Fusionists Start Out

The fusion candidates opened their campaign at Burney's cross roads in Swift Creek township, on Saturday. We learn that there were present by actual count two Populists, twenty five negroes and twelve Democrats, the latter being there out of curiosity. The only ones to attempt a speech beyond the simple announcement of being a candidate were two of the Johns, Thompson and Phillips. About all there was in Thompson's speech was his telling the negroes they had better stick together this time, for if the Democrats got in they would never have another chance to vote. He did not know how else to frighten the negroes than by telling them something like this. Phillips beat all around the face of the earth in about his usual style in making a speech, what he said amusing nobody but the negroes. Verily the Populists are following a forlorn hope. They see defeat before them. Already discouragement is pictured on their faces and they are complaining of the heavy Republican load they are trying to pull along with them. White men are not going to follow the fusion crowd and they are finding it out.

A Good Showing.

At the close of the sermon in the Baptist church, Sunday night, the letter to be sent by the church to the Tar River Association was read. This letter gives a record of the work done by the church for the past associational year. It shows an addition of 17 members, a net gain of 8, making the total membership 113. The aggregate amount of contributions for all objects during the year was \$1,437.51, an increase of \$266.81 over the previous year. In speaking of the year's work Rev. A. W. Setzer, the pastor, commended the church for what it had done and thanked the members for the co-operation given him in every department of the church work. He said there was no church in the State that he had rather serve than the Memorial church at Greenville.

M. and 9 o'clock P. M., on Saturday Oct 29th 1898.

Negroes Still At It.

The result of the negro-office holding and fusion in North Carolina, putting notions into the heads of ignorant negroes, is still bearing fruit. It has been the duty of The Journal to publish these occurrences. The worst of it is that it is not the white men who suffer, it is their wives and daughters. The men can take care of themselves.

A few days ago a young lady of Newbern, a member of one of our most prominent families was walking on Middle street. She met two negro women. They were young and ignorant and therefore impudent. Evidently they had heard of the "rights" of their race. As they approached the young lady they took hold of each other so as to sweep the entire sidewalk and forced the young lady to step off into the ditch as they marched past.

A couple of days ago a young lady went to a negro shoe-maker to have a shoe fixed. She had previously given him work. The man asked 25 cents for the work, which was a small one. The young lady said to him that she had the same kind of work done by him before and he had charged but ten cents for the job. The negro become impudent and said, "You are an infernal liar." The young lady retreated from the spot as quickly as possible.—Newbern Journal.

Cheap Insurance

The Pitt county branch of the Farmer's Mutual Fire Insurance Association of North Carolina held its fourth annual meeting here today. The official report shows a membership of 551 who carry \$455,100 insurance. The cost of this insurance the past year was only \$1.37 for each \$1,000, which is a remarkable showing. R. R. Cotten was re-elected president and J. L. Little was re-elected secretary and treasurer.

"Captain Dick."

Messrs. Bertram & Willard, with the assistance of home talent, will present "Captain Dick" in the new opera house here Oct. 20th and 21st. This is a pretty military play and has drawn crowded houses wherever presented. Asheville, Raleigh, Oxford, Henderson and other papers speak in glowing terms of it. You can look for later announcements.

The Miller's Daughter

This is the name of the play to be presented under the management of Miss Sallie Lipscomb on Oct. 12th in the new opera house. The characters have all been assigned and rehearsal are now in progress. It is a charming play, will be well rendered, and no one should miss it.

A STUPID FELLOW.

who gauges the quality of CLOTHING by the price has no business to be married. Yet one of this class directed his wife to buy Clothing from another firm because they charged more for it, and "it must therefore be better." His better half bought some from us and some from the other house, and showed her husband that they were identical. This proved conclusively how foolish a man can be when he really tries. The lady of the house generally knows where she can get the most and best for the money.

Gov. Jarvis speaks in Waynesville today. He goes into that section of the State as the white man's representative. No one knows of the shame and disgrace fusion has brought upon the east better than he.

Small and Skinner, Democratic and Populist candidates for Congress in this District, met in joint debate at Farmville Saturday. From the reports that come in, Mr. Small is driving the Colonel to the wall.

Geo. H. White Tells Negroes to Arm Themselves

G. H. White, the negro Congressman of the second district, made a speech in Northampton county a few days ago that completely discounts his rank utterances here at the Republican State convention.

A gentleman whose veracity

and integrity cannot be questioned informs The Post that White counselled the negroes in his Northampton speech to get their guns and ammunition ready, and not to delay the matter.

A white gentleman had permitted White to speak on his land. As soon as the negro Congressman gave utterance to this incendiary language he ordered him off his premises.

White and his crowd of negroes then went to a school house, where he concluded his speech.--Raleigh Post.

Increased Expenses at the Penitentiary

Hon. John R. Smith reports that the "salaries and wages" paid on account of the penitentiary for 1897 amounted to \$57,619.95 during his administration.

The year 1896, under Mr. Leazer, this item of expense amounted to \$48,704.53, or a difference of \$8,915.37 in favor of the Democratic administration.

Mr. Smith swears that his administration paid out, for mileage and per diem of directors for 1897, \$3,765, while during Mr. Leazer's administration, in 1896, this item amounted to \$2,435.69, or a difference of \$729.31 in favor of the Democratic administration.

And yet they promised to cut down offices and salaries. Here is an increase of \$9,644.68 in one year in increase of offices and salaries, in the penitentiary alone, and with fewer convicts, as Mr. Mewborne reports, than the Democrats had to care for.--Raleigh Post.

Seed of Corn 3,000 Years Old

Three or four years since an Indian mound in Arkansas was being excavated, when an earthen jar was found, hermetically sealed that contained a small quantity of grains of Indian corn. Some of the grains were the next year planted in Missouri, and several bushels raised. On the top of the mound from which the jar was dug out a large tree four feet in diameter was growing, and it is thought the corn lay buried about 3,000 years. Squire James L. Neal, one of the most prosperous and progressive farmers, sent and prepared a small quantity of the corn, paying over 2 cents a grain. This he planted last year, but the yield was small on account of the drought. He saved enough, however, to get in a good patch this year. He has used it for roasting ears, and says it is the best he ever had. The ears are not large, but grow two or three on a single stalk. The one thing peculiar about this corn is its color, or rather colors. On the same cob are grains of different colors, and in the row you can find an ear that is white, another blood red, another salmon colored, and another perfectly black.--Harrodsburg (Ky.) Sayings.

ALFRED FORBES. Greenville, N C

TO CURE NERVOUS DYSPEPSIA.

To Gain Flesh, to Sleep Well, to Know What Appetite and Good Digestion Mean, Make a Test of Stuart's Dyspepsia Tablets.

Interesting Experience of an Indianapolis Gentleman.

No trouble is more common or more misunderstood than nervous dyspepsia. People having it think that their nerves are to blame, are surprised that they are not cured by nerve medicines and spring remedies; the real seat of mischief is lost sight of; the stomach is the organ to be looked after.

Nervous dyspeptics often do not have any pain whatever in the stomach, nor perhaps any of the usual symptoms of stomach weakness. Nervous dyspepsia shows itself not in the stomach so much as in nearly every other organ; in some cases the heart palpitates and is irregular; in others, the kidneys are affected; in others, the bowels are constipated, with headaches; still others are troubled with loss of flesh and appetite, with the accumulation of gas, sour risings and heartburn.

Mr. A. W. Starner of No. 61 Prospect St. Indianapolis, Ind., writes as follows: "A motive of pure gratitude prompts me to write these few lines regarding the new and valuable medicine, Stuart's Dyspepsia Tablets. I have been a sufferer from nervous dyspepsia for the last four years; have used various patent medicines and other remedies without any favorable result. They sometimes gave temporary relief until the effects of the medicine wore off. I attributed this to my sedentary habits, being a bookkeeper with little physical exercise, but I am glad to state that the tablets have overcome all these obstacles, for I have gained in flesh, sleep better, and am better in every way. The above is written not for notoriety, but is based on actual facts.

Respectfully yours, A. W. SHARPER, 61 Prospect St., Indianapolis, Ind. It is safe to say that Stuart's Dyspepsia Tablets will cure any stomach weakness or disease except cancer of the stomach. They cure sour stomach, gas, loss of flesh and appetite, sleeplessness, palpitation, heartburn, constipation and headaches. Send for valuable little book on stomach diseases by addressing Stuart Co., Marshall, Mich. All druggists sell full sized packages at 50 cents.
