GRIMESLAND LETTER

GRIMESLAND N. C., Nov. 2 1898.
The masons met last night.

Miss Ida Moore, who has been visiting her sister near Whichard, returned Sunday.

L. I. Moore, who will be our next Solicitor of this district if the white men will be white men next Tuesday, made us a fine speech last Monday night.

Several went from here last Sunday to attend the Union at Great Swamp.

W. E. Tucker and went to Winterville Sunday.

W. M. Moore and Smith Paul went to Greenville yesterday.

Miss Louise Smithwick's school has increased so for the last two or three weeks that she tells us she thinks of netting some help soon.

W. E. Tucker and James Hodges went to Greenville yesterday.

The Pops are getting scarce in our section and you can't hardly find one.

Every white man wants to wear a White Government Union button.

Next Wednesday the cry will go up "Chick has gone all right and we have done our duty." Can others say that? I feel sure they will.

Mr. Editor I see in nearly every issue that our sister counties are going to bring Democracy to the front. Why can't we do it? I feel sure that on the 8th of November we will roll up a big majority that the white man shall rule and govern our country.

The Fusion game lie so fast that you can hardly keep up with them. The latest is that when G. M. Mooring was Sheriff he charged double tax against those who did not pay in time. Every man in Pitt county with a particle of sense knows that Mr. Mooring was never Sheriff but one year, and during that time that some one else was Tax Collector. Next.

EDITORIAL NOTES.

THE NAME OF EVERY ILLEGAL VOTER ON THE REGISTRATION BOOKS OF PITT COUNTY IS KNOWN AND NONE OF THEM WILL BE PERMITTED TO VOTE. A WORD TO THE WISE IS SUFFICIENT.

Democrats are on the watch for knavery.

Skinner's speeches are said to be low and dirty.

The fusion candidate for Congress seeks inspiration through battle.

The determination of Democrats mean that there SHALL be a fair election.

The fusion candidate for Register of Deeds is getting desperate. His tricks are known.

Negroes who were registered after the time for closing the registration books CAN'T VOTE.

Col. Skinner's drunken antics and vulgarity at Grifton even disgusted the negro women present.

Ballot box stuffing and wrong counting will not be permitted. Good advice had better be taken.

Democratic eyes will be on every ballot box next Tuesday. Tickets MUST go in the right box.

The man who attempts to cheat and defraud the Democratic party in this election had better look out.

Let the various Democratic committees discharge their duties next Tuesday and there WILL be a fair election.

Attempts to bribe election officials are being made by the Fusionists. The men who are making them are known and watched.

Debauching election officials and obtaining resignations though a liberal use of whiskey seems to be a favorite method of certain fusion candidates. Look out.

The Democratic party in Pitt county was never better organized than now. There are committees for everything, composed of active, energetic and determined men.

A nice little trick the Fusionists have on hand for negroes to vote county tickets, but it won't work. The man who is caught at the game of putting them in the box, will be about as inquisitive as the fellow who wanted to know "Who struck Billy Patterson?"

A CARD.

The following was received this morning by THE REFLECTOR from Tarboro:

To the voters of the Second Congressional District:

I hereby announce myself a candidate for Congress in this district. This course is taken by me in consequence of the failure of J. B. Lloyd, present Populist candidate, to meet the overshadowing issue of White Supremacy. It was expected of Mr. Lloyd that he would stand with his race on this vital issue and allow the unification of the White Voters to accomplish the defeat of George White, the Republican negro candidate, realizing that he had disappointed the expectation of the Democrats and Populists alike in this matter and appreciating the fact that his candidacy could only tend to bring about the election of White Mr. Lloyd placed in my hands his resignation and requested me to call a meeting of the committee to act upon it, reasons best known to himself, Mr. Lloyd prevented action by the committee and thereby obstructed what Democrats and Populists alike were endeavoring to accomplish, the nomination of a man who could unify the White Vote of the district. This action on his part can only aid White and make the Populists of the district responsible for it. Will you do this, for one I will not. By his conduct Mr. Lloyd has released us from any obligations to vote for him. I am assured that I will have the hearty support of the Democrats of the district and I therefore call upon every Populist of Anglo-Saxon blood to stand by me in this fight against the attempt to elect White to represent the good white people of this district in Congress.
W. E. FOUNTAIN.

Great Time at Bethel

Much to his disappointment the editor was prevented from getting away from the office Thursday to attend the big rally and barbecue at Bethel, but some of those who were present tell us they never saw a more successful occasion of the kind. There were about 2,500 people present and the day was a beautiful one for such a gathering. Speeches were made by T. J. Jarvis, F. G. James and L. I. Moore, and the crowd was filled with enthusiasm for white supremacy. The dinner was managed excellently, the entire crowd having all they could consume and cart loads being left over. Bethel is all right and does everything her people take hold of in good style.

The successful advertiser must be always alert and never take his hand off of the advertising rudder.

A peculiar thing about the road to business is that it runs uphill—if you stop pushing your ball it will roll down.—Bates.

The most infamous outrage of the campaign was perpetrated by Chairman Holton, chairman of the Republican State executive committee, in hiring a negro to go to Raleigh and make a statement that he had been assaulted at his home in Halifax county, and causing a bench warrant to be issued for Capt. W. H. Kitchen, Mr. Claud Kitchen, one of his sons, Dr. Livermore, and Mr. Tom Fenner, and have them carried to Raleigh to be tried. Capt. Kitchen says he did not know and had never seen the negro, and the statement made by him was absolutely false. White men should put a stop to such infamous proceedings as this.

They've Proved Too Much

Some speaker is making this point, and it deserves attention. The fusionists had about 40,000 majority in this State in the last election. The Governor and every other State officer is a Republican-Populist-fusionist—let us call them Republicans for short; so are three-fourths of the judges; half the solicitors, two-thirds to three-fourths of the sheriffs, and nearly all the magistrates. This enumeration embraces all the peace officers of the State. In addition to these the Republicans have both the United States marshals and district attorneys, all the postmasters, all the revenue officers—all the Federal officers of high and low degree. And in addition to these, they have con-

trol of the election machinery. Yet in the face of this their leaders have been putting their heads together and conferring about the advisability of asking President McKinley to send Federal troops into North Carolina to keep the peace and suppress the Democrats—suppress the party which is in a minority of 40,000. Isn't it a pitiful come off? Isn't it a craven crow that, with 40,000 majority, with all the officers, Federal and State, and all the election machinery, is still not able to take care of itself, but must invoke the authority of the general government? The comment of the unbiased outsider upon this state of facts would be that the party that is nearly half a hundred thousand in the minority, and that has all the odds of officers and machinery against it, and that still terrorizes and dominates the State, is, by reason of its courage and force of character, entitled to dominate it, Pritchard, Russell, Boyd & Co. have proved too much.—Charlotte Observer.

War Has Cost 2,906 Lives

Commissioner of Pensions H. Clay Evans states that up to September 20th, the war with Spain had caused the loss of the lives of 2,906 American soldiers and sailors. Of this number 107 were officers. At Santiago the loss of life was 22 officers and 222 men. This is an average of one officer for every ten men. At Cardenas one officer was killed. Since the battles of Cuban soil 61 men have died of wounds received in service. The total number of American soldiers that have died in camp from disease are 89 officers and 2,520 privates, or an aggregate of 2,600. There have been 600 claims for pensions filed to date as a result of the war. Thus far 55 claims have been presented from relatives of the boys who went down with the Maine, said the commissioner. Every one of them will be pushed through. During the civil war 40,000 men were killed in battle and 340,000 perished in camps and prisons. The civil war was about twelve times as long as the Spanish war.—Chicago Dispatch.

A Rhetorician from Away Back

They say that in one of his great efforts recently Major Alexander, the vice young Republican lawyer of Winston who was too decent to keep a place under Russell, just roasted the Democrats. In one grand burst of oratory that would make Aycock and Glenn both green with envy, he declared: "The Democratic party kept cutting the wool off of the sheep that laid the golden egg until they pumped it dry." At this rhetorical amalgamation of a sheep, a goose and a pump it is said the negroes howled with delight for ten minutes and the speaker had time to sit down and rest.—Winston Journal.

When the Democratic Party Will Die

The M. C. Pilot says: A few days ago we received an anonymous letter from some brainless nincompoop prophesying that after the election on the 8th day of next November the Democratic party will be dead. This wild man from Borneo is a little off as to the exact date, and for his information we will tell him when the Democratic party will be dead:—When the lions eat grass like the ox,
And the fishworm swallows the whale;
When the robins knit woolen socks,

And the hare is outrun by the snail;
When serpents walk upright like men,
And doodle bugs travel like hogs;
When grasshoppers feed like hens,
And feathers are growing on frogs;
When Thomas cats swim in the air,
And elephants roost on trees,
When insects in summer are rare,
And snuff never makes people sneeze;
When fish creep over dry land,
And mules on bicycles ride;
When foxes lay eggs in the sand,
And women in dress take no pride;
When dutchmen no longer drink beer,
And girls get to preaching on time;
When billy goats butt from the rear,
And treason's no longer a crime;
When humming birds bray like an ass,
And Lumberger smells like cologne;
When ploughshares are made out of glass,
And the hearts of true white men stone;
When ideas grow in fusionist's head,
And wool on the hydraulic ram;
Then the Democratic party will be dead,
And the country won't be worth a dime!

HEART DISEASE

Some Facts Regarding The Rapid Increase Of Heart Trouble.

Do Not be Alarmed, But Look For the Cause.

Heart trouble, at least among Americans, are certainly increasing and while this may be largely due to the excitement and worry of American business life, it is more often the result of weak stomachs, of poor digestion. Real organic heart disease is incurable; but not one case in a hundred of heart trouble is organic. The close relation between heart trouble and poor digestion is because both organs are controlled by branches of the same great nerves, the Sympathetic and Pneumogastric.

In another way, also the heart is affected by that form of poor digestion, which causes gas and fermentation from half digested food; there is a feeling of oppression and heaviness in the chest caused by pressure of the distended stomach on the heart and lungs, interfering with their action hence arises palpitation and short breath. Poor digestion also poisons the blood, makes it thin and watery, which irritates and weakens the heart.

The most sensible for heart trouble is to improve the digestion and to insure the prompt assimilation of food.

This can best be done by the regular use after meals, of some safe, pleasant and effective digestive preparation, like Stuart's Dyspepsia Tablets, which may be found at most drug stores and which contain valuable, harmless digestive elements in a pleasant, convenient form.

It is safe to say that the regular, persistent use of Stuart's Dyspepsia Tablets at meal time will cure any form of stomach trouble except cancer of the stomach.

Full sized package of the tablets sold by druggists at 50 cents. Little book on stomach troubles mailed free. Address Stuart Co., Marshall, Mich.

This is to certify that as acting Justice of the Peace, I issued a warrant against Walter Hunter, Haywood Thomas and Anna Thomas on Nov. 2nd, 1898. That said warrant was returned on Nov. 3rd, 1898.

That the parties are colored and the charge was Larceny.

That Wheeler Martin, Solicitor of the 3rd Judicial District, was present and appeared for the Defendants. That he waived an examination and when the Court required the Defendants to enter in a bond of \$200 each Wheeler Martin stood the same by giving his personal recognizance.

This Nov. 3rd, 1898.

C. T. MUNFORD.

MORE THAN PLEASED.

There is a firm, to know their name, Just call this paper over. Who once asked me, as they ask you, To step into their store. I bought a suit. I took it home, I found it cheap and nice. And I never fail to recommend That firm for Price, Price, Price.

The more I wore that suit of clothes The better they did please I advise! Munford's store until The clerks were brisk as bees. This suit so kept its stylish shape, (Well-made and firmly knit), That suit! It takes the premium For Fit, Fit, Fit.

I took a walk, I saw all eyes Observing my new clothes: I was a model and I admired By friends, also by foes. I set the fashions for the town, And travelled many a mile To tell the people where to go For Style, Style, Style.

So if you'd be a happy man, Just follow my example And if you'd be a stylish man, Just take me for a sample. Go to Munford's store where the grade Are new, and cheap and nice, And see if they do not excel For Style, and Fit and Prices.
