Halifax Republicans.

Weldon, N. C., April 20-The Republican county convention held at Halifax today was the tamest affair ever known. The attendance was very small with no enthusiasm at all. Only two white Republicans were present. The convention elected delegates to the State and Congressional conventions, endorsed George H. White for Congress "or anything else he wants" and H. P. Cheatham for delegate at large to the National Republican convention. The coons were completely at sea and adjourned without naming a county or legislative ticket, subject to the call of the chairman.

Pitt furnishes one of the candidates, and there should be a great rally in Greenville with all the nominees present. Steps should be taken at once to have an appointment here.

Candidates Must Pay for Publicity.

HANDSOM, VA., Dec. \$1. I have been suffering from female weakness for four years, and have taken many medicines, but Wine of Cardui and Black-Draught have done more for me than anything else.

RE

MRS. CAROLINE EVANS.

It is a mistake to take any and every kind of medicine when you are sick. There is danger in it. Most of the so-called cures for "female weakness" do nothing more than deaden the pain temporarily, and when the effect wears away the patient is weaker and sicker than before. It is never wise to take chances. You have only one life, and that is dear and precious. If you have any pain, ache, disorder or weakness in the feminine organs, nothing will help you like Wine of Cardui. It helps do away with morning sickness during the early stages of pregnancy, and modifies the pains of childbirth; recovery is rapid and future health is

assured. The Wine is purely vegetable, being made of herbs whose medicinal properties act directly upon the organs of womanhood. It is a long-tried remedy, and has many years of success behind it. It
