STATE NEWS.

Happenings in North Carolina

The Baptist State Convention will meet in Winston next year.

The point shops of the Atlantic Coast Line, at Wilmington, were burned Saturday. Loss \$25,000 with no insurance.

A syndicate, represented by S. W. Islar, has just closed a deal with the State Board of Education, for the purchase of about 200,000 acres of swamp land in Onslow and Jones counties; consideration, \$25,000.

The State Board of Agriculture last week ordered the establishment of a fish hatchery at Avoca, and appropriated \$4,000 for that purpose. Years ago there was a very successful hatchery at that point. Messrs. Capehart, Cunningham & Coffield were deputed to superintend the construction of the new hatchery.

Six Months For York.

J. L. York, the young man from Fayetteville who was convicted in the Federal Court for the use of the United States mail for fraudulent purposes, was sentenced yesterday to six months imprisonment and fined \$200. The costs in the case were also imposed on the defendant.

In imposing the sentence, Judge Purnell designated the Wilmington, N. C., jail as the place of confinement. The motion by counsel for the defendant for arrest of judgement was overruled and exception was made.

The Johnson county counterfeiters who were convicted last week also had sentences imposed upon them. O. W. Faircloth was sentenced to thirteen months imprisonment and fined \$200. Jas. I. Faircloth, a similar sentence, while A. W. Sugg was given two years in the penitentiary and fined \$200. —Raleigh Post.

OVER THE COUNTRY.

A model lodging house, suggested by Mayor Harrison, is to be erected by the Aid and Relief Society at Chicago, Ill., at a cost of \$40,000.

Charged with grand larceny for holding back proceeds from a stock transaction, John S. Silver, has been held for trial on \$1,000 bail.

The plant of the Cleveland and Canton Bridge Co., at Canton, O., was burned Monday morning. Loss \$50,000, covered by insurance.

Robert Boyd, a railroad fireman, was killed and five other men were injured in a collision between freight trains on the Atlantic Coast Line, near Richmond, Va.

A gas explosion occurred in the new railroad tunnel near Aspen, Wyo. The meagre details show that four men were killed, three seriously wounded and three slightly.

It Goes To Fayetteville.

The North Carolina M. E. Conference will meet next year at Fayetteville. Wilmington was a candidate for the place of meeting through an invitation extended by Grace M. E. Church, but she lost it in a vote of 79 to 69. The vote in favor of Fayetteville was afterwards made unanimous.

The Well Dressed Man

Attracts your attention wherever you meet him. He is numerous in Greenville this fall, and we take considerable of the credit for this condition of affairs. Ask the man if we are not entitled to this honor. Never before in the history of this establishment have we carried such a complete assortment of

"The Real Thing."

as we have this fall. Our customers tell us this, and they are certainly competent to judge. We have everything that is the rage in New York, and a visit to our establishment will give you a complete knowledge of all that is new and "Chic" in the fashionable world. In regard to our prices: We know that you will not utter a word of complaint. Drop in when you have a little time, we want to see you.

Reasonable and Right.

If our prices are reasonable then they are bound to be right. If our merchandise is right then it is bound to be reasonably priced. Fair pricing is a basic principle in this store. To buy the right thing at the reasonable price is better, far better and more economical than the wrong thing at most any old price. The poorly priced is meanly made, got a wrong twist in it somewhere, you can't depend upon it.

When you want good dry goods you don't want to be shown makeshift apologies for good dry goods. We cannot too strongly emphasize the goodness, the reasonableness of the following items:

MEN & LADIES' VESTS.

Some right good values in Winter Wear. Heavy Fleece-Lined Vests for Men & Ladies 25c

HOSIERY.

A big markdown in hosiery. They were 15c now 10c, 20 now 15, 25 now 20.

CAPES AND JACKETS.

SHOES! SHOES!!

Shoes for men and ladies. We will cut the price more than half to push out some of these goods. They were \$1.00 now 60c, 1.25 now 70c, \$1.50 now 90c, 1.75 now 1.00, 2.00 now 1.20.

WEDNESDAY DECEMBER 12, 1900.

The work planned by the Baptist State Convention which was in session in Raleigh last week, and the Methodist Conference at Newberne was along progressive lines and marks the advance which these Denominations are making in North Carolina. Both bodies passed resolutions demanding a reformatory school for young Criminals, and in reference to the desecration of the Sabbath. These resolutions were timely.

WASHINGTON LETTER.

From Our Regular Correspondent.

WASHINGTON, D. C., Dec. 10th.

There is a war on between the men who bossed Mr. McKinley's campaign and Mr. McKinley's Cabinet. The men who bossed the campaign compelled the republicans on the House, Ways and Means Committee, to make a reduction of 25 cents net a barrel, in the beer tax, although it made the total of the Revenue Reduction bill, now before the House, exceed \$40,000,000, instead of keeping in inside of \$30,000,000 as recommended by Mr. McKinley. The Cabinet objects and has been even talking of frightening the bosses in Congress, but a word from Mr. McKinley will probably result in making it plain to them that the bosses are not doing more than they were bound to do. One republican, speaking of the Cabinet kicks, said: "Why instead of kicking, these men ought to be thankful that the brewers are not demanding the \$1 a barrel reduction they were led to believe before the election, that they would get; these men in the Cabinet would know a heap more about practical politics if they would work for a while with men who raise the money for a national campaign. Of course, Mac will quiet them; he knows." Some are predicting that the bill will be allowed to fail in the Senate. Representative Richardson presented the minority report on the Revenue Reduction bill. It does not oppose any of the reductions made, but favors a more extensive reduction in war taxes.

The Senate has always been an extravagant body, especially in its expenditures for its own luxury, and the fact that the Committee on Finance has just paid \$4,709 for refurbishing and redecorating the room in which it meets, shows that it is growing more so.

It was an unexpectedly large majority—198 to 92—that the House gave the Grout Oleomargarine bill. Political lines were not drawn at all. If any line was drawn, it was the agricultural against the manufacturing.

That everything is being done that can possibly influence votes

for the Ship Subsidy bill, is apparent to everybody. Even the bidding for the construction of the six armored cruisers and the five battleships authorized at the last session of Congress, was utilized for that purpose. In order to create the impression in Congress that the shipyards of the country were all on the hunt for work, which the Ship Subsidy bill would give them if enacted into a law, these schemers had a whole lot of small fry establishments, which would be taxed to their utmost capacity to build a light draft gun boat, put in bids for cruisers and battleships.

Senators are not showing much anxiety to rush the Army Reorganization bill through the Senate, which was railroaded through the House last week. To give the Senate republicans a chance to rush it, the House leaders made the bill a substitute for one that was passed by the Senate at the last session. The Senate could have sent the bill to a Conference at once, but it didn't. The bill was referred to the Military Committee, and Senator Hawley, Chairman of that Committee, says the usual routine will be followed in the consideration of the bill which began today.

Senator Teller, struck those who believe or pretend to believe that we cannot construct the Nicaragua Canal without the consent of Great Britain, a solar plexus blow when he said in a speech advocating action on the part of the United States that would be absolutely independent of England, that to ask England's assent to the construction of the canal was to admit that that country had a right to express its dissent. He warned the Senate that such a position would not be accepted by the people of this country. At the last session of Congress the administration demanded the ratification of the Hay-Pauncefote treaty without amendment. Now, its personal representatives in the Senate, gladly agree to having a vote taken on the Davis amendment, which provides that nothing in the treaty "shall apply to measures which the United States will find it necessary to take for securing by its own forces the defense of the United States and the maintenance of public order," next Thursday, when they know that it will be adopted. The administration is now willing to accept the amendment simply because it knows that the treaty could not be ratified without it.

No, Maude, dear; calm yourself. Rum is never sold at a rummage sale.

Many towns in the state are considering the matter of putting in water works, sewerage and other improvements, and in every case no other plan is thought of but municipal ownership. The town that does this can make no mistake. If the town cannot conduct its business as successfully as some one else could do it, it had best go out of business.—Durham Herald.

WINE OF CARDUI

Woman Knows Woman.

ZURICH, KAN., Jan. 31. I used Wine of Cardui for nervousness and weakness in the womb. After taking one bottle I was well again. I am a midwife and always recommend Wine of Cardui to my lady friends during pregnancy and after birth as a tonic. Every lady who takes it finds that it does even more than is claimed for it.

Wine of Cardui

Nobody knows woman like woman. Men go to medical colleges, study books and listen to lectures. They learn indirectly of the diseases of women, but they are men and can never fully understand the ailments, the sufferings, the agonies of mothers, wives and sisters. A woman knows. Mrs. Boisvert knows. She has passed through the trials and tribulations of her sex. She has been near by when her sisters suffered. She has seen them relieved and cured with Wine of Cardui. Is it any wonder she recommends it? Is it any wonder that thousands of other women recommend it? They know. They have actual experience to prompt them. They spread the tidings from mouth to mouth, telling how Wine of Cardui helps young girls, helps the weak of all ages, helps and cures all womanly ills.

We have taken great care in growing the most improved bright tobacco seed—the White Stem Orinoco, the Broad Leaf Orinoco are the most reliable tobacco ever grown in any section. Every man in the east, who cultivated this kind will average from 2 to 5 per cent more than any other kind. Mr. Sam Mumford, at Ayden, says that his Orinoco will bring fifty dollars more per acre than any other kind grown on same land. Martin county people are growing Orinoco and coining money. You will find these seed for sale at Dr. Wooten's and Dr. Bryan's Drug stores and at some store in each section of the county at 25 cents per package.

MUNFORD'S BIG NEW STORE.

Well may the good people of Greenville and surrounding country be thankful and proud of their Big Store and the wonderful bargains that come from that great institution. For the third time this season has the buyer been north, picking and scouring the New York, Boston and Philadelphia markets and quickly snapped up all the "Juicy Plums." This was securing a leading manufacturer's fall shipment of fine clothing for men and boys intended for a clothier in Galveston, Tex., but which was countermanded on account of the flood. The result is, we can offer mens and boys highest grade clothing at just one-half the old time clothier's price. They will be ready and placed on the tables on
