NEWSY HAPPENINGS AND BUSINESS NOTES.

WINTERVILLE, N. C., March 19.

Talk about the sweetness of lark, the melody of the nightingale, or the warbling of the mocking bird, they are all hushed now and notes, lovely notes of the toot-e-toot-toot of the brass horn are heard in the land. Yes! we've got a brass band and oh, how delightfully pleasant to slumber and awake at the sound of the toot e-toot-toot of the brass horn. We love it! How can we help it! The genius and skill displayed will put lesser lights to shame. Anyway the horns and drums are here and what our boys don't know Prof. Frankenfeld will convince you later on.

If you miss getting one of Hunsucker Carriage Co's buggies at their special offer you will lose a bargain.

The A. G. Cox Mfg. Co. have sold more than twice the carts and wagons during the past six months ever sold before in same length of time. This shows people begin to know of their worth.

Misses Kate Chapman and Mimie Cox, J. E. Green and Josh Manning attended church at Black Jack Sunday.

Louis Lawrence, of Greenville, is here painting the new annex to the Missionary Baptist church.

Mrs. Z. V. Ricks, who has been visiting her father for some time, returned to her home at Whartons yesterday.

Miss Bessie Chapman, after making a very pleasant visit to Vanceboro, returned Sunday.

The Winterville Canning Co. has elected Josephus Cox as its President and preparations are being made to make this factory more successful than ever. Large quantities of tomatoes and other vegetables will be grown. Farmers should make a specialty of tomatoes as this is a profitable crop.

Mrs. Everett Stroud, of Ayden, came up Monday to visit Mrs. J. W. Sparks and returned home Tuesday.

The young ladies of the Philo-altean Society will give an entertainment next Friday evening. The public are cordially invited. The exercises of these entertainments are always of the highest order and these who attend assuredly have cause for congratulation.

Miss Dora Cox spent Saturday and Sunday with Miss Helen Galloway at Grimesland.

Rev. Fred McLahorn returned from Janesville, Friday.

B. W. Mosely, of Greenville, was here a short while yesterday.

If proper town authorities would give more attention to certain ordinances there would be nothing amiss.

Miss Cora Carroll was visiting friends in town Monday.

J. B. Galloway, of Grimesland, was here one day this week.

Farmers, don't let this cold wave throw you behind with your planting. Just buy one of our hand guano distributors to put out your guano with and keep your horse pulling the plow. This is the way to catch up with your work.

A sociable was given Tuesday night by Misses Hattie and Bessie Nichols at their home. Many of the young people attended and pronounce it a very enjoyable occasion.

The Prince Back Home.

Cuxhagen, March 18.—The Hamburg American Line steamer Deutschland arrived here at 6 o'clock this evening from Cherbourg, having on board Prince Henry, of Prussia, and his suite. The Deutschland was met in the roadstead by the German battleship Kaiser Wilhelm II, on board of which was Emperor William. His majesty greeted Prince Henry cordially. The Prince boarded the battleship, which afterwards started for Kiel.

Prince Henry said to an Associated Press reporter:

"I desire to send a last word through you to America, to say how deeply grateful I am for the measureless kindness I received while there. I tried to say this before I left but I want to say again that I am grateful for the cordial and generous manner in which the people and the President of the United States received me."

A Maryland man died the other day at the age of 105 years. He attributed his longevity to the fact that for the past fifty years he had consumed on an average a quart of whiskey and a pound of tobacco every week. Preserved in alcohol, as it were.—Wilmington Star.

CAROLINA & VIRGINIA TELEPHONE CO.

Long Distance Line that Connects Greenville With the Sea.

We are advised by the Gen. Supt. F. C. Toepelman that the final connections have been made between Greenville and Kinston, so that the long distance service of the Carolina & Virginia Telephone Company is now in practical operation to Morehead City, and all intermediate points.

Over 100 men have been steadily employed for eight months, and about one-half mile of completed line was finished each working day. The work of constructing these lines is an undertaking of considerable magnitude and must require a vast amount of capital.

Great credit is due the Companies for their efforts in connecting up with first-class long distance lines so large a score of territory in so short a time, over 1200 miles of toll lines having built in the last six years.

A cable is now being laid from Morehead City to connect Beaufort with the system.

The long distance service heretofore instituted, and operated has been found invaluable for its convenience and the facilitating of business, and the new lines just opened will simply be of much additional benefit to the business interests of the territory covered by the Henderson and the Carolina & Virginia Telephone Companies.

A man may be too poor to hire a lawyer and at the same time can afford to keep his own counsel.

IS THIS IT?

We aim to give you

1st. What you want, instead of what you ought to have--in somebody's opinion.

2nd. At a price which is fair to both buyer & seller.

3rd. With the best service we can command.

One the silliest emanations of the legislative mind is a bill in the New York General Assembly to make citizens who neglect to vote most liable to jury service. It would be much more to the purpose to exclude delinquent voters from this honorable service.

If it is true that the negroes are availing themselves of the benefits of the public schools and thus qualifying themselves for the use of the franchise while the whites are neglecting this most important matter, it means that the constitutional amendment is not working just as had been expected. But we are not worrying. The white man who is given an even chance with a negro and comes out at the little end of the horn is not worth worrying over.

ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE by our new invention. Only those born deaf are incurable. HEAD NOISES CEASE IMMEDIATELY. F. A. WERMAN, OF BALTIMORE, SAYS: BALTIMORE, Md., March 30, 1901. Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion. About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely. I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever. I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and today, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours, F. A. WERMAN, 730 S. Broadway, Baltimore, Md. Our treatment does not interfere with your usual occupation. Examination and advice free. THE WILCOX TRIAL.

Case Will Likely Close Thursday.

The Wilcox trial has been in progress at Elizabeth City since last Thursday afternoon, but as yet no new developments have been shown in the testimony. The prosecution claim that they will introduce evidence of a sensational and convicting nature before the State's side of the case is closed. The defense claims that the State is not making out a case of murder, though the coroner and two doctors testified that Miss Nell Cropsey's death was due to a blow on the head.

On Monday Miss Ollie Cropsey, a sister of the dead girl, was put on the stand. At the most trying part of her testimony she broke down and wept. The court room was so filled with emotion, nearly every one being affected by the scene, that business was stopped for a few minutes.

It is said that nine-tenths of the people of Elizabeth City believe Wilcox is guilty, yet they realize how hard it is to prove the fact. The case is being discussed everywhere as interest in it is wide spread.

LATER.—This morning's papers state that the sensational evidence did not develop, the witness Parker, who it was expected would throw new light on the case, failing to tell anything of consequence. The State rested its case Tuesday afternoon and the defense did not put on any evidence. It is thought the case will end Thursday.

His Sister Dead.

A telegram received today from T. W. McBryde, foreman of THE REFLECTOR, brings the sad intelligence that his sister died last night. This is the third member of the family to die within a week. His burden of sorrows grows heavier and his many friends in Greenville deeply sympathize with him in his great affliction.
