COBB & SON

A White Man Chained to a Negro

Not less than 500 negroes were at
the depot yesterday morning to bid
farewell to the prisoners being taken to
the penitentiary. The crowd was
waiting and when Jos Hahn and his
two negro deputies arrived with six
prisoners, there was a rush to see them
and the car was invaded in short
order.

There was one white man among the
prisoners, Tom Rollins, who was sent
up for larceny for six months. He
was chained to a negro. Sheriff Hahn
announced several days ago that on his
next trip to the pen, he would chain a
white man and a negro together. He
kept his word.—Newbern Journal,
Oct. 13th.

JUST FOR FUN

The serene and yellow leaf now blush-
eth at the nakedness it is disclosing.

It is reported that a certain per-
former in this country, who is a million-
aire, started in business only five years
ago with a scent.

"Some kids is funny," writes the
bright primary school boy; "they bag
schol, and then spend the day playing
jograly class of some gam like that."

"This animal," said the oily-tongued
horse gyp, "is a bona-fide Hambleton-
ian." "B'gosh, I believe ye," re-
plied the not-so-verdant farmer; "it's
the must bonified critter I ever see."

Grimesland Rally

The Democrats of Chicod township
are preparing to make the big rally at
Grimesland on Friday, 21st, the grand-
est occasion of the kind ever held in the
county, and it bids fair to eclipse any
like occasion in eastern North Carolina.
There is going to be a tremendous
crowd, plenty to ear, several
prominent speakers, and a Democratic
jollification generally.

"Captain Dick" will be Ready.

Rehearsal for "Captain Dick" the
military play to be given at the opera
house next Thursday and Friday night
are now being pushed day and night.
The cast of twenty people has been
selected and the rehearsals already
indicate one of the best performances
ever given of the play. Every rehearsal
is conducted under the personal di-
rection of the authors who also play
leading parts.

At Stokes.

The Democratic candidates had a
great day at Stokes Thursday. J. L.
Fleming was with them again and
made the opening speech which was a
fine one. F. G. James, T. H. Barn-
hill and W. J. Nichols each made ex-
cellent speeches, and all the other can-
didates made brief remarks. There
was a large and enthusiastic crowd
present.

Don'ts

Don't rob yourself by calling other
people hard names.

Don't consider a task impossible
because you are unable to perform it.

Don't keep your hand in your
pocket when sympathizing with a man
in hard luck.

OVER THE COUNTRY

Policeman A. I. Mikkelsen, of Cli-
cago, Ill., shot himself on the grave of
his wife.

A deal is on foot in the Indian Ter-
ritory by which John D. Rockefeller
is to secure control of all coal land
there.

The annual session of the National
Paint, Oil and Varnish Association is
being held at the Waldorf Hotel, New
York.

The Ohio Centennial, planned at
Toledo for 1903, is to celebrate the
centennial anniversary of the purchase
of the Louisiana tract.

From a Candidate's Notebook.

The weather is extremely cold. I
do hope that I won't be snowed under.

Several men called to borrow \$10
from me today. I was not at home.
They said they would call again.

There is a good deal of red tape
about office-seeking, and I'll consider
myself lucky if they don't lynch me
with it.

I inherited a first-class war record
from grandfather. But my opponent
had to saw off his left leg in order to
get one.

Somebody has discovered that I
haven't paid my taxes in three years.
I must really go to work and get up
the money. Every man should pay
his taxes.

I have twice been called "colonel,"
and the editors refer to me as "the
honorable" whenever I get into print.
If I don't win this race I'll have a
good time running.

I have subscribed to fifty weekly
newspapers. I never read newspapers
before, but I find them very inter-
esting now. I must write a speech
in favor of the liberty of the press.

who gauges the quality of CLOTHING by
the price has no business to be married
Yet one of this class directed his wife to buy
Clothing from another firm because they
charged more for it, and "it must therefore
be better." His better half bought some
from us and some from the other house, and
showed her husband that they were identi-
cal. This proved conclusively how foolish
a man can be when he really tries. The
lady of the house generally knows where
she can get the most and best for the money.

GET FLESH.

Get Strength, Vigor, Clear Complexion and Good Digestion, Not by Patent Medicine, But in Nature's Own Way.

Any honest physician will tell you that there is but one way to get increased flesh; all the patent medicines and cod liver oils to the contrary notwithstanding.

Nature has but one way to increase flesh, strength and vigor, mind and body, and that is through the stomach, by wholesome food, well digested. There is no reason or common sense in other methods whatever.

People are thin, run down, nervous, pale and shaky in their nerves simply because their stomachs are weak.

They may not think they have dyspepsia, but the fact remains that they do not eat enough food, or what they eat is not quickly and properly digested, as it should be.

Dr. Harlandson says the reason is because the stomach lacks certain digestive acids and peptones, and deficient secretion of gastric juice.

Nature's remedy in such cases is to supply what the weak stomach lacks. There are several good preparations which will do this, but none so readily as Stuart's Dyspepsia Tablets, which are designed especially for the stomach troubles, and which cure all digestive weaknesses on the common sense plan of furnishing the digestive principles which the stomach lacks.

Stuart's Dyspepsia Tablets give perfect digestion. First effect is to increase the appetite and increased vigor, added flesh, pure blood and strength of nerve and muscle is the perfectly natural result.

Stuart's Dyspepsia Tablets is the safest tonic known and will cure any form of stomach trouble except cancer of the stomach. May be found at druggists at 50 cents for full sized package or direct by mail from Stuart Co., Marshall, Mich.

WINE OF CARDUI

For Mothers!

The discomforts and dangers of child-birth can be almost entirely avoided. Wine of Cardui relieves expectant mothers. It gives tone to the genital organs, and puts them in condition to do their work perfectly. That makes pregnancy less painful, shortens labor and hastens recovery after child-birth. It helps a woman bear strong healthy children.

Wine of Cardui

has also brought happiness to thousands of homes barren for years. A few doses often brings joy to loving hearts that long for a darling baby. No woman should neglect to try it for this trouble. It cures nine cases out of ten. All druggists sell Wine of Cardui. \$1.00 per bottle.

For advice in cases requiring special directions, address, giving symptoms, the "Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.

Mrs. LOUISA HALE, of Jefferson, Ga., says: "When I first took Wine of Cardui we had been married three years, but could not have any children. Nine months later I had a fine girl baby."

FACES CHANGE.

As well as the Months—Here's Some New Ones.

A Cohn, of Newbern, is here. W. O. Shelburn left this morning. B. C. Pearce left this morning for his home in Sanford. J. W. Wiggins came down from Tarboro Thursday evening. E. B. Ficklen went to Kinston last night and returned this morning. Nat Fultord and S. C. Bragaw, of Washington, came in Thursday evening. Mrs. J. B. Randolph returned Thursday evening from a visit to her parents at Mildred. W. E. Patrick, of Ayden, was here today and made us a call. He says Ayden is progressing rapidly.

Locked like a storm was coming when THE REFLECTOR went to press.

The weather report for the next 24 hours is long enough to mean something.

Register and vote for white supremacy, are two important things for white men to do.

The furlough of the soldier boys has been extended and they will be mustered out without having to return to Raleigh.

Edgecombe county is to have a big Democratic rally at Tarboro on Tuesday. Senator Timan, of South Carolina, is among the list of speakers.

THE REFLECTOR would not object to receiving calls now from those subscribers who pay in wood. Winter will soon be here.

Rev. Alexander Connell, of London, who is on his way to Japan, has been cabled a call to succeed the late Dr. Hall, in New York.

The Kind You Want to Keep Up With.

Circus day. Have you registered? Corn harvesting time is here. Don't forget to register Saturday. The forest is taking on autumn tints. Just as well be looking after your coal bin. Rehearsals for "Capt Dick" are in progress. The county candidates were at Bethel today. Most of the straw hats have gone into winter quarters. Daughters of Rebekah and Knights of Pythias met tonight. The negroes stick together. White men cannot afford to do less.

The circus did not get here today until the noon freight train came.

WANTED—A good milch cow with young calf. ALFRED FORBES.

First of the season—Hecker, selling rising Buckwheat, at S. M. Schultz.

The Republican-Populist fusion candidates begin their canvass at Falkland Saturday.

Be sure that the flies and chimneys about your houses are all right before you start a fire.

Col. Amos Keeter will soon be mustered out and Gen. J. Frost will take charge of the camp.

The Democrats never put out a better county ticket than they have this year. Every white man should vote it.

The warehouses had a block sale Thursday, two of the houses having to be left over. Tobacco keeps rolling in.

The white man who votes a fusion ticket is voting to continue negro rule in eastern North Carolina. Don't do it. Be true to your race and vote the white man's ticket.

Another assortment of the celebrated Parker Fountain Pen, best on earth just received at Reflector Book Store. The jointless pen is the very latest invention and is a great success. Come and see it.

Land For Sale.

I offer for sale a valuable parcel of land on the suburbs of Greenville. About 2 acres in tract, 90 yards fronting on the railroad and 90 yards fronting on Dickson avenue near the residence of E. A. Moye. The land is in a high state of cultivation and has a good tobacco barn on it. Further particulars given on application.
