THE ORPHANS.

The Audience Pleased With the Entertainment.

Under the management of Mr. T. N. King, of the Louisburg High School and Miss Eva May Miller, of Winston, N. C. The Oxford Orphanage troupe composed of twelve girls and four boys, gave their concert at the opera house Thursday night to a large and appreciative audience. The exercises began at 9 o'clock with a few well timed remarks by Col. I. A. Sugg; when the programme of vocal music, recitations &c., were excellently carried out by the children, making much laughter and pleasurable enjoyment to the audience. The conduct and deportment of the entire class shows unmistakably the great work that is being done, by the management of the Oxford Orphans Home; and the Masonic fraternity are to be applauded for their zeal in this great work for the homeless children.

To Mr. King and Miss Miller too much cannot be said for the untiring efforts upon their part, for taking charge of the concert troupe for the summer.

Greenville always has a welcome for the orphans. The receipts were greater even than they expected and the children were delighted by the kindly manifestations of the people. We shall be glad indeed to have them come again.

Deaf Mute Cured by a Fall.

Pittsburg, July 11.—Thomas F. Tiernan, who has been deaf and dumb for fifty-nine years, was cured yesterday by falling from the roof of a house. None of the members of the family had ever heard him speak. Tiernan climbed to the roof of his house today and, becoming dizzy, fell to the ground, a distance of twenty-five feet, alighting on his shoulders. He lay unconscious, but when he came to, his family was amazed to hear him ask what had happened. He was taken to the Honocephalic Hospital, where the physicians said that the shock of the fall had restored his hearing and speech.—Raleigh Post.

An Express Train Robbed.

Paducah, Ky., July 11.—The Illinois Central first train, from New Orleans, for Chicago, was held up and robbed of about \$10,000, two miles south of Wickliffe, Ky. The train was flagged. The fireman was badly beaten, while the express messenger was driven from his car at the point of a rifle.

The robbers, six in number, cut off the engine and express car and ran a mile and a half to Fort Jefferson, near the Ohio river and within sight of the Missouri shore. There they blew open the express safe, secured all valuables it contained and crossed into Missouri. They dropped one package containing \$700 on the Kentucky side and another package on the Missouri side, both of which were found to-day.—Charlotte Observer.

They Stand The Test.

That is what Every Pair of

Dutchess Pants

Is guaranteed to do. Can you imagine a severer test than to tie one leg of a pair of pants to the ceiling and swing a keg of nails weighing 110 pounds to the other leg? That is the test seen in our window and hundreds of people have looked in wonder.

Dutchess Pants

are built to stand any kind of service and a guarantee goes with every pair—10 cents if a button pulls off or \$1 if they rip. Get the best when you buy and be sure you get the Dutchess None genuine without the name on the button.

FRIDAY, JULY, 13-1900.

More than five hundred South Carolina negroes, who actually swore that they had not been in this State twelve months, have been trying to register in Charlotte, and Holton, the chairman of the Republican committee, who is more dishonest than the negroes themselves, is trying to help them register. At Winston hundreds of Virginia negroes who have slipped over the line to help their side against the amendment, are trying to register there, and because refused this same Holton and some of his henchmen have caused the arrest of certain registrars under trumped-up Federal charges. Some Petersburg negroes who had not been in the State twelve months were refused to register at Kinston and were planning to waylay and assault the registrar but this plot was discovered. There is hardly a county in which such as this is not going on. Are not such things as these enough to make every white man in the State vote for the amendment?

Champion Liars.

The Populists had a gathering here yesterday. One Mr. Kelly, an importation from South Dakota, was the star attraction, and J. B. Lloyd, the private secretary of Senator Butler, played second fiddle. S. A. Edmund was master of ceremonies. The "Dakota steers" as Col. McLean aptly termed him in a short speech to the white men after the Populists were through, talked entirely upon the proposed constitutional amendment. He made the bald assertion that it would disfranchise about 60,000 white men in North Carolina, that such was the intention of the Democratic Legislature in framing the amendment, the negro not being considered in the proposition. After this infamously false assertion he made others equally as far from the truth. Lloyd also spoke solely upon the amendment, declaring that it would disfranchise 51,000 white men because section 5 would be declared unconstitutional and section 4 would stand.—Lumberton Robesonian.

"We won't let a Chinaman come here" says the Raleigh News and Observer, "but we send large delegations of bustling Americans to China. If they are not gladly received and politely treated then we send battleships and armies to demand the reason why."

Happenings in North Carolina.

Another important accession to the ranks of the supporters of the constitutional amendment is Mr. P. W. Patton, at present chairman of the Populist executive committee of Burke county, and who has held the office of clerk of the Superior Court for two successive terms. He is a man of influence, commands the respect of all parties in his own county, and his joining the Democratic ranks will have great weight in the adjoining counties where the clan of the Pattons is a strong one.—Charlotte Observer.

Dr. W. P. Dixum, of Wayne county, who in 1896 was the populist nominee for Governor, declares himself in favor of the Constitutional Amendment disfranchising ignorant negroes.

Another Steptoe Case.

The arrest of the registrar in Winston because he declined to register negro boys and negroes who are not citizens of the State, illustrates Southern Republican methods. They think if they can get into the Federal courts they can override the will of the people.

High handed and outrageous as this act is, it will serve the purpose of arousing all white men who believe in home rule against the Republican policy of Federalism. It will show that this is a campaign in which the white people are arrayed on one side and the negroes and Federal officers on the other.

The Steptoe case proved a boom to Holton. The people of North Carolina will not tolerate the spectacle of an unqualified negro hauling honest officers to jail because they refuse to permit negroes to intimidate them.—Raleigh News & Observer.

Mr. Smith's has been offered fifteen hundred dollars for his horse since he has been away and refused it.

Coal For Our Warships.

Norfolk, July 11.—The big sailing collier St. Mark, Captain Dudley, sailed this morning with a cargo of 2,800 tons of coal for the American warships at Manila, or in Chinese waters. It will take her five months to reach her destination. It is understood that when she reaches Manila, she will be converted into a station coal ship.—Charlotte Observer.

Outrage Near Oakley.

News comes to us over the phone this morning of an outrage which occurred near Oakley Thursday afternoon.

Will Page, a negro man, went to the home of Mr. Joe Everett and walking in the front door closed the door and assaulted Mrs. Everett. The negro escaped at the time but was captured this morning by Mr. Mathew James and his sons and carried off toward Bethel. Mrs. Everett was a daughter of Mr. Mathew James.
