MONDAY, MAY 30, 1898.

The Platform Adopted.

The Democratic party of North Carolina, in convention assembled in Raleigh, N. C., on this day, May 26, 1898, do hereby approve, endorse and ratify the last Democratic National and State platform and pledge our earnest support to the principles therein expressed.

We denounce the Republican party for the passage of the Dingley tariff bill, which has increased the burdens of taxation upon the consumers and given the trusts and monopolists greater power to rob the people.

Believing that under our present methods of Federal taxation that more than three-quarters of our National revenues are paid by people owning less than one-quarter of the property of the country, we protest against such inequality and injustice, and in order to remedy to some extent this great wrong, we favor an income tax, and favor all constitutional methods to sustain it.

We denounce the Republican party for the defeat of the Teller resolutions declaring our National bonds payable in silver as well as gold, and denounce it for its determined purpose of more thoroughly fastening the single gold standard upon our people, and for its avowed hostility to the free and unlimited coinage of silver, as well as gold, at the ratio of 16 to 1, into full legal tender money.

We denounce the Republican party for its determination to issue bonds at this time, and we denounce the Republican war tax bill which lately passed the House of Representatives as unjust and unequal in its burdens, unnecessary and vexatious, and we demand the silver seignorage be coined, that an income tax be levied; and that the Secretary of the Treasury be authorized to issue the necessary amount of full legal tender greenbacks, or United States Treasury notes, in order to meet the expensive of the war with Spain and to supply the revenue deficit under the Dingley bill.

While we deplore the war with Spain, we pledge our earnest support to the Government in all honorable ways to effect a speedy and successful conclusion of hostilities.

We denounce the scandal, extravagance, incompetency and corruption of the present Republican State administration.

We denounce all enactments of the last two Legislatures by which cities and towns in the State have been turned over to negro domination, and we pledge ourselves to enact such laws as will give security and protection to the property and people of every town and community in the State.

We denounce the placing of

negroes on committee to supervise white school and we pledge ourselves, if restored to power, to enact such legislation as will make this impossible.

We denounce all legislation enacted by the Legislature of 1895 and 1897 for carrying out the base and partisan designs of the Republican party.

We denounce the placing of ignorant, irresponsible and corrupt men in office.

We oppose the removal by corporations on suit or cases from our State to the Federal courts, and favor legislation to prevent it.

We favor fair and just election laws.

We favor a government of the people, by the people and for the people—economy in expenditure, the abolition of unnecessary offices, decency in administration constant improvement of our educational system, charity to the unfortunate, and rule by the white men of the State.

We favor the extension of the powers of the Railroad Commissioner, and a close scrutiny into affairs in order to ascertain, establish and maintain such rates as shall be fair and just to the people and to the transportation and transmission corporations.

We condemn free passes.

We favor the enactment of such legislation as will encourage capital to make investments within our State, and guarantee that the same shall be justly protected.

We favor a union of the silver forces of the country in the Congressional elections, and cordially invite all voters, without regard to past political affiliations, to unite with us in supporting our candidates for Congress who favor the free coinage of silver, thus giving practical force and effect to the recommendation of our Democratic National chairman, Hon James K. Jones, and to the congressional committee.

We admire and recommend without stint the great and gallant fight made by Gen. William J. Bryan in the last National campaign for the success of our party and the principles of our platform.

We call attention to the wise economical, honest and honorable administration of the affairs of our State for twenty years prior to the present Republican administration, and promise the people a return of wise, honest, economical and honorable administration, under Democratic success. We call upon every believer in honor, honesty and economy, upon every advocate of white supremacy, upon every advocate of equal and just taxation, upon every advocate of the income tax and opponent of plundering tariff taxation, upon every advocate of the restoration of silver, and opponent of the single gold standard, and the present issue of bonds, as threatened by the Republican party, upon every opponent of government by injunction, and advocate of the jurisdiction of State courts over cases arising in the State against corporations doing business therein, upon every lover of decency and good government and opponents of the prevailing conditions, to unite with us in our contest with the Republican party—the greatest enemy of our principles, and aid us in redeeming the Nation from the clutches of greed and injustice, and the State from the scandal and incompetence that now afflict it.

A new kind of a church lottery is the device of a congregation in Hanford, Cal., which is going to equip its pastor for a two years' stay in the Klondike on condition that if he make a strike he shall pay off the church debt.

Two Ways of Looking at Things

It is a pity that more of us cannot cultivate the twofold way of looking at things, writes Edward W. Bok in the June Ladies Home Journal. There would be less friction in life if we did, and sweeter sympathy, kinder understanding, and broader and fuller living. The fact is that we never reach the dignity of true living unless we do learn this all-important lesson. And that it may be cultivated admits of no doubt. It is simply a question of schooling ourselves not to condemn generally what individually does not happen to be to our taste. If, for example, we prefer brown as a color there is no reason on earth why we should condemn the taste of any one who preferred to wear green. What the vast majority of us need is to be a little more self-poised, more judical, more willing to see good in the tastes of others, although they do not please our own particular fancies. It we all thought alike, read the same books, saw the same plays, wore the same colors, this would be an exceedingly uninteresting world.

We cannot see all things in the same way, but we can come near to justice and true respect by taking a twofold view of things while still retaining our strong individual views. Seeing a possible good or use for everything does not necessarily mean a weak individuality. The most uncomfortable people in the world are those who assert their judgments in a hard, decisive and final manner, as if they were courts of last resort. On the other hand, the brightest and best minds are those that have most respect for the opinions of others.

Hoax—What's the matter with that man? St. Vitus dance? Joax—No; he has the ague, and he's trying to shake it off.

Even little things like possessive pronouns, says the Manayunk Philosopher, figure prominently in this war. For instance every mine in Havana harbor will soon be ours.

What news, this morning? asked the President. Well, said the Secretary. I'm not sure. I cabled Schley: Have you Cervera in your snare? He replied with one word, but I can't be certain whether it's net or nit.

Do You Suffer from Cancer? If so Read This.

I have had cancer on my face for 14 years, and have tried all the cancer doctors of any reputation in this country. I went to Atlanta and put myself under treatment of a cancer doctor of great reputation. I tried all treatments that presented, with but little if any benefit. It appeared first under my eye in a small lump not larger than a pea and it started from that to eating until it has now eaten away one of my eyes, one of my ears is gone and good portion of one side of my face. I became heartily discouraged by the treatment of all cancer doctors and determined to try blood medicines. I tried all the blood medicines of any repute in the country, with but little benefit. Accidentally, or I might say, providentially, Mr. Joe Person passed by my house last summer and came in to see me and asked me to try her Remedy and wash. I was altogether discouraged and in bad health every way and had just given up to die. I thought that I would make one more trial and try her Remedy. I did so and the very first dose I took did me more good than any medicine I ever took in my life. I commenced building up at once. I had indigestion, dyspepsia and chronic costiveness and it relieved all in a short time. I continued to use it for six months and continued to improve all the time. It did me more good than all the blood medicines I ever used. Cancer that has developed itself as far as mine had is impossible of cure, but if I could have gotten it five years ago I know it would have cured me. I believe I would have been in my grave long ago if it had not been for Mrs. Joe Person's Remedy. It relieves the pain and suffering from the cancer, and gives me good, sweet, restful sleep. I had no appetite and was weakened down. It gave me good appetite and strength. I would urge upon and advise any one who has the least appearance of cancer to begin to use Mrs. Joe Person's Remedy and Wash at once. I believe it will cure any case of cancer if only taken in time, before it gets such deep hold. Don't delay it. When anyone buys Mrs. Joe Person's Remedy and Wash they are not buying a humbug, it is all that is claimed for it. I believe if anyone will use the Remedy for six months, it will utterly kill the taste for liquor. I believe it equal to the Keeley Cure. I have been a moderate drinker in my time, but since taking the Remedy, I have lost all taste for liquor and it is repulsive to me now.

**Only Two Failed**

Privates W. E. Nichols and S. E. Marrow reached home Saturday evening from camp at Raleigh. These failed to pass the physical examination before the examining officer, being the only two from Pitt county who failed to pass. It must be said to the credit of these two that they stuck to the boys to the last and were willing to go to the battle.

**APPOINTMENT OF COL. L. D. TYSON.**

Col. L. D. Tyson, a former North Carolinian has been appointed Colonel of a Tennessee Regiment of volunteers by President McKinley. Raleighites will be specially interested in this appointment for the reason that his sister Mrs. Paul Lee and his mother Mrs. Margaret Tyson are residents of Raleigh.

**COLONEL L. D. TYSON.**

In 1897, after a competitive examination, Mr. L. D. Tyson, who was at that time, living in the town of Salisbury, became a cadet at West Point, by appointment of Col. Armfield.

Mr. Tyson is a son of Mr. Richard L. Tyson and Margaret Tyson, nee Margaret Turnage, who resided in Greenville, Pitt county.

Mr. Tyson graduated from the military academy in 1883, with distinction, and was, at once, assigned to duty as second Lieutenant in the Ninth United States Infantry. From 1883 until two years ago he was an officer in the army. During the greater part of the period he was engaged, in active service, in the west. His reputation as an officer and a soldier was excellent.

From 1896 to the present time Lieut. Tyson has been engaged in the practice of law in Knoxville, Tennessee, where he married in 1887, Miss Elizabeth McGee, a most estimable lady, who is a daughter of Colonel McGhee, one of the wealthiest and most distinguished citizens of East Tennessee.

Mr. Tyson's reputation as a lawyer was daily increasing and his practice becoming constantly more lucrative.

When war with Spain was declared, like the true patriot he is, he tendered his service to the general government. The man who had been trained to arms by his country could not hesitate to offer his services to his country when she needed them.

President McKinley, in recognition of the value of such services has made Lieutenant Tyson a Colonel, and he has been vested with authority to raise a regiment of Tennesseans.

Where the fighting is hottest, and the highest honor is to be gained, there, will be found the regiment of Colonel Tyson.

North Carolina congratulates the gallant Tennesseans, who will be led to battle by her heroic son.—Raleigh Post.

**For Pity Sake**

We had hoped in this enlightened age it would never be necessary to print another article about people pulling flowers from the cemetery, but attention being called the recent commission of such an act we once more speak about it. Surely people who pull flowers from the home of the dead must do so thoughtlessly, for we fail to see how even their love for flowers, or the pleasure possessing them affords can lead any one to rob a grave yard to gratify such pleasure. Reader, if you have ever been guilty of such an act do not commit it again. Let your pride, your love for the memory of the departed, your respect for the sacred last resting place of the dead forbid you doing so.

Owing to the Pearson meeting the Odd Fellows will hold their regular weekly meeting on Tuesday afternoon at 6 o'clock instead of at night.

**The Pearson Meeting**

Evangelist R. G. Pearson, of Asheville, reached Greenville Saturday evening to hold a ten days' meeting here. The services are held in the Star warehouse at 11 A. M. and 8 P. M. The building is comfortably seated and well arranged for such a meeting, and no one need stay away from any service through fear of not being able to get a seat.

Mr. Pearson has given many years to evangelistic work and has held meetings north, south, east and west. His name is familiar throughout the country and the good he has done is immeasurable. He does not believe in any clap-trap or high pressure methods in conducting his meetings, but preaches the Gospel simply, plainly and forcibly, looking to the Bible for the foundation of every truth uttered and relying implicitly upon the Holy Ghost to direct and apply the truth to the hearts of his hearers. Such preaching cannot fail to do good and we confidently expect a great blessing to come to Greenville from his meeting.

Mr. Pearson hold his first service here in the warehouse Sunday morning at 11 o'clock, his text being from James 2:24. His subject was "faith and works," from which he showed that man is not justified by faith alone but by works as well. Taking the question, "How is man justified in the sight of God?" he showed conclusively that it is by faith; then asking again "How is he justified in the sight of men?" he showed with equal emphasis that it is by works. God seeing and knowing all things, judges us by our hearts, while man can only judge us by our works, the fruits of our life. Every point in the discourse he fully sustained by the Bible, giving a "thus saith the Lord" for every declaration.

At night Mr. Pearson's text was found in Galation: 6:7, the subject "Sowing and Reaping." He used these divisions: "The reaping is certain," in that if we sow we SHALL reap; "the reaping is like the sowing" for whatsoever we sow THAT shall we also reap; and "the reaping is in excess of the sowing," as we gather more than we sow. Under each of these divisions he used strong, clear and practicable illustrations, his argument being simply beyond controversion from any standpoint.

Mr. Pearson conducts his meetings on business methods, beginning promptly at the time specified without waiting

for anybody. The morning service starts exactly at 11 o'clock and close at 12, holding just one hour. The evening service begins at 8 o'clock with a half hour song and prayer service the sermon begins at 8:30. The business men of the town are manifesting commendable interest in the meeting, most of them closing up during both the morning and evening service.

The choir at the meeting is a good one, being composed of about thirty voices and four instruments—organ, violin, piccolo and cornet.

It possible no one should miss a service, as the officer you attend the morn benefit you receive.
