BURROUGHS-BERRY.

A Beautiful Home Wedding.

At the home of the parents of the bride, Mr. and Mrs. D. G. Berry, in South Ayden, May 29th, at 7:15 o'clock, Mr. C. Frank Burroughs led to the Hymenial altar Miss Orissa Brabble Berry. Their marriage vows were spoken in a beautiful and impressive ceremony by Rev. Mr. Kesler, of Scotland Neck.

Miss Bertie McNaughton, of Everett, presided at the organ and beautifully rendered the wedding march.

Immediately after the ceremony the happy couple left on the 8:30 train for their future home in Scotland Neck, amid showers of congratulation, rice and old shoes.

Mr. Burroughs is one of Scotland Neck's most popular and promising young men, and Miss Berry was one of Ayden's fairest and most popular daughters, who to know was to love.

Among the out of town attendants were: Misses Josey and House, of Scotland Neck, also Mr. Nixon. Misses Jennie and Ella Burroughs, sister of the bridegroom and Misses Bertie and Minnie McNaughton, of Everett. Mr. Grantham, of Nashville, Mr. Taylor, of Bethel, Mr. G. J. Cherry, of Parmele.

Mr. and Mrs. Burroughs were the recipients of quite a number of handsome presents from guests, friends and relatives.

There was no profusion of jewels or lace. No yards of illusion her figure to grace. But the bride was neatly and tastefully dressed.

In the style and color that suited her best. And "Frank," in a whisper, as he stood by her side

Said, "I never beheld so lovely a bride." I hardly need mention the fact, I presume. That most my attention was fixed on the groom

Whose face so reflected the joy of his heart That in the sweet service my own took a part.

And oh! 'twas a scene I'll remember with pride For Frank Burroughs was bridegroom and Orissa Berry the bride. R. S.

Dissolution of Tobacco Firm.

The firm of Roberts & Ficklen, who have been doing a leaf tobacco business here for several years, have dissolved by mutual consent to take effect August 1st, next. This firm is composed of Mr. T. E. Roberts, of Chase City, Va., and Mr. E. B. Ficklen, of Greenville, both excellent business men and well known to the trade.

The old firm will be succeeded by the E. B. Ficklen Tobacco Co. Besides occupying the present factory building of Roberts & Ficklen, the new concern has also secured the large stemmery formerly occupied by B. E. Parham & Co., which is fitted with the latest improved machinery for handling leaf. The new firm will be in position to handle any amount of orders with very best care.

Academy Closed.

The Greenville Male Academy, taught by Prof. W. H. Ragsdale, closed yesterday. It is gratifying to know that the school has had the most prosperous session in its history. The enrollment was eighty-five. It has been under its present management for the past ten years and the attendance shows that it has continued to grow in favor.

The town authorities of Pittsboro made a call on all male citizens of the town between the ages of 21 and 45 to work the streets two days.

Women are Considered "Poor Pay."

"Tradespeople, in general, consider women as 'poor pay,'" writes Edward Bok, in The Ladies' Home Journal for June. "The vast majority of sheltered women seem to have no conception of the anxieties, trouble, poverty, suffering, privation, injustice and positive cruelty which they directly inflict upon hard-working women by a carelessness in promptly meeting their bills. If this practice were confined to the few one might dismiss it with a shrug or a sigh that it existed at all. But it applies to the majority of women. Let a woman look into this matter carefully, and she will be surprised at the evils which results from this careless disregard of obligation. Wherever you find a feminine industry there you find a ledger full of unpaid accounts."

North Carolina Manufacturing Interests.

The director of the census has completed his preliminary report on the manufacturing interests of the State of North Carolina. The report shows the value of the manufacturing products of the State to be \$9,183,114, as against \$5,028,107 for 1890. The number of manufacturing establishments was increased during the ten years from 382 to 1130; the capital from \$2,894,553 to \$5,396,490. There was an increase of 60 per cent in the average number of wage earners and of 61 per cent in the total wages paid.

A 90-year-old woman died in Pennsylvania the other day who had never seen the inside of a church, had never seen a railroad train, nor heard a band play, and she was neither blind nor deaf.—Wilmington Star.

FRIDAY, MAY 31, 1901.

THE REFLECTOR would again call attention to the importance of the ward meetings to be held tonight to nominate candidates for Aldermen. At no election the town has held in the past was so much at stake as the one to be held next Monday, and the good or evil of that election hangs upon the work done in the primaries tonight. It is a time when personal feeling, factional feeling, and even political feeling should be put aside, and every man do what is for the best interest of the town. The town is just at that point when mistakes made tonight may be irreparable and result in great detriment to our progress. Avoid such mistakes by nominating good men for Aldermen in every ward.

The annual listing of taxes begins the first day of June and continues through the month. It is the duty of every citizen to give in his property honestly and fairly without evasion, and to see as far as possible that all others do likewise. It has been a practice with no small number of men, even those regarded as being honest, to escape a portion of the taxes they ought to pay by listing as little of their property as possible. Make any excuse for this you may, such a practice is not honest and should not be followed. If every tax payer would list all his property honestly at its true value the tax rate could be made low and every one would bear his just proportion of the maintenance of the government. Let every one be honest when he goes before the list taker and not violate the oath that he takes.

It is expected that the census returns for 1900 will show a large growth of the debts of American cities. Thus it is known that the net public debt of New York has increased from \$114,000,000 four years ago to \$303,000,000, and the work on rapid transit has only begun. The debt of Philadelphia is now \$43,000,000—an increase of \$9,000,000 in three years. Chicago's debt has grown from \$17,000,000 to \$26,000,000 in three years; Boston's from \$49,000,000 to \$56,000,000, while that of Baltimore (now \$31,000,000) has more than doubled since 1897.

Some men will pay \$1.50 for whiskey for medical purposes, and then kick over a 35-cent prescription at the drug store.

Boat Blown To Atoms.

St. Louis, May 29.—By the explosion of 1,000 detonating caps, which set off 2,100 pounds of dynamite and 1,200 kegs of powder, the 14-ton freight boat Laurine, plying between this city and Rocheport, on the Missouri river, was blown to pieces last night. Considerable damage was done to property for a mile around. Two laborers who were aboard the ship are missing.

The Laurine was the property of the Rocheport Ferry and Packet Company and was about ready to leave her dock with a cargo of explosives for use in building a railroad below town, when the accident occurred. The boat was propelled by a gasoline engine. When a match was applied to the generator, the gasoline took fire. Captain Farris and the crew immediately vacated and warned all persons near by.

The fire spread rapidly to the supply tanks of gasoline and a second explosion occurred. This evidently set off the explosives on board and with a report that was heard miles away the boat was blown to atoms. The ferry boat Jos. L. Stephens, lying 500 yards above, was considerably damaged the woodwork of the upper deck and pilot house being torn away. Those aboard the ferry boat escaped. Three residences belonging to Jos. Sherrer, Mrs. Sallie H. Johnson and Charles Dunkle about 600 yards from the disaster were wrecked. Fifteen plate glass windows in business houses on Main street, half a mile away were broken and nearly all of the windows and glass doors for a mile surrounding the accident were smashed by the concussion.

Shot by His Father.

Rutherfordton, N. C., May 28—Mack McDowell, a farmer, forty-five years old, in a row yesterday with several members of his family, shot and instantly killed his 16 year-old son Jake with a .38-calibre pistol. The deed was at his home near Henrietta, in this county.

Jake had driven his 14-year-old brother from the field and thrashed him until he was almost unconscious. Later they met at the house, and the second attack was made upon the young boy by Jake, when a third brother pulled him off. When this was done Jake demanded his pistol from his father to kill the third brother, taking up an axe and following his father, swearing he would split open his head if he did not give up the pistol. McDowell, knowing the boy would fulfil his threat took the pistol from his pocket and fired one shot, the ball taking effect in the right lung. While the father was gone for the doctor he was arrested and brought here to jail. He says that his life is as sweet to him as his son's was to him, and that he saved his own life by committing the deed.

The State Board of Elections to serve two years, is constituted as follows by gubernatorial appointment: Wilson G. Lamb, of Martin; Robt. T. Claywell, of Burke; R. A. Doughton, of Alleghany; Clarence Call, of Wilkes; A. B. Freeman, of Henderson. The first three were appointed on recommendation of Senator Simmons and are Democrats, while the last two are republicans, recommended by Senator Pritchard.

Persistence Wins.

A Town for Negroes Only.

Chatanooga, Tenn., May 29.—Joseph P. Long, A. M. Holmes, colored, and others have closed a deal by which they secure control of two hundred or more acres of land eight miles from Atlanta, Ga., on which they propose to build a negro settlement. The property will be divided into lots and streets, and the lots will be sold to negroes. It is the intention of the promoters to have the town governed by negroes, and in time to have cotton factories and schools and churches established. It is considered a great step in the advancement of the negro, as it will teach him how to better appreciate law and government, and will show to the white people that he is capable of governing himself.

Motto:

Early to bed, early to rise, hustle like thunder and advertise.

Advertising

in THE REFLECTOR will bring you success. Don't lag behind in the race, but let the people know what you are here for.

The easiest, quickest and best way to sell anything is to advertise it in THE REFLECTOR. Such an advertisement goes straight to the people, they learn what you have to sell and you reap the benefit.

We have just purchased a large supply of bright and attractive cuts to illustrate REFLECTOR advertisements, and you are at liberty to use them. If you don't know just what you want to say, we will help you get up your advertisement. That is our business, to help you talk to the people.
