentieth year of our American Independence.

State Pension Roll.

The States Pension Roll has just been completed by the Auditor, and the warrants are now being issued, and will probably go to the registers of deeds of the various counties between December 1st and 15th.

The number of pensioners in the State on the list by class is as follows:

First class 102, as against 68 last year; these receive this year \$64, as against \$68 last year.

Second class 246, as against 240 last year; these receive this year \$47 as against \$52 last year.

Third class 322, as against 348 last year. these receive \$32 each as against \$34 last year.

Fourth class (soldiers) 1,674 as against 1,491 last year; these receive \$16 as against \$17 last year.

Fifth class (widows) 2,769, as against 2,737 last year; these receive \$16 as against \$17 last year.

There is considerable increase of pensioners in every class, the largest being in the fourth class (soldiers.) But this increase in numbers is offset by a corresponding decrease in the amount received by each pensioner. The increase in the first class during the year is 34 and the decrease in amount received by each is \$4; in the second class the increase in number is 6 and the decrease in amount is \$3; in the third class the increase is 4 and the decrease in amount is \$2; in the fourth class (soldiers) the increase is 183 and the decrease in amount is \$1; in the fourth class (widows) the increase is 32 and the decrease in amount is \$1; showing a net increase of 259, and leaving a total on the roll, widows and soldiers of 5,143.

The total amount paid out this year for pensions, will be, in round numbers \$105,000 which is \$5,000 over last year.

Tobacco Seed.

Capt. Pace says one of the prime and essential requisites to the success of a tobacco crop is safe, reliable seed and his observation in traveling around this summer was that for the most part the plants turned out for seed by our farmers were selected because of the overgrown size of the plant evidently caused by being set where there was a compost heap, or where the guano bag was placed and more or less spilled. Plants grown from such will never make fine tobacco, so don't pin your faith to such when fresh, reliable seed can be had of our druggists. Quality not quantity is what pays, and if I was asked to name the best seed I would not hesitate to name the Long Leaf Gooch and Hester as most applicable to the Eastern section.

Big improvement in the weather.

Rev. C. J. Woodson preached two excellent sermons in the Baptist church Sunday.

Saturday night some one went in the hall at the residence of B. H. Hegne, on Second street, and stole two overcoats from the rack.

Those who buy Groceries of me once are sure to come again. The reason is I keep nice, fresh goods.
D. S. SMITH.

Monday has got to be about as good a tobacco day on this market as any other day of the week. Today the warehouses had so much on their floors that the sales continued all day.

From this day on our Children, Boys, Youths and Mens Clothing will be sold 15 per cent. less than New York cost at Lang's.

At the Baptist church Sunday morning just before the close of the service, Rev. C. M. Billings tendered his resignation as pastor, to take effect on or before March 1st. By unanimous vote the resignation was laid on the table.

Mr. Schultz, what new goods have you? Carrs. New York and Mountain Roll Butter, Buckwheat prepared P. R. Molasses, Oat Flakes, Dried Apples, California Prunes and Raisins cleaned Currents, etc.

Shut Up Ten Days.

The horse which got away from Capt. John King's boys on circus day was found Sunday in an unused stable just on the outskirts of town. It is supposed that some one shut the horse up in the stable, and from the way the animal had gnawed the sides of the stable there is doubt if it had had food or water for several days, perhaps not in the two weeks it has been lost.
