WINTERVILLE DEPARTMENT.

NEWSY HAPPENINGS AND BUSINESS NOTES

WINTERVILLE, N. C., July 4.

There is a great demand for corn here. Let us hear from you if you have any to spare.

A. G. COX.

Miss Bertha Dawson, who has spent several days visiting relatives here, returned home Monday evening.

The remains of the picnic have been cleared away, and only the piece of canvass stretched across the street with the words "White Government" on it remains to remind us of that day. We are going to let that stay to remind us of the greater day ahead, when we hope to have white government in reality.

Little Oscar Fornes, aged about 5 years, died Monday morning. He was buried yesterday afternoon near Greenville. The bereaved parents, Mr. and Mrs. J. S. Fornes, have our deepest sympathy.

Near 25,000 cheroots have been shipped by Winterville Cigar Co. within a week although this is the dull season.

L. H. Hunsucker went up to his old home in Carthage, Moore county Saturday, where he will spend about a week.

Our mineral water pump keeps running every day, furnishing plenty of water free. Our business keeps running too, and while we do not exactly furnish our goods free, we give you what is better, full value for your money.

A. G. COX MFG. CO.

Alfred Forbes and R. A. Tyson of Greenville, stopped here awhile yesterday afternoon.

We read a letter the other day from a man in Tarboro, who has just purchased a buggy of Hunsucker Cge. Co. of this place. He says he has worn out three buggies courting, but thinks this one will carry him on to success. It's a big thing for a courting fellow to have a lucky buggy, and they can make some more just like that one.

Mrs. Sam Gainer is on the sick list.

People are still shipping potatoes.

W. F. Keel, near here, lost his horse last Wednesday, June, 27th.

C. H. James returned to Halifax Monday on business.

There will be a game of base ball between the Greenville and Washington boys at Washington next Friday. The boys will go through the country and return the same day.

They Stand The Test.

That is what Every Pair of

Dutchess Pants

are built to stand any kind of service and a guarantee goes with every pair—10 cents if a button pulls off or \$1 if they rip. Get the best when you buy and be sure you get the Dutchess! None genuine without the name on the button.

THURSDAY, JULY 4, 1900.

WASHINGTON LETTER

From Our Regular Correspondent. WASHINGTON, D. C., July 3 1900.

Republican gall is no new thing but a striking exhibition of it is the attempt of some republicans to blow about the \$80,000,000 Treasury surplus for the fiscal year that ended Saturday. If it had not been for the \$100,000,000 produced by the war taxes, which the Republican Congress refused to reduce there would have been a \$20,000,000 deficit instead of a surplus, and even with the war taxes unrepealed, there will be no surplus next year, if the republican Congress keeps up its extravagant appropriations at the next session. There is more for the republicans to be ashamed of than to blow about in that surplus.

That Chinese puzzle hasn't grown any easier to solve during the past week. The Chinese Minister's news that the foreign ministers were safe in Peking, has been confirmed, but with the confirmation came the allegation that they were there because they refused to get out within 24 hours, although ordered to do so. It is not stated who ordered them to get out, but it is clear that the public is desired to infer that it was the Chinese government. The news that the Imperial Chinese troops attacked the marines, under Admiral Seymour, who lost heavily in killed and wounded, in his unsuccessful attempt to get to Peking, seems also to be intended to stir up public sentiment in this country against the government of China. In the absence of Mr. McKinley, who has gone to Canton to enjoy his gold-trimmed bath-tub, and other things for an indefinite period, members of the administration, Secretaries Hay, Root and Long, especially, are posing as being very considerate toward the Chinese government because they do not accept these things as war. They are doing so much talking that they have aroused the suspicion that they are doing it for effect and probably to detract attention from the real designs of the administration in China. The superstitious are inclined to regard the knocking of a hole in the bottom of the battleship Oregon by a rock on the coast of China, as a bad omen.

According to an official report of Gen. Davis, a large number of Porto Ricans will not do any work as long as they can draw free rations from the government. Gen. Davis has been ordered to give notice to the Porto Ricans that the issue of free rations will be discontinued July 15th.

Senator Daniel, of Virginia, who has gone to Kansas City to attend the Convention said, just before leaving Washington: "I am not,

have not been, and will not be a candidate for the Vice Presidency, and I do not desire that my name be mentioned in that connection. I have never authorized or made any other statement." Senator Daniel declined to say who he favored for the second place on the ticket. He is an enthusiastic Bryan man and has been right along.

That there has been extravagance as well as stealing in the Cuban Postal Service was practically acknowledged by Fourth Assistant Postmaster General Bristow, who has just returned from Cuba, when he said that he had made reductions in postal salaries while there that aggregated \$100,000 a year, and he clinched that acknowledgment when he added: "No clerks have resigned since the reduction, because of being ill-paid, and I am satisfied that they are now paid all the work is worth. If any of them should resign, there would be no difficulty in filling their places at the same salaries."

Boss Hanna's man Dick has no fear of losing the German vote. Oh no! To prove it, he has had himself interviewed to the extent of half a column of hoary chestnuts. The German voter is no fool. He can't be caught by such chaff as Dick scatters around. He knows he has good foundation for his opposition to Imperialism.

THE AMENDMENT.

Full Text of the Measure as Amended.

An Act Supplemental to an Act Entitled "An Act to Amend the Constitution of North Carolina," ratified February 21st, 1899, the same being Chapter Two Hundred and Eighteen of the Public Law of 1899.

The General Assembly of North Carolina do enact:

SECTION 1. That Chapter 218, Public Laws of 1899, entitled "An Act to amend the Constitution of North Carolina," be amended so as to make said act read as follows: "That article 6 of the Constitution of North Carolina be, and the same is hereby abrogated, and in lieu thereof shall be substituted the following article of said Constitution as an entire and indivisible plan of suffrage:"

ARTICLE VI.

SUFFRAGE AND ELIGIBILITY TO OFFICE.

Section 1. Every male person born in the United States, and every male person who has been naturalized, twenty-one years of age, and possessing the qualifications set out in this article, shall be entitled to vote at any election by the people in the State, except as herein otherwise provided.

Sec. 2. He shall have resided in the State of North Carolina for two years, in the county six months, and in the precinct, ward or other election district in which he offers to vote, four months next preceding the election; Provided, That removal from one precinct, ward or other election district to another in the same county, shall not operate to deprive any person of the right to vote in the precinct, ward or other election district from which he has removed, until four months after such removal. No person who has been convicted, or who has confessed his guilt in open court upon indictment of any crime the punishment of which is, or may hereafter be, imprisonment in the State prison, shall be permitted to vote, unless the said person shall be first restored to citizenship in the manner prescribed by law.

Sec. 3. Every person offering to vote shall be at the time a legally registered voter as herein prescribed

and in the manner hereinafter provided by law, and the General Assembly of North Carolina shall enact general registration laws to carry into effect the provisions of this article.

Sec. 4. Every person presenting himself for registration shall be able to read and write any section of the constitution in the English language; and, before he shall be entitled to vote, he shall have paid on or before the first day of May, of the year in which he proposes to vote, his poll tax for the previous year as prescribed by Article 5, Section 1, of the Constitution. But no male person, who was, on January 1st 1867 or at any time prior thereto, entitled to vote under the laws of any State in the United States wherein he then resided, and no lineal descendant of any such person shall be denied the right to register and vote at any election in this State by reason of his failure to possess the educational qualification herein described: Provided, he shall have registered in accordance with the terms of this section prior to December 1, 1908.

The General Assembly shall provide for the registration of all persons entitled to vote without the educational qualifications herein prescribed, and shall, on or before November 1st, 1908, provide for the making of a permanent record of such registration, and all persons so registered, shall forever thereafter have the right to vote in all elections by the people in this State, unless disqualified under Section 2 of this article: Provided, such person shall have paid his poll tax as above required.

Sec. 5. That this Amendment to the Constitution is presented and adopted as one indivisible plan for the regulation of the suffrage, with the intent and purpose to so connect the different parts, and to make them so dependent upon each other, that the whole shall stand or fall together.

Sec. 6. All elections by the people shall be by ballot, and all elections by the General Assembly shall be viva voce.

Sec. 7. Every voter in North Carolina, except as in this article disqualified, shall be eligible to office, but before entering upon the duties of the office he shall take and subscribe the following oath: "I, _____, do solemnly swear (or affirm) that I will support and maintain the constitution and laws of the United States, and the constitution and laws of North Carolina not inconsistent therewith, and that I will faithfully discharge the duties of my office as _____ So help me, God."

Sec. 8. The following classes of persons shall be disqualified for office: First, all persons who shall deny the being of Almighty God Second, all persons who shall have been convicted or confessed their guilt on indictment pending, and whether sentenced or not, under judgment suspended, or any treason or felony, or any other crime for which the punishment may be imprisonment in the penitentiary, since becoming citizens of the United States, or corruption and malpractice in office, unless such person shall be restored to the rights of citizenship in a manner prescribed by law.

Sec. 9. That this amendment to the Constitution, shall go into effect on the first day of July, 1902, if a majority of the votes cast at the next general election shall be cast in favor of this suffrage amendment.

Sec. 10. This amendment to the Constitution shall be submitted at the next general election to the qualified voters of the State, in the same manner and under the same rules and regulations as is provided in the law regulating general elections in this State, and at said

elections those persons desiring to vote for such amendment shall cast a written or printed ballot with the words: "For Suffrage Amendment" thereon; and those with a contrary opinion shall cast a written or printed ballot with the words "Against Suffrage Amendment" thereon.

Sec. III. The votes cast at said election shall be counted, compared, returned and canvassed, and the result announced and declared under the same rules and regulations, and in the same manner as the vote for Governor, and if a majority of the votes cast are in favor of the said amendment, it shall be the duty of the Governor of the State, upon being notified of the result of said election, to certify said amendment, under the seal of the State, who shall enroll the said amendment so certified among the permanent records of his office.

Sec. IV. This act shall be in force from and after its ratification.

The cruiser Charleston struck on a hidden reef in Philippine waters recently and went to pieces, and now comes the news that the Oregon, the finest battleship in our navy, is aground on a rock in the China seas. She only cost upwards of \$6,000,000, and we can't afford to lose a warship on the rocks and reefs every few months. The only way we can ever be resigned to the loss of our great ocean fortresses is to fear of their going down in the sea fight—provided there is anything afloat able to send them to the bottom.—Charlotte Observer.

How Shall I Vote.

I have been a Democrat all my life. Have never made a political speech nor written a line on politics. But I feel that I ought to say a word today. The Southern whites are the best friends the negro ever had. It is a great pity the negro was ever put to voting and thinking of holding office. The whites have done a noble part by him and will yet do more for his elevation and salvation.

A Disease Stricken Town.

Spread a canvas over Robersonville and you have an up-to-date hospital. Never in the memory of man has there been so much sickness. There is not a family in town that does not require the doctor—measles, whooping cough, bronchitis, dysentery, typhoid fever, etc.—and often the same patient has a combination.—Williamston Enterprise.

Keep Improving.

The John Flanagan Buggy Co. are having water works put in for their shops. The machinery for their grist mill and gin house has been ordered and is expected in a few days.

The gin house will be fitted up with an elevator suction to carry the cotton to the gin. A pair of platform scales will be put in for the use of their patrons. There will be no danger from fire as their entire plant is run by a gasoline engine. Watch the columns of THE REFLECTOR for their advertisement in a day or two.

Big Barbécues.

There are two more big barbecues and rallies announced for the white folks of Pitt county and great preparations are being made for both of them.

One will be held at King's X Roads in Falkland township on Wednesday, July 11th, when addresses will be made by Hon. Lee S. Overman and other prominent speakers.

The other will be held at Black Jack on Thursday, July 19th when addresses will be made by Hon. T. W. Bickett and J. Bryan Grimes and others.

The Osceola Band will furnish music on both occasions, and there will be plenty to eat for everybody. Let all go.

Picnic at Lang's Church.

Among social and religious events in Pitt we ought to mention the gathering at Lang's on June 29th. It was a large crowd, very old men and women, parents and children, infants and great-grandfathers greeting each other. Before dinner time the church was full of people, to enjoy singing and prayer. The hundreds of people found on the long tables in the grove much more food than they could eat. There was no snatching or tossing of food. After dinner songs and prayers were again engaged in the church, where penitents were pointed to Christ. God is glorified and men blessed by such meetings.

A. D. BETTS

Military.

The Greenville Light Infantry had a meeting in the Court House Tuesday night. The enrollment of members reached 39 and by-laws were adopted. The requisite number of members will be added today and the muster roll will be forwarded to Raleigh tomorrow. The company will have a meeting for drill Thursday night at 8:30 o'clock.

Party.

Master Bascom Wilson, a little son of Mr. W. B. Wilson, gave a party to his little friends Tuesday night. A large number of the little folks were present to enjoy the occasion and they had a most delightful evening. They occupied themselves with innocent games and old time plays, and their merry laughter and happy songs told of the pleasure they were experiencing. Elegant refreshments were served.

Leave your laundry with Hugh Sheppard. Terms cash.

A large crowd of negroes and the negro brass band, of Grifton, came up on the train this morning to celebrate the 4th here.

To the Citizens of Greenville:

No, Maude, dear, rushing the growler is not a practice that is restricted entirely to dog-catchers.
