EDITORIAL NOTES.

There has never, in our county or State, been any cause for organization of the Peoples Party or any other third party. Democracy has never been faithless to a trust or has there been a cry for reform of State government. It has always been a fight between the good government of the Democratic party and the government for spoils of the Republican party. Fusion means Republican success on State issues. Will you honest men and former Democrats suffer the good work which we have been 25 years in perfecting, destroyed for the sake of giving a few men office, and our institutions thrown down because you do not like some Democrat? Either Russell or Watson will be the next Governor of North Carolina, you must decide which. Do not cast a vote next Tuesday which can count in favor of Republicanism and return of Republican misrule in the Old North State.

Honest voter, you who left the Democratic party for principle, look at the ticket your leaders are asking you to support? Did you intend to go into the Republican party? Will you allow yourself to be carried there when even your own party platform denounces their policies as vicious to the best interests of the people? Is it consistent to unite with your worst enemies and put power in their hands? If fusion is successful the majority of the members of our next Legislature will be Republicans they and not the People's party with control.

Maj. Guthrie's Manly Letter.

Elsewhere in this issue of THE DAILY REFLECTOR we publish "An Address to the People's Party Voters of North Carolina," by their candidate for Governor, Major Wm. A. Guthrie.

We are satisfied that he voices the sentiment of every true Populist in North Carolina, and that his advice will generally be taken by the voters of this party aside from office seekers and those who are Populists for what they can make out of it. We dare say that you cannot find a true Populist in the State who will say but what the position taken by Major Guthrie is the only consistent one that can be taken by any Populist in the party. If there is a single such one let him speak. The people would like to know what he has to say on the position of his candidate for the high office of Governor.

Major Guthrie first appeals to the Populists to stand by Bryan. Can they do otherwise and be consistent?

He next urges you not to vote for a gold bug for United States Senator. Can any Populist be true to his party and vote for Victor Cox in this county, who, regardless of what he may say, you all know will vote for Pritchard for Senator?

Are you, for the sake of electing two or three of your men to county offices, going to tie your President's hands for the next six years with Pritchard in the Senate?

Are you going to do this even when it is not necessary? As freemen you have a right to scratch Cox and no one has a right to demand that you do otherwise.

Again, can you afford to vote for R. M. Douglas and thereby turn over the Supreme Court of North Carolina to the Republican party? Don't you know that during this very week Judge Furches, a Republican now on the Supreme Court bench, has rendered a decision at the request of the Republican Chairman in Buncombe county by which 24 Populists have been removed as poll holders in that county? And this, too, when the Populist Chairman

of the congressional and county executive committee made affidavit that these men were perfectly satisfactory to to every Populist in the district. If you wish to avert a calamity, scratch Douglas.

Next Tuesday will determine what the Populists of this county will do. Consider well, act wisely so that you may not regret when it is to late.

The Circus Here.

The great John Robinson and Franklin Bros' show arrived on its special train this morning just before 3 o'clock and at sunrise the army of busy workers began unloading and putting up the immense tents on the field in the rear of the tobacco warehouses.

At an early hour people began pouring into town from every direction and kept coming until it seemed there was not room for more. Every face wore a smile and everybody seemed bent on getting all the pleasure possible out of the day and to see all that was to be seen.

The street parade took place at 11 o'clock and was witnessed by thousands of eager people who thronged the thoroughfares through which it passed and followed in its wake. The big elephants and camels, the cage after cage of wild animals, the gaily bedecked horses and their riders, the clowns and the superb bands of music all came in for a full share of admiration as the procession moved along. It was a magnificent parade, the like of which is seldom seen more than once in a lifetime.

As the REFLECTOR comes out earlier than usual it cannot speak of the performance under the tent today, but we venture the assertion that none will come away dissatisfied.

There will be two performances, one at 2 o'clock and the other at 8.

How's This for Prices.

AN ADDRESS.

To the People's Party Voters of North Carolina

DURHAM, N. C., Oct. 27.—W. A. Guthrie this afternoon issued the following address to the Populist party. It is one of the most pronounced political sensations of this campaign.

"Voters of North Carolina: Will you, on the eve of the election desert your party flag and the principles you profess to love? Will you be allured into the camp of Mark Hanna and politically slaughtered? I refuse to believe it, and will not be convinced to the contrary until your votes shall be counted and returned. Will you take earnest advice and listen to this last appeal of him whom you honored with your confidence at our last State Convention by nominating me as your choice for the office of Governor? Will you fail to vote for each and every elector on the Bryan Presidential ticket? Will you vote for a gold bug to represent you in the next Congress of the United States? Will you throw away your votes for a Congressman upon Populist decoys in the Fifth and Ninth Congressional districts, and thereby help to elect gold bugs instead of free silver Congressmen in those districts? Will you vote for members of the General Assembly pledged to support Senator Pritchard or any other gold bug republican for a seat in the Senate United States? Those are questions of vital importance to us as a political party, which you can only answer with your ballots and your personal influence. I beg, I beseech, I implore you, as you love your party and the principles you profess, and which we have taught the people are based upon sound principles of patriotic constitutional government, to stand in this crisis by the principles and teachings of the Populist party, or else prepare yourselves to see your party go to pieces and become a byword and reproach among men.

"Have you forgotten so soon the principle laid down at our State convention only two years ago, relating to a non-partisan judiciary? Are you mindful of the fact that if you vote for Col. Douglas for Supreme Court Judge you will do so in direct violation of that principle, and give to the Republican party three out of five of the Supreme Court justices? Will you do it? If by your vote you elect Col. Douglas a Republican, instead of Hon. A. C. Avery, a sitting member of the Supreme Court, and thereby give the Republicans a majority of the Supreme Court, then let every People's party man in North Carolina hang his head in shame and never advocate again a non-partisan judiciary. There is only one Superior Court Judge to be voted for at this election, and he is to fill a vacancy in the Fifth judicial district, where I myself reside. No People's party lawyer has been nominated for that office. My neighbor, friend, and townsman, James S. Manning, of Durham, is the Democratic candidate for that office. I know Mr. Manning to be a learned lawyer of many years practice, and a gentleman of integrity and high personal character. His opponent is the Republican clerk of Caswell county. Unless you are prepared to renounce the wholesome principles of a non-partisan judiciary, I ask you to vote for Mr. Manning and see to it that his name is on your ticket, or if not, scratch Mr. Spencer Adams and put it there. Let me caution you to be careful to read the names on your tickets

before they are put into the ballot boxes.

"My People's party friends, think on these things and before it is too late ask yourself the question, what is the right thing for me to do; then, knowing what is right, have the manhood to go to the polls next Tuesday and do the right thing honestly and fearlessly.

"I beg to assure you that as to my personal candidacy for Governor, it gives me little concern what the result as to my own election or defeat may be, but the future status of the People's party in North Carolina and the right decision of vital questions of Government policy, State and National involved in this political contest, cause me the deepest anxiety. As you love your country, your neighbors, your families and your dearest interests, and would restore prosperity and happiness to the whole people, show yourselves as patriotic at the polls next Tuesday as all true Populists have heretofore professed to be. Let us show to the world that we are not a gang of professional office seekers, but a band of political patriots, moved to action by love of country and proper conception of duties and responsibilities, as well as the privileges of American citizenship. Holy writ and human experience, both alike teach us that a tree is known by its fruits, and a man's acts speak louder than words. Let us prove our political faith by our political acts. W. A. GUTHRIE.

Principle and Self.

The Wil. Star, in an editorial under the above caption; observes that "there was never a political party in this State the leaders of which have so trifled with the rank and file as the Populist party, the rank and file of which is honest, although the leaders are not. Two years ago they fused with the Republicans, with whom they had nothing in common save the greed for spoils, and this year they have done the same thing where the grasping demands of the Republicans did not prevent a trade. While pretending to be actuated by principle, their sole inspiration has been the spoils of office, upon which they have kept a steady eye in every movement they made." Truer words than these were never written, and because they are true, wisdom would have dictated to the Democratic party to go directly to the people this year instead of negotiating with these conscienceless leaders.—Charlotte Observer.

Take Warning.

Charlotte Observer on Person County riot—Such an event as this ought to cause the people of North Carolina to think very soberly of their county in view of the election soon to take place. With such a man as Russell Governor, and Satterfields legislating for us, we would have a state of affairs of which the occurrence of yesterday was a suggestion—a state of affairs from which the people would be glad to escape before they would be able to.

The negroes are never turbulent except in the prospect of a Republican victory or when the Republicans are in power. In either case there is always danger. Thus it is that it is better for the blacks as well as for the whites that the Democrats should have control of North Carolina, and to the accomplishment of that end every energy should be directed from now until the evening of November 3rd.

Just received 100,000 envelopes. For good Job Printing, we are the people.

Enjoyments.

I have told you of the Spaniard who always put on his spectacles when about to eat cherries, that they might look bigger and more tempting. In like manner I make the most of my enjoyments, and though I do not cast my cares away, I pack them in as little compass as I can, and carry them as conveniently as I can, for myself, and never let them annoy others.—Southey.

The American Father.

In what I have seen of English home life it has seemed to me that the English father is on terms of a closer acquaintanceship with his daughter than is the American father. This may be due to the fact that the American father is much more occupied with his business, and also to the additional fact that the American daughter has more of self reliance in her disposition, which renders her to a certain extent more independent and capable of looking after her own interests. In a certain sense, especially as regards monetary and matrimonial matters, it might be said that the English father acts for his daughter, while the American father allows her to act for herself. Those who have made a study of the American girl can have little doubt that this independence is good for her in both a mental and moral sense, though it does not follow that the same course of treatment would be good for the English girl.—Philadelphia Times.

Kind.

Mudge—If there really is anything in this reincarnation theory, I don't know but that I would like to be a good, fat, comfortable hog. Hogs seem to enjoy life so.

Yabsley—But, as I understand it, in reincarnation one becomes something different from what he was.—Indianapolis Journal.

May Be True of a Boston Woman.

A south end woman who was due at home at a certain hour, but couldn't possibly get there because she became stalled in an electric car hlogkade on Tremont street, waited and waited until patience ceased to be a virtue or even half way commendable. She arose and stalked from the car with kindling eye and swelling heart, said by poets to be evidences of anger, but paused at the platform long enough to offer the conductor a nickel. "Why, madam," said the conductor, "you have already paid your fare."

"I know it," said the south end woman, "but I've been here so long I should have owed you rent."

Mrs. R. M. Hearne and little Edward, who have been visiting relatives here, have returned home.

Mrs. T. J. Jarvis returned home Wednesday evening from the western part of state.

Mr. W. W. Little, of Pactolus, died Wednesday night. He was about 60 years old and among the best men of the county. He had been sick several weeks.

Circus day.

Have you seen anybody today?

Pretty weather for the circus.

J. C. Cobb & Son sell goods cheap.

Greenville is full today—of folks and the circus.

The little child of B. T. Bailey is sick.

Prayer meeting in the Baptist church tonight.

Two cars of Flour, 1 car Hay, Dry Goods and Shoes at J. C. Cobb & Son's

Pitt county is noted for pretty women and lots of them have been here today.

There were enough people here today to hold the sidewalks down, no doubt about that.

The schools took holiday today. There is no such thing as keeping a boy at his books when there is a circus in town.

We hear that the stables and barn of Mr. J. J. Nobles, six miles below town, were destroyed by fire last night. Particulars of the fire and extent of loss could not be learned up to the time of going to press.

Don't neglect your legislative and county ticket next Tuesday, but be sure that you vote it straight. An honest comparison of the men on the two tickets to be voted in this county should convince you that you ought to vote the Democratic ticket.

The merchants whose advertisements are in THE DAILY REFLECTOR this week are reaping a harvest. Several hundred extra copies have been distributed today and more will be sent out tomorrow and Saturday. If you want to reach the people get your ads ready tomorrow morning.

The Hummist.

"Can any of you tell me why Lazarus was a beggar?" asked the female teacher in a West Side Sunday-school. "Why was Lazarus a beggar?" she repeated sternly. "Please ma'am," replied a small boy, whose father was a merchant, "because he didn't advertise."—Buffalo Times.

RICKS & TAFT.

We Sell Goods Cheaper Than Any Other House.

DRESS GOODS.

It gives us pleasure to announce that we are now displaying the most extensive and attractive stock of wool Dress Fabrics ever imported by us, selected with the utmost care as to desirability of weave, beauty of effect and excellence of quality; the result has been to enable us to present a superb variety of superior grade goods in a truly wonderful assortment of the most recent creations of wool and silk and wool "fashion's favorites."

Handsome materials and fashionable fabrics will be difficult to obtain this season, for the reason that importation are much below the average, particularly in fine silks and dress fabrics, and the American manufacturers have been obliged to curtail their productions.

Each department of our business is fully prepared to show the newest and correct materials, styles and colorings for fall and winter, and we strongly recommend an early examination of the various departments.

RICKS & TAFT, The Money Savers.

The bride is well known here and her going will be a loss to the community, but Malitia's loss will be Pitt county's gain, and The Commonwealth congratulates the happy groom and joins the many friends of both in wishing them great success and much happiness.—Scotland Neck Commonwealth.

Wilson Air-Tight Heater.

With Patent Automatic Smoke Doors.

The Wilson Heater, which is a stove for house heating, is the most remarkable that has ever been patented.

In the first place it radiates more heat than any stove known, and will save 25 per cent. in fuel over any stove made.

Second, with two or three ordinary sticks of pine stove wood it will keep the fire from 35 to 48 hours, and with ordinary care the fire will never go out.

Third, being entirely closed at the base there is no danger of fire, and it is the cleanest stove in use. It is not necessary to remove the ashes oftener than once a month. These stoves are made of different styles—the small one, which is made for bed-rooms, is especially recommended for health as well as comfort.

The Wilson Heater has a great advantage over any similar stove, because it has Patent Automatic Smoke Doors, which prevent the smoke from coming into the room when you take the top off to put in the wood. These doors are so constructed that they can be taken off and put back on in one minute. These stoves can be seen our store, come and look at them.
