Base Ball.

Cincinnati, July 17—The Reds had no trouble defeating the Senators today. Dwyer pitched fine ball for the locals, while Swain was hit hard throughout the game. Umpire O'Day called the game in the ninth inning on account of rain. Score. Cincinnati, 14; Washington, 2.

St. Louis, July 17—Billy Hallman made a successful debut today as manager of the Browns. His team played pennant-winning ball, outplaying the Phillies at every point. Score. St. Louis, 10; Philadelphia, 5.

Cleveland, July 17—Wilson did as he pleased with the Brooklyn today. Only in two innings were they able to make more than a single hit. The fielding on both sides was brilliant throughout. Score. Cleveland, 5; Brooklyn, 2.

Chicago, July 17—The Colts were never in today's game. Friend pitched two innings, giving way to Korwan in the third, after two singles, a double and a triple had been made off him. The slaughter, however, continued harder than ever, every one smashing the ball when it happened to come over the plate. Corbett was hit for but four singles, two of them in the last inning. Score. Chicago, 2; Baltimore, 20.

Pittsburg, July 17—Hawley pitched a good game today, but Boston's hits came at the right time. Pittsburg tied the score in the ninth on Padden's single and Donovan's three bagger. The visitors, however, squelched the Pirates in their half of the ninth with Stivetti's three bagger, followed by Tenney's single. Score. Pittsburg, 5; Boston, 6.

Louisville, July 17—Another double header was played today and each team scored a victory. The first game was hotly contested and the Giants won out in the ninth inning. Umpire Lynch helped the New Yorks to victory by calling F. Clarke out at the plate when he was clearly safe. The visitors were never in the second game. Dad Clarke was batted hard, while Dowling, who was secured from the Paducah, Ky., club, was very effective. Score. Louisville, 3; New York, 6.

Second game—Louisville, 12; New York, 6.

Didymus, the Alexandrian, was born blind; but, notwithstanding this defect, attained such great skill in mathematics, geometry and logic that he was reckoned one of the wonders of his age.

Goliath, the famous Philistine champion, was one of the tallest men of whom any measurements are recorded. His height was six cubits and a span, or about 10 3-4 feet.

A Shrewd Fruit Dealer.
An ingenious device for attracting custom was that of a fruiterer in a midland town. Instead of ordinary plate glass a large number of rough magnifying glasses formed the window. Seen through one of these panes, an orange looked as large as a pumpkin, and cherries as large as apples. A great disadvantage attaching to this novelty was the fact that at the distance of a few yards from the window it was quite impossible to see into the shop. Everybody knows that you must hold a magnifying glass very close to the eyes to see anything through it. Nevertheless, for some time, at all events, the enterprising shopkeeper did a splendid trade.—Liverpool Mercury.

Boston's Famed Brown Bread.
For one large loaf of bread use three pints of sifted cornmeal, three pints of rye flour, one cup of good hop yeast and one cup of molasses. Mix very soft with warm water, pour the mixture into a round pudding tin and allow it to stand until light. Bake with a steady fire for three hours.—Ladies' Home Journal

Music at the College.

Mr. A. A. Forbes entertained a number of friends with a musical in his home at the College, Monday night. He has a remarkable family, every member of it possessing a talent for music that is almost marvelous, and our people are always glad of an opportunity to hear them play together. Besides the selections rendered by Mr. Forbes and his family, Mrs. T. E. Hooker sang several charming solos, Mrs. Dr. Moye and Miss Mary Alice Moye played instrumental selections, and Miss Anna Howard, of Kinston, gave a beautiful recitation. The evening was one of rare pleasure.
