A prominent Populis: in Griffin's township, Nash county, says that all the white men in that township will vote the whi'e man's ticket with the exception of three. That two out of the three are wen who deserted from the Confederate army and who are now drawing pensions as a recompense for their infamy. ## HEART DISEASE

Some Facts Regarding The Rap id Increase Of Heart Trouble.

Do Not be Alarmed, But Look For the Cause.

Heart troubles, at least among Americans, are certainly increas cities and towns, negroes may be bemarie, the Cape Fear, of Ala- ing and while this may be largely found helding the offices of Regis mance, Guilford Court House and due to the excitement and worry

of American business life, it is more often the result of weak stomachs, of poor digestion.

Real organic heart disease is incurable; but not one case in a bundred of heart trouble is organ

The close relation between heart trouble and poor digestion is because both organs are con tro.led by branches of the same great nerves, the Sympathetic and Preumogastric.

In another way, also the heart is affected by that torm of poor digestion, which causes gas and fermentation from half digested food; there is a feeling of oppression and heaviness in the chest caused by pressure of the distended stemach on the heart and lungs, interfering with their action hence arises palpitation and short breath.

Poor digestion also poisons the blood, makes it thin and watery, which irritates and weakens the

The most sensible for heart trouble is to improve the digestion and to insure the prompt as similation of food.

This can best be done by the regular use after meals, of some safe, pleasant and effective digestive preparation, like Stuart's Dyspepsia Tablets, which may be found at most drug stores and which contain valuable, harmless digestive elements in a pleasaut, convenient form. It is safe to say that the regular,

persistent use of stuart's Dyspepsia Tablets at meal time will cure any form of stomach trouble except cancer of the stomach.

There is a firm, to know their name, Just con this paper o'er. Who once asked me, as they ask you, o step into their store. I bought a suit. I took it home, I found it cheap and nice. And I never fai to recommend That firm for Price, Price. Price.

The more I wore that suit of clothas The better they did please I adver ised Munforu's store until The clerks were brisk as bees. This suit so kept its stylish shape, (Well ma e and firmly knit), hat still it takes the premiun For Fit, Fit. Fit.

So if you'd be a happy man, Just fo'low my example And if you'd be a stylish man, Just take me for a simple. Go to Mu ford's store where the grade Are new, and caeap and nice, And see if they do not excel For Style, and Fit and Prices.
