MOYE-HOWARD.

Two Lives Beautifully United.

A beautiful home marriage was witnessed Thursday morning, Dec. 26th, at the splendid country residence of Mr. J. T. Howard, near Conetoe, the contracting parties being Mr. Joseph G. Moyer, of Greenville, and Miss Margaret C. Howard.

The parlor was beautifully decorated with ferns, holly and mistletoe, and mellow lights added a softness to the scene. Just before the appointed hour for the marriage, 10:30 o'clock, Miss Stella Phippen, of Enfield, charmingly sang "Hearts and Flowers" with piano accompaniment by Miss Mary Austin, of Tarboro. After the song the music drifted into the wedding march rendered by Miss Austin which was the signal for the bridal party to enter.

The bridegroom came with his brother, Mr. J. R. Moyer, as best man, and they were followed by little Miss Novella Moyer bearing the wedding ring on a silver waiter. Then came the bride on the arm of her sister, Mrs. C. W. Gold, of Wilson, as dame of honor. The bride was tastily gowned in a blue tailor made gown and carried an exquisite bouquet of bride roses. The ceremony was impressively performed by Elder P. D. Gold, of Wilson.

Soon after the ceremony the happy couple left for Tarboro where they took the noon train for a visit to the Charleston exposition to be followed by a ten days tour in Florida.

Many magnificent wedding presents were received by the couple, silver and cut glass being prominent among them. The gift of the bridegroom to the bride was a deed to a house and lot in Greenville for her home.

The bride is a handsome young woman, well known throughout the State, her personal attractions and sweet disposition winning the highest esteem of every one. Of Mr. Moyer it is almost useless to speak here at home where he is so deservedly popular, being recognized as a progressive young man of highest integrity and substantial in business. As Mayor of Greenville, which position he held for two years prior to last July, he made the town a most excellent chief officer. He is junior member of the firm of J. B. Cherry & Co., than which none in eastern North Carolina is better known or stands higher.

Those from Greenville attending the marriage were Mr. and Mrs. J. R. Moyer and little daughter, Miss Novella, Mr. and Mrs. D. E. House, Mrs. J. L. Moore and daughter, Miss Lilla, Miss Bessie Jarvis and Messrs. J. R. Moore, W. B. Wilson, J. A. Andrews, D. J. Whichard, W. S. Atkins, B. W. Mosley, C. M. Jones and J. T. Moore. These, with many other guests, spent the remainder of the day most delightfully at the hospitable home of Mr. and Mrs. Howard and returned on the evening train.

Died at State Farm.

Mr. W. W. Worthington, of this county, who was one of the guards on the State Farm near Tillery, died Christmas day. His remains were taken to Winterville Thursday evening and interred Friday near Reedy Branch church, with Masonic honors.

Christmas

Neckwear.

Our Furnishing Department

Is fairly abloom with bright, handsome Christmas Neckwear the prettiest creations that the combined efforts of the weaver and silk worm ever produced. Every shape, too, that fashion allows. There is scarcely a man, young or old, who will not receive a Christmas Tie from his wife, sister, or best girl, and we believe that if every lady who buys a Christmas Tie would look here first, that we would sell every Christmas Tie sold in Greenville.

SATURDAY DECEMBER 28, 1901.

We heartily appreciate the many inquiries made for THE REFLECTOR during the few holidays it was not published. This shows better than anything else the esteem in which the people hold their home paper and how they look for it at all times. While the holiday has deprived them of a copy or two of the paper, it has been a vast help to the editor and force, in that some needed rest was obtained, and all return to work refreshed and better prepared to faithfully perform the duties before us for another year.

SICK MADE WELL

WEAK MADE STRONG.

Marvelous Elixir of Life Discovered by Famous Doctor-Scientist That Cures Every Known Ailment.

Wonderful Cures Are Effected That Seem Like Miracles Performed—The Secret of Long Life of Olden Times Revived.

The Remedy Is Free To All Who Send Name and Address.

After years of patient study, and delving into the dusty record of the past, as well as following modern experiments in the realms of medical science, Dr. James W. Kidd, 2858 First National Bank building, Fort Wayne, Ind., makes the startling announcement that he

DR. JAMES WILLIAM KIDD.

has surely discovered the elixir of life. That he is able with the aid of a mysterious compound, known only to himself, produced as a result of the years he has spent in searching for this precious life giving boon, to cure any and every disease that is known to the human body. There is no doubt of the doctor's earnestness in making his claim and the remarkable cures that he is daily effecting seems to bear him out very strongly. His theory which he advances is one of reason and based on sound experience in a medical practice of many years. It costs nothing to try his remarkable "Elixir of Life," as he calls it, for he sends it free, to anyone who is a sufferer, in sufficient quantities to convince of its ability to cure, so there is absolutely no risk to run. Some of the cures cited are very remarkable, and but for reliable witnesses would hardly be credited. The lame have thrown away crutches and walked about after two or three trials of the remedy. The sick, given up by home doctors, have been restored to their families and friends in perfect health. Rheumatism, neuralgia, stomach, heart, liver, kidney, blood and skin diseases and bladder troubles disappear as by magic. Headaches, backaches, nervousness, fevers, consumption, coughs, colds, asthma, catarrh, bronchitis and all affections of the throat, lungs or any vital organs are easily overcome in a space of time that is simply marvelous.

Partial paralysis, locomotor ataxia, dropsy, gout, scrofula and piles are quickly and permanently removed. It purifies the entire system, blood and tissues, restores normal nerve power, circulation and a state of perfect health is produced at once. To the doctor all systems are alike and equally affected by this great "Elixir of Life." Send for the remedy today. It is free to every sufferer. State what you want to be cured of and the sure remedy for it will be sent you free by return mail.

Mexican Mustang Liniment

will readily overcome Loss of Hair, Diseased Hoofs and Scratches in horses mules and cattle. Farmers try it.

A toad under a harrow

suffers no more than the faithful horse that is tortured with Spavins, Swinney, Harness Sores, Sprains, etc. Most horse owners know this and apply the kind of sympathy that heals, known far and wide as

Mexican Mustang Liniment.

Never fails—not even in the most aggravated cases. Cures caked udder in cows quicker than any known remedy. Hardly a disease peculiar to muscle, skin or joints that cannot be cured by it.

Mexican Mustang Liniment

is the best remedy on the market for Wind Galls, Sprains and Skin Lumps. It keeps horses and mules in condition.

GREENE & BROWN.

Miss Allie Estelle Greene, little daughter of Mr. and Mrs. Robert Greene, had many of her little friends with her Friday night at a party. All greatly enjoyed the occasion.

The "Beezy Time" had an exceptionally large audience in the opera house, Friday night, and they seem pleased with the show. There was a big lot of fun, but the price was entirely too high for the class of show.

Landed in Jail.

Christmas eve James Brown, colored, was in the barroom of R. A. Nichols, on Fifth street, and being too noisy Mr. Nichols ordered him to leave. The negro started out, but on reaching the door turned around and began shooting at Mr. Nichols, narrowly missing him. The negro was arrested and bound over to Superior court. Being heard making further threats against Mr. Nichols he was again arrested under a peace warrant and upon failure to give the required justified bond was committed to jail.

Miss Cropsey Found.

The body of Miss Nell Cropsey, who mysteriously disappeared at Elizabeth City a month ago, was found Friday in the river near that town. The Coroner held an inquest over the body and the verdict was that her death was caused by a blow on left temple and drowning. It is supposed that she was struck on the head and thrown in the river. Wilcox, the young man last seen with her, has been placed in jail and is guarded by the naval reserves. Sentiment is very strong against him.

Pulley & Bowen Fail.

This morning the firm of Pulley & Bowen, dry goods dealers, executed a deed of assignment for the benefit of their creditors, naming J. L. Wooten as assignee. The liabilities of the firm are placed at \$9,000 with assets estimated at \$6,000 to \$7,000. There is much regret at the failure of these young men, and all would be glad to see them on their feet again.

Got a Deserved Beating.

Thursday afternoon a negro went into the postoffice and approaching the general delivery window which was in charge of Miss Hellen Perkins, daughter of the postmaster, asked her to change some money. She could not make the change, whereupon the negro became insolent and spoke insultingly to her. Later Dr. J. W. Perkins, brother of the young lady, found the negro in Jolly's bar and gave him a severe beating over the head and face with the butt end of a pistol. There is general approval, expressed by both white and colored people, of the thrashing the insolent negro got.

Do Away With Fireworks.

There was enough reckless shooting of fireworks during Christmas to lead many people to the opinion that they should hereafter be entirely prohibited in the corporate limits. Several of those using fireworks shot them against store windows, in houses and at people, not seeming to care what damage was done or who was hit. Pistols were also fired at random on the streets. The best thing would be to stop fireworks entirely, and much annoyance and danger would be removed.
