NEWSY HAPPENINGS AND BUSINESS NOTES.

WINTERVILLE, N. C., March 22.

For Sale—200 sets of tobacco flues for single furnace. 100 sets of tobacco flues for double furnace. These are for bars 16x16 measurement. We are also prepared to furnish flues for large size barns and can give you double return flues if you wish. The tramp preacher referred to in your paper a day or two since passed through here yesterday morning. Before leaving, however, he preached a sermon to our people that was full of good sense and sound reason. Many of our citizens showed their appreciation of his effort by voluntarily stepping forward and giving him money.

A. A. Forbes, of Greenville, spent Thursday night here teaching the band.

Rev. Mr. Blanchard came up yesterday from Kinston and will fill his appointment in the Missionary Baptist church next Sunday morning and evening.

Rev. W. H. Laughinghouse, of Greenville, was here a short while yesterday on a visit to his daughter, who is a student at the Winterville High School.

J. B. Higgs, of Greenville, was in to see us a short while Friday.

A couple, man and wife we suppose, passed through our town yesterday. They tarried just long enough to get through. They were headed for your burg.

Claude Chapman and wife, of Vanceboro, were visiting their parents, R. G. and Mrs. Chapman, last Sunday.

Miss Lena Dawson, of Littlefield, is visiting Miss Minnie Clinard at Dr. B. T. Cox's.

E. S. Hamilton went to Kinston Wednesday and returned Friday.

C. D. Hooks paid a flying visit to Goldsboro this week.

Mrs. Nancy Jones and grand child, of Graingers, are visiting F. M. Little near here.

C. A. Fair and John Nichols are out advertising the millinery Emporium of Mrs. C. A. Fair & Co., and the Greenville Steam Laundry.

Josh Manning wants somebody to do something desperate so "Bud Joe" can write and "spread" him self. Well if Josh will only tie up we will give him the "spread" of our lives. Jim Green says he'll jine and furnish the music. Next thing is the girl, and they do say Josh has found her.

Samuel Mumford, of Ayden, was here yesterday.

The exercises last night by the young ladies of the Philoallean Society are voted a grand success. This feature of the Winterville High School is very attractive and never fails to draw a large audience which always manifests its appreciation by expressions for a repetition of the occasion.

Josephus Cox, Esq., showed us a strong, vigorous tobacco plant last Thursday with six leaves. Who can beat it? Mr. Cox is one of our most progressive farmers.

PLAY AT WINTERVILLE.

By Pupils of the High School.

The young ladies of the Philoallean Society of the Winterville High School gave another delightful entertainment Friday night. They presented the drama entitled "For the Blue or the Gray." The play represented a Southern boarding school during the civil war. The daughter of a Southerner who lived in the North was in love with a Northern soldier, and to prevent a marriage her father sent her to the Southern boarding school with the request that she be watched closely. As the other girls learned of her love story they became interested, and a sympathy was aroused that led all, including the teacher, in planning for her to meet her lover. All the parts of the play were well rendered. The characters taken were as follows: Madame (the Teacher)—Miss Mayme Ives. Mee Fordet (French Instructor)—Miss Jennie Newell. Eleanore Hamilton (the Heroine)—Miss Katie Chapman. Juliet (Colored Servant)—Miss Ida Moore. Rosy (Irish Servant)—Miss Minnie Cox. School Girls—Misses Gay John-

son, Addie Cox, Sudie Beddard, Mamie Galloway, Lala Chapman and Hennie Ragsdale.

During the entertainment instrumental music selections were rendered by Misses Mimie and Dora Cox, Bertha Newton, Myrtie Proctor, Helen Galloway, Mollie Bryan, Wilmouth Sutton and Elizabeth Jones.

A chorus "I've Gwine Back to Dixie, by Misses Maggie Laughinghouse, Lizzie Burney, Maud Lassiter, Minnie Clinard, Hattie Kittrell, Myrtie Proctor and Venetia Cox was very much enjoyed.

The entire entertainment reflected much credit to the participants and the school. A large audience was present.

Cure Effected by Hypnotism.

Miss Cleve Weathers, who fell and fractured her knee cap and sustained other serious injuries last fall, is now up and out again. She had not walked any for several months until Mr. Sam. H. Harris, who is here on business from Charlotte, hypnotized her, and since then she has been constantly improving. She has completely regained the use of her limbs and was up street last week for the first time in several weeks.—Cleveland Star.

SICK MADE WELL WEAK MADE STRONG.

Marvelous Elixir of Life Discovered by Famous Doctor-Scientist That Cures Every Known Ailment.

Wonderful Cures Are Effected That Seem Like Miracles Performed--The Secret of Long Life of Olden Times Revived.

The Remedy Is Free To All Who Send Name and Address.

After years of patient study, and delving into the dusty record of the past, as well as following modern experiments in the realms of medical science, Dr. James W. Kidd, 2858 First National Bank building, Fort Wayne, Ind., makes the startling announcement that he

DR. JAMES WILLIAM KIDD.

has surely discovered the elixir of life. That he is able with the aid of a mysterious compound, known only to himself, produced as a result of the years he has spent in

searching for this precious life giving boon, to cure any and every disease that is known to the human body. There is no doubt of the doctor's earnestness in making his claim and the remarkable cures that he is daily effecting seems to bear him out very strongly. His theory which he advances is one of reason and based on sound experience in a medical practice of many years. It costs nothing to try his remarkable "Elixir of Life," as he calls it, for he sends it free, to anyone who is a sufferer, in sufficient quantities to convince of its ability to cure, so there is absolutely no risk to run. Some of the cures cited are very remarkable, and but for reliable witnesses would hardly be credited. The lame have thrown away crutches and walked about after two or three trials of the remedy. The sick, given up by home doctors, have been restored to their families and friends in perfect health. Rheumatism, neuralgia, stomach, heart, liver, kidney, blood and skin diseases and bladder troubles disappear as by magic. Headaches, backaches, nervousness, fevers, consumption, coughs, colds, asthma, catarrh, bronchitis and all affections of the throat, lungs or any vital organs are easily overcome in a space of time that is simply marvelous.

Partial paralysis, locomotor ataxia, dropsy, gout, scrofula and piles are quickly and permanently removed. It purifies the entire system, blood and tissues, restores normal nerve power, circulation and a state of perfect health is produced at once. To the doctor all systems are alike and equally affected by this great "Elixir of Life." Send for the remedy today. It is free to every sufferer. State what you want to be cured of and the sure remedy for it will be sent you free by return mail.

Look the Fact in the Face.

The progress of a bad cold toward galloping consumption may be terrible sudden. Don't let this ugly fact frighten you, but when you begin to cough take Allen's Lung Balm, that stops the cough by curing the cold. Preparations containing opium, merely quiet the cough for a time. There is no narcotic drug in Allen's Lung Balm. Sold by all druggists.
