### METHODIST CONFERENCE

Elizabeth City, N. C., Dec. 3.—The fourth day's session of the North Carolina Conference passed without anything startling occurring.

The body was a little tardy in assembling, owing to a heavy rain which fell during the night and continued nearly all day.

A letter from Dr. Tillet, of Vanderbilt University, was read and referred to the committee on education. A letter from the Church Extension Board was presented and referred to the committee.

Rev. W. L. Cunningham was chosen to fill a vacancy on the Conference Board of Trustees.

The Bishop was authorized by the Conference to sign a draft on Treasurer Moore, of the Conference Trust Fund for the interest which goes to the worn-out preachers.

The Committee on Conference Relations made a supplementary report, with the recommendation that Revs. M. J. Hunt and T. J. Browning be placed on the superannuated list.

The Committee on Bible Cause presented a report, through Chairman Goodchild, urging ministers to secure larger collection.

Secretary Cunningham was authorized to draw on the joint Board of Finance for a deficit in publishing the Conference minutes, and to deposit the Conference in a place safe from fire.

C. P. Snow was located at his own request.

The special order for 11 o'clock being the charge to the class of deacons who are admitted in full connection, the Bishop conducted that solemn service. The class consists of Albert Barnes, Andrew Graves, Bryan Thompson and Robert Willis.

The committee of investigation appointed yesterday reported that the charges against Rev. R. J. Moormon were not substantiated and that a trial was unnecessary and his character was passed, so he was exonerated.

Dr. Yates offered a resolution requesting the Bishop to write his autobiography and sketches of other North Carolina Methodists of his generation. This was adopted by a rising vote.

The Conference appointed a commission to meet with the commission of the Western North Carolina Conference touching the matter of the Christian Advocate, and to telegraph the latter committee to come at once and adjust the Conference organ matter, but they have not signified a willingness to come so far. It is said a new paper may be started.

### BETHEL ITEMS.

Bethel, N. C., Dec 6.—Prof. Z. D. McWhorter left last Friday night to attend the M. E. Conference which is in session at Elizabeth City.

D. C. Moore, Esq., and family moved to Greenville last week. Mr. Moore enters upon his new duties as Clerk of Superior Court today.

Hon. C. B. Aycock, of Goldsboro, spent last night in town and left this morning for Greenville.

The little three year old boy of Mr. W. D. Gardner, was severely burned last Sunday morning, who the doctor said would not live until the next day, is still lingering between life and death.

Ben Hardy, of the News and Observer spent Sunday night in town.

### Got Grown Quick.

Rip Ward is wondering why those trees on the Court House square are not any larger. He was credited with making the remark, while the trees were being set out, last spring that "they will be grown when the Democrats get into power in Pitt county again." A colored man who heard the remark replied then "Den I specs dem trees will have ter do er—sight er growin' twixt now and November." The Democrats are in again and the trees may be grown, but they are not much larger now than when they were set out.

### A Nuisance.

We hear complaints of some of the boys going to and from the public school building annoying citizens of South Greenville by pulling pickets off their fences. Some one or two people say their fences have been nearly ruined by this conduct of the boys. If the mischief is not stopped somebody is going to get into trouble. THE REFLECTOR has been requested by one of the sufferers to give this warning.

Carpenters and poker players are known by their chips.

Chapped hands are rough reminders of the necessity for gloves.

A statement should have been made in THE REFLECTOR yesterday, but was overlooked, that those of our people who were to take guests at the Convention but whose names were not in the list then published, would be given in another list tomorrow, as it was necessary to hold some homes in reserve for delegates whose names come late.

We are going to sweep the deck for the next few days with a Storm of Inducements. It may tear down great walls of competition, but we can't help it. Whatever or whoever stands in our Knock Down and Drag Out Bargains must take the consequences. This warm winter was about to leave too many goods on our counters, tables and shelves. The coldest part of the year has arrived and these goods must get a move on them. All kinds of CLOTHING from the cheapest to the highest—they must all move lively. Come early.

TUESDAY, DECEMBER 6, 1898.

SOME OLD HISTORY.

The North Carolina Baptist Benevolent Society.

According to a previous appointment, brethren from different parts of the State met in Greenville, on Tuesday the 10th day of February, 1820. Elder P. W. Dowd preached, after which the brethren assembled together, and after prayer to Almighty God, brother H. Auston, of Tarborough, was chosen Moderator, and brother R. Blunt, of Greenville, Secretary. Elder P. W. Dowd then arose and explained the object of the meeting, which was to form a Society for the purpose of disseminating the Gospel more generally within the bounds of North Carolina, especially among the destitute parts of the same; and then moved that such a Society be formed, which was unanimously agreed to. Elder T. D. Mason then proposed the adoption of some rules for the purpose of effecting this object, when the following Constitution was unanimously adopted, viz:

Being concerned for the condition of multitudes within the bounds of our own State, who are unhappily destitute of the preaching of the word of God, and all the invaluable blessings of gospel ordinances regularly administered, we, the Subscribers, in the name of the Great head of the church and trusting in his grace to succeed our efforts, do agree to form ourselves into a society to be called the North Carolina Baptist Benevolent Society, and to be governed and conducted according to the following Constitution, viz.

Art. 1. The exclusive object of this Society shall be to raise funds and appropriate them to the support of traveling ministers, for preaching the gospel and administering its ordinances within the bounds of North Carolina.

2. Every person who shall subscribe to this Constitution, and pay the sum of five dollars, shall be a member of this Society, as long as he shall continue to pay two dollars and fifty cents annually; and every person who shall pay the sum of fifty dollars at one time shall be considered a member for life, without further contribution.

3. The Society shall hold its annual meetings in March, on the days and at the place appointed, and a sermon adapted to the occasion shall be preached by some person previously appointed, and a collection shall then be made in aid of its funds.

4. The officers of this society shall consist of a President, and

not less than three Vice-Presidents, a corresponding and a recording secretary, a treasurer, who with not less than eleven other persons, all members of a Baptist church, shall constitute a board of directors to be elected by ballot or otherwise at every annual meeting of the Society.

5. The board of directors, in the recess of the Society, shall have the power to employ such ministers as they may think proper, appoint them their sphere of action, give them their instructions, draw upon the treasurer for the sums necessary to carry their designs into execution, receive donations, fill all vacancies that may occur in their board during the recess, and adopt such further measures, consistent with the Constitution, as they shall deem necessary or expedient, and make a report to the Society at every annual meeting.

6. The board of directors shall meet by its own adjournments, and special meetings of the board may be called by the President, or one of the Vice-Presidents, with the concurrence of any two of its members.

7. No money shall at any time be paid out of the treasury but by a written order of the board of directors, signed by the President or one of the Vice-Presidents, and countersigned by the recording secretary.

8. Seven members of the Society shall be a quorum to transact business and three directors, together with the President or one of the Vice-Presidents, shall form a quorum of the board.

9. No alteration or amendment shall be made in this Constitution except at an annual meeting of the Society, by a vote of two-thirds of the members present.

After prayer by Elder A. Congleton, the Society adjourned for a few hours. After a short intermission, the Society met according to adjournment. Prayer by brother G. Stokes. It was then moved and seconded that we proceed to the election of officers, when the following were chosen, viz:

Elder P. W. Dowd, of Raleigh, President; Elder W. P. Biddle, of Craven county, Thos. Meredith, of Edenton, and W. H. Jordan, of Granville, county, Vice Presidents; brother P. P. Lawrence, of Tarborough, Corresponding Secretary; brother R. Blount, of Greenville, Recording Secretary; and H. Auston, of Tarborough, Treasurer. Board of Directors Gen S Simpson, Craven county, Elder L Ross, Beaufort, Elder S Ward, brother W Saunders, of Newbern, Col Dunn, Jr, Elder C Congleton, Lenoir county, Dr J B Outlaw, brother R Lawrence, Bertie county, brother W Clemons, brother J Rountree, Pitt county, Elder T D Mason, brother G Stokes, Granville, brother J Hartmus, Tarborough, Elder J Armstrong, Stantonsburg, Elder P Bennett, brother J Battle, Nash county, Gen D Boon, Johnston county, Elder J Purify, Elder J Crudup, brother W R Hinton, brother G Huckleby, Wake county, W R Ragan, Raleigh, Elder T Cracker, Franklin county, brother C McAllister, Fayetteville, brother J Manning, brother E Hoskins, Edenton, Elder H Merritt, Orange, Elder H Harman, brother N G Smith, Chatham county, brother J Havl, brother S Phenby, J Backster, residence not known, Elder E Phillips, brother D Kennedy and B Boroughs, Moore county, Elder W Dowd and brother J Terry, Stokes county. Resolved 2nd. That Elder S Wait, of Newbern, be requested to preach the introductory sermon, and the President to preach the sermon on Sunday in behalf of the Society.

Resolved 3rd. That the Board of Directors meet in Tarborough on Friday and Saturday before the first Lord's day in June, and that Elder T. D. Mason preach the introductory sermon, and Elder W. P. Biddle in behalf of Society on Sabbath.

Resolved 4th. That four hundred copies of the proceedings of this meeting together with a circular letter, be printed and distributed as soon as possible, and that P. W. Dowd write the circular and attend to the printing of the minutes.

The Moderator then called on the President-elect to close the meeting, which was done by a short exhortation and prayer.

WASHINGTON LETTER.

From Our Regular Correspondent. Washington, D. C., Dec. 5, '98.

There is little or nothing in Mr. McKinley's annual message to Congress, long as that document is, that indicates with any degree of certainty, what policy he intends to follow towards the Philippines. This indicates that he has not decided upon a policy, or if he has, that he is afraid to make it public yet and confirms the belief of those who think that he intends playing foxy on the Philippine question until after he gets that Treaty of Peace ratified by the Senate, and the \$20,000,000 which we are to pay Spain, appropriated by Congress. An announcement of a positive policy before then might result in making too many votes against both treaty and appropriation.

Mr. McKinley's handling of the war and matters relating thereto, in his message, contained no surprises. The Message follows just about the lines it was expected to follow--lines plainly indicated for weeks, aye months, past, by official and semi-official emanations from the administration. The message also indicates very plainly that Mr. McKinley isn't as anxious to push along financial legislation as some of the members of his party would like him to be.

Senator Hale is the most rapid republican anti-expansionist who has yet unlimbered a rabid fire tong battery and open fire on the Peace treaty, which he says he will fight to the last. He predicts that if the treaty is carried into effect, it will add many millions, on account of increased Army and Navy, to the yearly expenses of this government, without bringing the slightest benefit to our people at large; that our country will in time become overrun by inferior races, and numerous other minor evils will follow. In addition to his predictions, he charges Mr. McKinley's foreign policy to have been inspired by the British Foreign Office, and asks the Irish-Americans to join him in opposing

the ratification of the treaty. Please remember that Senator Hale is not a Democrat, talking for political effect. He is a republican of standing in the councils of his party, and no longer ago than at the last session of Congress, just after the Maine was destroyed, he acted as the mouth-piece of Mr. McKinley on the floor of the Senate although his pronounced pro-Spanish views were at that time well known. There is no probability that a sufficient number of Senators will act with Mr. Hale to reject the treaty, but it may not be ratified before the end of this Congress, making an extra session of the Senate necessary.

Senator Caffery, of Louisiana, is an anti-annexionist from way back. He says the treaty of peace: "I shall vote squarely against the proposition to annex the Philippines. The Peace Commission had no business to provide for their annexation. These islands would be the most expensive gift that one nation ever received from another. They can never be a source of strength, while they will always be an element of domestic weakness and subject to foreign attack in ease of hostilities with another nation." Mr. Caffery thinks that we are paying too much attention to things away from home and not doing enough to improve things at home.

There have been numerous conferences between Democrats since Congress opened, on the policy that the party should pursue at this session. There are differences of opinion, some contending that aside from the Chicago platform, there is no occasion for a party policy at this time. A Democratic House caucus held near the close of the last session of Congress adjourned to meet December 10th. That meeting will be a general party conference at which some understanding may be reached.

A Good Place for Economy to Begin.

The next Legislature can save several thousand dollars to the taxpayers of North Carolina by reducing the number of its clerks and other employes. The last Legislature was guilty of great extravagance in this respect. The last Senate had more employes and paid them more than any Senate since 1868. The amount paid the employes of the last Senate was almost as much as that paid to the Senators themselves. The amount paid the Senators as their per diem and mileage was \$14,141.80, and the amount paid the swarm of employes who waited on them was \$11,592.28. Surely there is great room for reform in this expenditure, and we hope our Democratic Legislature will make it.

The truth is that even our Democratic Legislature for several years before 1895 had too many unnecessary employes, but of course nothing like so many as our "reform" Legislatures. Too many clerks and pages have been employed by every Legislature for many years—in striking contrast to the small number employed by the first Democratic Legislature elected (in 1870) after reconstruction. The number has more than doubled since then, not because there was more work to do, but because each employe has been doing less work since 1870. We speak from personal experience. Hon. W. L. Saunders was chief clerk of the Senate in the Legislature of 1870-72, and this writer was the reading clerk, and these two did the work then that since then has usually been done by four or five clerks.—Chatham Record.

CAN BE CURED BY USING

Mrs. Joe Person's Remedy

For a long time my son was troubled with some bronchial disease, which every time he took cold, settled in his throat and produced something like tonsilitis. The tonsils would enlarge and swell so that he had great trouble to swallow anything, and could take no solid food. Last spring he took half dozen bottles of Mrs. Joe Person's Remedy, and gargled his throat with the wash, and it cured him. He has never had a spell since. MRS. J. STINSON

As the genuine Syrup of Figs is manufactured by the CALIFORNIA FIG SYRUP Co. only, a knowledge of that fact will assist one in avoiding the worthless imitations manufactured by other parties. The high standing of the CALIFORNIA FIG SYRUP Co. with the medical profession, and the satisfaction which the genuine Syrup of Figs has given to millions of families, makes the name of the Company a guaranty of the excellence of its remedy. It is far in advance of all other laxatives, as it acts on the kidneys, liver and bowels without irritating or weakening them, and it does not gripe nor nauseate. In order to get its beneficial effects, please remember the name of the Company—

### Improving His Office.

A number of friends in Register of Deeds T. R. Moore's office, Monday afternoon, began expressing a dislike of the looks of his office furniture. These expressions next began taking the form of subscriptions, and a purse was soon made up large enough to purchase him a handsome office chair and a new Bible. Those who took part in this expression of esteem for the new officer were Messrs. Billy McGowan, Macon Haddock, S. C. Whichard, Jesse Williams, H. J. Williams, J. A.
