

## WINTERVILLE DEPARTMENT.

### NEWSY HAPPENINGS AND BUSINESS NOTES.

WINTERVILLE, N. C., Oct. 6th.,

A half acre corner lot on Railroad and Main streets in most desirable portion of the town, with dwelling house containing four rooms and all necessary out houses for sale for cash by F. O. Cox.

The A. G. Cox Mfg. Co. is headquarters for all farming necessities, such as wagons, carts, cart-saddles, back bands, guano distributors, as well as the celebrated Cox Cotton Planter which has never yet had a rival. And they are prepared to fill any and all orders in their line on the shortest possible notice. Give them your orders and you will be fully satisfied and pleased.

Uncle Bob Dixon says the cattle are so anxious to be converted into beef that they walk right into the market house and hang themselves up by the hind legs, then bellow for the butcher. Everybody knows Uncle Bob. [Send after the key for him, "Bud Joe."—ED.]

The patronage of the Winterville High School has grown so immense that the directors can scarcely find seating capacity for the pupils. New ones are constantly coming in, both from a distance and the surrounding country.

Work on the college is progressing rapidly and if nothing serious occurs by Christmas we will have one of the largest and finest school buildings in Eastern Carolina, all complete.

The dispensary idea has very many warm friends in this section and nearly every one has or will sign the petition to the Legislature requesting the enactment into a law of this measure for Greenville and Pitt county.

Miss Julia Barwick, of Grangers, is visiting the family of J. W. Sparks, on Central avenue.

Miss Pearl Evans, of near Greenville, is on a visit to her sister, Mrs. C. T. Kittrell, this week.

C. A. Fair and J. A. Jarrell have been on the sick list for the past week, but we are glad to state they are very much improved.

Mr. Thomas, of Bethel, has been spending a few days with his uncle, M. G. Bryan.

### THEY ALL LIKE IT.

And Say They Would not be without the Reflector.

Among the regular and prompt paying subscribers to the twice a week REFLECTOR are three brothers, Messrs. Bryant H. Richard and Henry Hardee. Every one of them are good men, and substantial, well to do farmers, and all get their mail at Greenville post office.

A little coincidence about them and THE REFLECTOR, is that there was only a few days difference in the time each one subscribed to the paper, and every year since they began there has been only a few days difference in the time they came in to renew. One of them stopped us on the street Thursday to pay for another year, and after writing his receipt we remarked jocularly to a bystander that the man who had just paid us a dollar had two brothers, and we would bet each of them brought us the same amount inside of ten days. True to our prediction both of them came in the very next day and took home receipts for another year.

While on this subject, there are other instances where we have noticed that THE REFLECTOR "runs in the family," so to speak. There are the sons of J. C. Cobb, half a dozen of them that live in three states, and every one of them subscribes to THE REFLECTOR. And the late Mr. Jesse Smith—everybody knows "Uncle Jesse" had a large family of children, and we believe every one of them takes the paper, with several of his grand children increasing our numbers of subscribers.

### END OF THE CENTURY CLUB.

Begins the Season's Pleasure.

The End of the Century Club held its first meeting for the coming season Thursday at Cottdale, the charming home of Mrs. R. R. Cotten. The gifted hostess gave the club a delightful day. Much enjoyment was caused by the conundrums which the hostess propounded to the club members while at the dinner table, and after thoroughly enjoying the beautifully served dinner, the business of the meeting began.

An entire change of the officers was made for the ensuing year as follows:

President—Mrs. Harry Skinner.  
Vice-president—Mrs. Charles Laughinghouse.

Secretary—Mrs. Fordyce Harding.

Treasurer—Mrs. Bert Moyer.

Librarian—Mrs. Louis Arthur.

The out-going President, Mrs. R. R. Cotten, has served the club most acceptably and she retires with the love and esteem of each member of the club. The new President, Mrs. Harry Skinner, was the unanimous choice of the club, and all feel sure of a delightful year under her guidance.

Pleasant short talks were made by Mrs. Jarvis and Mrs. Cotten. The next meeting will be with Mrs. Grime, on October 16th.

### County News.

The Democratic State and County Executive Committees have appointed Mr. James L. Fleming as the Bryan and Stevenson sub-elect for this county. Mr. Fleming will in a few days have out his appointments for speaking and will conduct an active campaign in behalf of the Democratic ticket.

SATURDAY, OCTOBER 6, 1900.

Assure as the sun shines in the heavens, McKinley's election means the authorization of a standing army of 100,000 men. Who doubts it—and who wants it?

Isn't it somewhat curious that we can ship coal to Great Britain, pay the freight and sell it at a profit in the British market, and yet require a duty of 40 cents a ton to keep the British from shipping their coal into the United States.

**WASHINGTON LETTER.**

From Our Regular Correspondent.

WASHINGTON, D. C., Oct. 5th.

The boodle stage of the campaign has been reached, and the head has been knocked out of the republican barrel. Hanna's recent visit to the eastern headquarters of the big trusts filled the barrel to overflowing. In every doubtful State and Congressional district every vote that can be had for money is to be bought. These are not mere assertions. They are hard facts, of which the democrats have been warned by Chairman Richardson, of the Democratic Congressional Campaign Committee, and by Mr. Richard Croker of New York, both of whom know of the enormous amount of money secured by Hanna, and judge by the way he spent millions in 1896 how he intends to spend it. It is not easy to prevent some buying and selling of votes among those who are unprincipled enough to engage in such a traffic, but vigilance on the part of democrats may greatly lessen the number bought and sold, as every State provides a heavy penalty for the crime.

There was a noticeable change in the attitude of the republican managers just as soon as they got the tip that Hanna had all the money he wanted. Instead of talking doubtfully of the result of the elections, both Presidential and Congressional, they began to blow, making the most ridiculous claims as to a number of republican Congressman that will be elected.

Representative Rhea, of Virginia called at the Post Office Department this week and filed a vigorous complaint against the republican postmasters in his district, for failure to deliver important documents sent him from Washington. He also asked that an inspector be sent to investigate the complaint. He received the same old, stereotyped promise that the matter would be looked into, and, judging from the result of similar promises made the same sort of complaints by democrats, that will be the last

of it, so far as the republican Post Office Officials are concerned.

Judge George D. Lacy, of South Dakota, who is in Washington looking after some business before the U. S. Supreme Court, thinks that his state is absolutely for Bryan and Stevenson, notwithstanding Boss Hanna's personal effort to capture it.

**A Call to The Clubs of The State.**

The State Association of Democratic Clubs was organized in Raleigh on Sept 26th. A permanent organization was made by electing a President, Secretary, one Vice President from each Congressional District and an Executive Committee of five members.

The organization, in its working force, has representatives in all parts of the State. The object of the Association is to assist in giving Bryan and Stevenson the electoral vote of North Carolina, and to help elect nine Democratic Congressmen from this State. To this end, all patriotic citizens are cordially invited to co-operate.

The platform and principles of the Association are found in the platform of the Democratic party promulgated at Kansas City. The Clubs have no candidates other than those named by the Democratic conventions.

This Association is organized for effective campaign work. The Executive Committee of the Association directs that an urgent appeal be made to various County and Township Executive Committees to proceed at once to organize Clubs in each township in the State. A very large number of White Supremacy Clubs organized in the late Campaign can be easily organized into party clubs. To this end, it is urged that the various County Chairman will at once proceed to appoint suitable organizers in their counties, who will enter actively in the work.

The County Chairmen are requested to call a meeting in each township in their various counties on Saturday, the 13th day of October, for the purpose of organizing a Club. Do not let an opportunity pass to organize. These Clubs are a part of the party machinery. They are subject to the party authority. The two main purposes for which they are to be formed are to distribute literature and to bring out a full vote.

Let each Club appoint an active committee to secure the attendance of voters at the polls. A full vote will give the Democratic party 50,000 majority. The issues involved are momentous, vital and far reaching.

Howell, Ind., Nov. 26.  
 I will always praise Wine of Cardui. It has done me more good than all the medicines I have ever taken in my life. Please send a book about female diseases to the ladies whose names I enclose.  
**Mrs. MINNIE STODGILL.**

**McLURE'S Wine of Cardui**

It isn't necessary for a woman to give particulars. When she says she has "female troubles", other women know what that means. It means days and nights of endless suffering. It means headaches which no tongue can describe. It means that terrible bearing and dragging down in the lower abdomen. It means agonizing backache, and shoulder ache, and arm ache, and aches in the lower limbs. It means nerves on edge—the blues—despondency and loss of hope. It means debilitating drains that the doctors call leucorrhoea. It means martyrdom—sometimes even death seems preferable. And still Wine of Cardui will utterly put those diseases and pains to rout. It has cured thousands of cases when nothing else on earth would. To the budding woman, to the bride, to the wife, to the expectant mother, to those going through the Change of Life, this Vegetable Wine is a blessing.

**New Paper.**

The Memorial Church is the name of little paper that has just been started here to appear monthly. It is edited by Rev. J. N. Booth in the interest of the Memorial Baptist Church of which he is pastor. Its object is to keep the members informed as to the work of the church, and to enlist their sympathy and stimulate their zeal in the aims and objects of the church. While it is printed in THE REFLECTOR office, Mr. Booth does the entire work on the paper, type setting and all, himself. The first issue is very neat in appearance and interesting in matter. The subscription price is 25 cents a year.

**Second Blossoms.**

Mr. H. J. Stokes, of Chicod township, tells us that he has a peach tree that is now in full bloom for the second time this year. He ate peaches from the same tree in the summer.
