AN ACT.

To Authorize the Town of Greenville To Issue Bonds For Purpose Of Making Improvements In said Town.

The General Assembly of North Carolina do enact:

Section 1. That the town of Greenville, through its properly constituted authority, is hereby authorized and empowered, if a majority of the qualified voters thereof shall so vote, to issue interest bearing coupon bonds to the amount of seventy five thousand dollars in the manner and for the purpose hereinafter named.

Sec. 2. That the question of issuing said Bonds shall first be submitted to the qualified voters of said Town at an election to be held for that purpose on the second Tuesday of April 1901, which election shall be conducted in all respects as are elections for Aldermen of said Town except as modified by this act; The Board of Aldermen shall at a meeting held on or before the second Thursday in March 1901 appoint a registrar and two Judges of Election for each of said wards of said Town. The Mayor shall, at least twenty days before the election issue his proclamation giving notice of said election and designating therein the persons chosen to conduct the same and the exact place in each ward where it is to be held. In order to be able to accurately ascertain the number of qualified voters in said Town an entirely new registration for said election is hereby ordered, and it shall be the duty of the Registrar in each ward to register all persons entitled by law to be registered as a voter in said ward and this he may do for convenience at his home or at any other place in said Town, but it shall be the duty of the Registrar in each Ward to attend with his registration book at the place designated by the Mayor in his proclamation on Thursday, Friday and Saturday next preceding the election from 2 o'clock to sunset each day, for the purpose of registering all persons entitled to register and who have

not been registered. And it shall be the duty of the Judges of Election to attend with the Registrar in their respective wards on Saturday preceding the election for the purpose of hearing and determining all contests and challenges as to registration. The registration books shall be open to inspection at all times and they shall be finally closed at sunset on the Saturday immediately preceding the election. If any vacancy shall occur at any time for any cause in the position of Registrar or Judges of Election for said election it shall be reported to the Mayor who shall immediately fill the same. The polls shall be opened at eight o'clock a. m. on said second Tuesday in April 1901, and shall be closed at six o'clock p. m. on said day, and all persons whose names are found on the registration book shall be entitled to vote at said election for or against issuing said bonds. Those desiring to vote for it shall vote a written or printed ticket on which shall be written or printed the words "For Bonds" and those desiring to vote against it shall vote a written or printed ticket on which shall be written or printed the words "Against Bonds". The Registrar and Judges of Election shall immediately after the closing of the polls count the votes cast and shall make and sign duplicate returns thereof which shall be sealed up and delivered as follows: One sealed copy shall be delivered to the Clerk of the Board of Aldermen together with the registration and poll books, and one copy to the Mayor. The Mayor and Board of Aldermen shall meet at eight o'clock on Wednesday night next immediately succeeding said election at their usual place of meeting, and in the presence of such persons as choose to attend, proceed to open and count said returns, and if all the returns are in, they shall make and publish an official announcement of the result of said election in which they shall certify to the whole number of registered votes, the number cast for and the number cast against said proposition. If for any cause the returns have not been made, the Board before making and declaring the result shall procure and complete such return. The Mayor shall after the result has been declared by the Board, issue his proclamation repeating said result.

Sec. 3. That if a majority of the qualified voters of said Town as ascertained by said registration and election shall vote "For Bonds" then the Mayor and Board of Aldermen of said Town are authorized and directed to cause to be prepared and issued, interest bearing coupon bonds to the amount of seventy five thousand dollars, said bonds shall be of the denomination of five hundred dollars each, shall be signed by the Mayor and countersigned by the Clerk of the Board of Aldermen, shall run for thirty years and shall bear interest at the rate of five per cent per annum.

Sec. 4. The interest on said bonds shall be payable at such time and place as may be designated in said bonds or coupons and to provide for the prompt and regular payment of said interest it shall be the duty of the Board of Aldermen of said Town each and every year at the same time that other taxes are levied to levy a sufficient special tax upon all the taxable polls, property and taxable subjects in said Town to pay said interest as the same may become due and payable. The Board shall cause said special tax to be levied, collected and accounted for as other taxes are and they shall cause the same to be set aside for the special purpose of paying said interest and it shall be used for no other.

Sec. 5. That said bonds shall be sold in such manner as the Mayor and Board of Aldermen may prescribe and the sale shall be under their direction, but no bond shall be sold for less than its par value, and the Mayor and Board shall publish in a paper published in the town of Greenville a statement showing to whom and at what price said bonds were sold.

Sec. 6. That if Graded Schools shall be established in said Town the sum of five thousand dollars of the proceeds of the sale of said bonds shall be turned over to the directors of the Graded Schools to be used in the erection of suitable buildings for said Graded Schools.

Sec. 7. That the proceeds of the sale of said bonds, except the sum conditionally appropriated to the Graded Schools in preceding section, shall be used by the Board of Aldermen or by such persons as they may designate under their direction in establishing, installing and putting in operation in said Town such a system of electric lights, such a system of water works, sewerage and drainage, and in building such Market house facilities and in making such other improvements as said Board may select and adopt for said Town. And said Board may contract for the material for said plants and other improvements or for the construction of the same or they may cause the same to be erected under the immediate supervision of the Board or otherwise as they may deem best, but in any and all events the Town shall be the sole owner of the property, plants and other improvements and shall have the sole and exclusive control and management of the same, and said Board is forbidden to make any contract or agreement with any one which would, in any way, interfere with this exclusive ownership and control.

MONDAY, APRIL 1, 1901.

That every one may understand the bond issue thoroughly and know how to vote intelligently at the election to be held on Tuesday of next week, 9th, we again publish the bond bill as passed by the Legislature, this time giving the certified copy as furnished by the Secretary of State. Every elector in Greenville who wants to see the town prosper should vote for the bonds.

Fishing for shad, drinking whiskey and playing cards was the order of the day at Golf Landing Sunday. This was a horrible Sabbath day spectacle in a recognized civilized country. Its occurrence in less than a mile of the county seat, and only one day before the beginning of a term of court, shows that there are people who not only have no respect for God and His Holy Day, but also have no regard or fear of the law.

A Period of Constructive Business Genius.

We are living in a period of extraordinary constructive genius in the organization and administration of vast business affairs, just as at certain periods in our early history we gave signal evidence of constructive genius in politics and statesmanship. Many of those conditions that it was the object of statesmanship to provide for the individual, in order that he might have freedom and security to pursue his own proper ends according to his preferences, have been long since attained. Much, it is true, remains to be done for society through political instrumentalities. But the modern man has had far more serious problems to work out in his capacity of a member of the industrial community than in his capacity as a citizen of the state; and just where the greatest problems lie are to be found the largest rewards for those who can do great things. Hence the relative intensity of industrial and business life, as compared with that of political life, in our own generation. It is a normal order of progress.—From "The Progress of the World," in the American Monthly Review of Reviews for April.

War On Illiteracy.

It is wonderful how the movement to bar illiterates from the ballot box is growing.

Within the last five years Louisiana, Mississippi and both the Carolinas have embodied its principle in their organic laws. The Maryland Legislature has ordered the submission of an amendment on the same line, but it differs in one important essential from the amendments which the other States named have adopted. While they have disfranchised illiterate blacks they leave the way open for illiterate whites to vote by the provision that their amendment shall not apply to persons or their descendants who were qualified to vote on January 1, 1867.

The proposed Maryland amendment makes no distinction between the whites and blacks. It is estimated that the amendment would disfranchise 18,000 white men and 35,000 negroes.

The indications are that both Alabama and Tennessee will soon establish a literate qualification for the suffrage. Virginia may also do so at her forthcoming constitutional convention.

At a recent caucus of the Democratic members of the Tennessee Legislature a resolution in favor of a call for a constitutional convention was adopted by a large majority.

The convention will certainly be called, and it is likely that it will embody in its constitution the Louisiana plan of negro disfranchisement.

The demand for similar restriction is very strong in both Alabama and Virginia. We believe that this movement will finally extend to all the States and include both white and negro illiterates.

In the opinion of many of our people Connecticut has the best franchise law in the country. It not only requires that every voter shall be able to read and write, but he shall be able to do so in the English language.—Atlanta Journal.

Superior Court.

The April term of Pitt Superior Court began this morning with Judge A. L. Coble presiding.

After completing his charge, which was a good one, Judge Coble, by request of counsel for the plaintiff, asked the Solicitor to withhold calling the docket until a divorce case could be disposed of, which would take only a few minutes. It was the case of Adeline de Visconti vs. J. A. Larenzo de Visconti, and the jury was only three minutes in answering the three issues "yes" and granting the divorce.

This was followed by calling the docket and marking the cases ready for trial. There are three or four capital cases. Daniel Williams, for burglary, will be tried Saturday. The Hargett case, for murder, is set for next Monday, and the McLawhorn case, for manslaughter, is set for next Tuesday.

The grand jury for the term is composed of:

R. G. Chapman, foreman; W. F. Carroll, J. T. Turner, J. F. Crawford, J. S. Overton, J. L. Warren, T. M. Flynn, R. J. Mayo, J. H. Smith, J. Mc. Dixon, J. A. Bullock, W. J. Tarnage, Wm. Stallings, J. O. Williams, Robt. Smith, J. B. Gardner, W. T. Fleming, John A. Whichard.

Luxury is something the average man doesn't want until he sees somebody else with it.

'Tis love that stitches the fabric of existence with the silver tracery of the richest radiance.

When a man tries to climb higher than his ladder reaches, he falls.

Guano Lost.

A scow loaded with guano from the fertilizer mill of E. H. & J. A. Meadows was sunk in Linkfield channel on the north side of Neuse river near here Thursday. The scow was in tow of a river steamer and must have struck a snag for the scow sunk very rapidly.

The cargo was consigned to D. H. Dixon & Co., of Hookerton, and J. W. Grainger, of Kinston, and was to be delivered a Grifton. The loss is between \$1,200 and \$1,500. The scow sank in about 12 feet of water.—Newbern Journal.

His First Ceremony.

Esquire E. G. Flanagan, officiated in his first marriage ceremony this morning. A colored couple applied to Register of Deeds Moore for a license and then called on 'Squire Flanagan to make them one. He put up the ceremony in good style, and at the close told them they could salute each other. They did not wait for a second invitation, but fell into each other arms and left happy.

Good Sermon.

Presiding Elder F. A. Bishop preached an able sermon in the Methodist church, Sunday morning, his subject being "conscience." Church members especially were forcibly reminded of their shortcomings and consequent lack of influence.

A duet sung by Mrs. J. B. Cherry and Miss Clara Bruce Forbes, was an enjoyable part of the worship. Miss Cora Fields accompanied them with organ.
