### SEEN AND HEARD IN WASHINGTON.

WASHINGTON, N. C., Nov. 9th.

Capt. Geo. H. Hill is adding another story to his residence on East Second St. and will make quite a commodious residence of it.

The burnt district is being rebuilt in good style and will, instead of being an eye sore, be an ornament to our town.

The bridge will be open for travel—when it is completed, which will be in about 0000 days, more or less.

We have good lights here when we can. A few evenings since the Presbyterian congregation had to discontinue their services because the light went out, and the Methodists took some oil lamps, and oil in them, and continued the services.

Our Beaufort county delegation has returned from the N. C. C. M. C. and are enthusiastic in their praises of the hospitality of the good people of Pitt.

Mrs. Sue Archbell, (nee Bullock,) of Woodstock, oldest daughter of Dr. W. J. Bullock, died on the 10th inst. of congestive chill.

We read the first election news in THE REFLECTOR at 12 M. on the 7th and the next paper we saw it in came at 7:30 P. M.

W. H. Wilkinson, of Leechville, was in town for a day or two this week.

Cards are out for the marriage of Miss Meta Savage, of Scotland Neck, to Mr. Jordan Wilkinson, of Belhaven.

On the light of the 6th many were strictly "in it."

Mrs. M. F. Wright (nee Munger) died a few days ago after a long illness.

The steamer W. F. Taylor has gone to Norfolk for a new boiler.

We do not see that business is any better since the election, although we are to have another four years of going back on our former high position as a people, that people have a right to govern themselves, vide Cuba, Poto Rico, &c. &c.

John H. Small and wife gave a reception on the evening of the 8th complimentary to Mr. and Mrs. A. McLean.

The Shiloh came down on Tuesday, first trip in some months.

JIM NASTIC.

#### Attention Masons.

You are notified to be present at Special Communication of Greenville Lodge No 284 A. F. & A. M. on Monday, Nov. 19th, 1900, at 10 A. M. Business of importance to the Lodge will come before it.

By order of the Lodge.

# The Well Dressed Man

as we have this fall. Our customers tell us this, and they are certainly competent to judge. We have everything that is the rage in New York, and a visit to our establishment will give you a complete knowledge of all that is new and "Chic" in the fashionable world. In regard to our prices: We know that you will not utter a word of complaint. Drop in when you have a little time, we want to see you.

## FRANK WILSON,

THE KING CLOTHIER.

## WINE OF CARDUI

Woman's Crowning Virtue.

BELTON, Mo., July 27.  
For years I suffered terrible pains every month and my doctor told me I could not be cured except by an operation. I felt I could not submit to that and was so despondent I had given up all hopes of a cure. My husband insisted on my trying Wine of Cardui and at last thank God I did try it. Last month I did not have a pain, and did all my work, which I had not done in seven years.

MRS. MINNIE LITTLE.

## Wine of Cardui

Modesty is the crowning virtue of American women. It is the trait that all mankind admires. A modest woman is the most pleasing of all created things. Because of this becoming virtue thousands of women prefer to suffer untold miseries rather than confide their troubles to a physician, and to even think of submitting to an examination is revolting. They can't get their own consent to an operation. Wine of Cardui permits sensitive women to retain their modesty. With it they can cure "female troubles" in the quiet of their own rooms. If special treatment is required they can write to the Advisory Department of the Chattanooga Medicine Co., and their letters will be promptly answered by women trained in the cure of womanly weaknesses and irregularities. There should be no hesitation. Delayed treatment means a chronic condition. The longer postponed the harder to cure.

LADIES' ADVISORY DEPARTMENT.  
For advice in cases requiring special directions, address, giving symptoms, Ladies' Advisory Dept., THE CHATTANOOGA MEDICINE CO., Chattanooga, Tenn.

# THE DAILY REFLECTOR

D. J. WHICHARD, Editor.

EVERY AFTERNOON [except Sunday]

Entered at the Post Office at Greenville, N. C., as Second-Class Mail Matter.

## SUBSCRIPTION RATES

One year \$3.00  
 One month .25  
 One week .10

Delivered in town by carriers without extra cost.

Advertising rates are liberal and can be had on application to the editor or at the office.

We desire a live correspondent at every Postoffice in the county who will send in brief items of news as it occurs in each neighborhood. Write plainly and only on one side of the paper.

SATURDAY NOVEMBER 10, 1900.

It has long been a desire of THE REFLECTOR to have a building of its own, and our success in the past, due to a liberal patronage from our appreciative public, has led us to make a venture in this direction. We have recently bargained for the corner two-story portion of the Elliot property known as the Rialto building, and expect so take possession of it the first of January. It is an admirable location for our business, and we hope to begin the new year and the new century in the new quarters.

Now a word to our patrons. There is a considerable sum of money, scattered about in small amounts, that is now due us. Much of this is owing by the country and out of town subscribers to our twice-a-week paper, and much is also due from patrons of the daily edition. We will need every dollar of this money between now and the end of the year. It is due us, and every one ought to come forward and pay promptly.

THE REFLECTOR has done very little dunning this fall, and while some have come and paid us without waiting to be asked, there are many others who have failed to do so. We have just commenced mailing statements to our distant subscribers outside of the county and in other States, and there will be a cross mark on the paper to subscribers inside the county to remind them of their indebtedness. We earnestly ask every one to respond promptly and not wait to be reminded a second time. Whether you get a statement by mail or see a cross mark on your paper, or in the event you get neither of these reminders and yet know that you owe us, we hope you will act promptly and settle as early as possible. The paper has tried to serve you faithfully and we have the right to ask and expect this much of every one who owes us.

There is already some talk of the defeated Republican candidates for Congress in certain districts in this State contesting the seats of the elected Democrats. Doubtless the prospective contestants feel encouraged from the fact that the Republicans have a good majority of the next Congress, and where such is the case, if we can judge by proceedings in past, it takes very little evidence against a Democrat to cause him to lose his seat.

A Raleigh correspondent of the Charlotte Observer writes that it is said the senatorial primary cost Gen. J. S. Carr \$50,000. Whether this be true or not, there is hardly a doubt that it cost him a great deal.

## Notes from Trinity College.

The North Carolina section of the National Chemical Association will meet in the Crowell Science Hall Friday evening. The Association has a large membership and it is expected that all the institutions in the state will be represented.

Rev. J. E. Gay, of Charlotte, has donated to the library a collection of valuable books. Mr. Gay's interest in the growth of the library is very highly appreciated.

Hon. F. M. Simmons, who was nominated for United States Senator in the primaries, is a graduate of Trinity, class 173. He has been for several years an honored member of the Board of Trustees, and has also been a patron of the College. Hon. J. H. Small, who was reelected to Congress, is also an alumnus of the College. The institution has a pardonable pride when her alumni are called to fill a position of honor and trust.

## Sixteen to One Did It.

New York, Nov. 7.—Richard Croker said at the Democratic Club today:

"I was very much surprised and disappointed at the way the election turned out. I did expect Mr. Bryan to be elected President of the United States."

Asked for the cause of Bryan's defeat, Mr. Croker replied:

"I believe that 16 to 1 had a great deal to do with the vote against Bryan in this State. What the causes were in the Southern and Western States I do not know.

"We all know what the cause was in New York State, the money center of the East. However New York City did very well indeed. If the rest of the country had done as well as New York King's county did very well, too.

"I do not regard the decision of the country as adverse to Mr. Bryan as a man. It was against his principles. He is a magnificent representative American. It is so far ahead and so many things may develop before the mayoralty campaign that I cannot see now how the presidential election can affect that contest."

The Vermont Legislature, which is now in session is about to consider a bill which provides for the negotiation of a loan of \$10,000,000 the entire sum to be expended on the improvement of the highways of the Green Mountain State during the next two years. Vermont's debt is now but \$324,000.

THE BEST PRESCRIPTION FOR CHILLS and fever is a bottle of Grove's Tasteless Chill Tonic. It is simply Iron and quinine in a tasteless form. No cure—no pay. Price 50c.

AUSTRALIAN TRIPPLE RAILROAD SHOWS.

MAMMOTH MENAGERIE AND REAL HIPPODROME.

"The Rhoda Royal Shows was good, big and moral."—Worcester Spy, August 29, 1900.

"One of the best tent shows ever given in New London was that of the Rhoda Royal last Wednesday. The one great feature about the show is that they give exactly what they advertise. The Rhoda Royal Shows have made a most favorable impression in this city."—New London Daily Globe, Wednesday, September 5th, 1900.

THE WORLD'S GRANDEST AND BEST AMUSEMENT INSTITUTION. SOMETHING NEW UNDER THE SUN.

CAPTAIN SHARP and his Detachment of ROUGH RIDERS—THE HORSE BACK RIDING PONY, a cute, cunning, thoroughbred shetland pony will actually ride and perform on the backs of 2 large horses, while galloping at full speed.

THE THOMPSON BOYS. The funniest of all clown mule hurdle riders will actually introduce something new in the riding comedy line. A TROUPE OF TRAINED PERFORMING ELEPHANTS, That do everything but talk.

Madam Royal The queen of all lady trainers and manage riders. Not the old time manage acts, but each and every trick new and of the latest high school riding art. The HIPPODROME RACES entirely different from the old style. 50 other first-class performers and performances. The FOUR ASHES, the funniest of all European clowns. Every piece of property brand new. We have taken great care in growing the most improved bright tobacco seed—the White Stem Orinoco, the Broad Leaf Orinoco are the most reliable tobacco ever grown in any section. Every man in the east, who cultivated this kind will average from 2 to 5 per cent more than any other kind. Mr. Sam Mumford, at Ayden, says that his Orinoco will bring fifty dollars more per acre than any other kind grown on same land. Martin county people are growing Orinoco and coining money. You will find these seed for sale at Dr. Wooten's and Dr. Bryan's Drug stores and at some store in each section of the county at 25 cents per package.
