NEWSY HAPPENINGS AND BUSINESS NOTES.

WINTERVILLE, N. C., April, 2. This evening in the city of Goldsboro Rev. Bryan Jackson will be united in marriage to Miss Alice Raspberry. Mr. Jackson is an old Pitt county boy and after his marriage he will bring his wife to visit his parents who live near here.

Miss Effie Kittrell spent from Friday to Monday visiting the family of her uncle, W. J. Kittrell, of Grifton.

Mr. and Mrs. Lou Highsmith went to Grindool Saturday to attend the burial of Mrs. Highsmith's sister, who died the day previous.

Prof. G. E. Lineberry and A. G. Cox returned from the union meeting at New Hope, Sunday afternoon.

A very large crowd went from here Sunday to attend church at Bethany.

Messrs. Jackson and Roberson, of Greenville, were visiting R. G. Chapman last Sabbath.

Rev. Mr. Eure, of Greenville, filled his appointment here and we hear his sermon very highly spoken of from many sources.

Miss Mimie Cox was visiting Miss Willie Sutton, of Kinston, from Friday until Monday morning.

Mrs. C. A. Fair & Co. will have their opening Saturday, the 5th. All the ladies are specially invited to attend and see her new and fresh line of millinery. Her goods have just arrived and the most fastidious will not fail to be pleased. Be sure to attend or else you will miss a treat.

The Easter exercises by the Episcopal Sunday school were very interesting and something entirely new with many of our people.

W. A. Darden, of Greene county, was here Monday and purchased a large lot of wire fencing.

Miss Lydia Roach, of Johnson's Mills, is visiting Misses Bessie and Kate Chapman.

Miss Rosa Cox and Jeter Jackson left on the train yesterday to attend the marriage of the Rev. Bryan Jackson at Goldsboro.

Our two jelly road walkers as usual footed it to Greenville Saturday and tramped it back Sunday. They like the capital city on the meandering Tar.

April didn't fool us but two times, once it was that pretty little of somebody else's, and the other was Frankie.

Miss Annie Sparks, of Kinston, who has been visiting her brother, J. W. Sparks, for some time, returned to her home yesterday.

Delegates to Convention.

At the meeting of the Vestry of St. Paul's Episcopal church, held Tuesday night, the following delegates and alternates were elected to the convention which meets at Elizabeth City in May:

Delegates—A. M. Moore, R. R. Cotten, H. Harding and W. B. Brown.

Alternates—W. F. Mewborn, Harry Boyd, W. L. Brown and Charles Skinner.

Rev. F. H. Harding, the Rector, has received a call to Baltimore, but the Vestry decided to put forth every effort in the hope inducing him to remain here.

GO WAY BACK AND SIT DOWN!

Or sit down anywhere you want to—you don't have to stand up, if you are wearing a pair of our kind of Trousers. Some men would rather stand up all day than run the risk of making their Trousers bag at the knees by sitting down. Here's a chance for these men to have rest. Our Trousers are cut by expert Trouser cutters—well made—and sure to fit, in any position. If you have had

TROUSER TROUBLES,

try a pair of our kind and sit down and take a rest. All late patterns and every pair cut to fit.

THE AMERICAN MONTHLY REVIEW OF REVIEWS

THE AMERICAN MONTHLY REVIEW OF REVIEWS is commended by Statesmen, Professional men and thousands of others prominent in the world's activities, for its fine discrimination in sifting the actual news from conflicting report and the presentation of current events in their just proportion. They comment on its freedom from daily-paper sensationalism. All men and women who want to know what the world is doing find it an intellectual necessity, to judge from the letters received from hundreds. Its editorials are comprehensive, and labor saving to the busy man or woman. Its timely contributions on important topics are by the best-informed writers. Its reviews of other magazines give the best of their best work. It is profusely illustrated.

These letters will enable all thoughtful men and women to judge of its value to them.

PRESIDENT

"I know that through its columns 'Review of Reviews,' and approximately views have been presented to me that I could not otherwise have had access to; because all earnest and thoughtful men, no matter how widely their ideas diverge, are given free utterance in its columns."—Theodore Roosevelt.

EX-PRESIDENT

"I consider it a very valuable addition to my library."—Grover Cleveland.
"It is a publication of very great value. I have sometimes found there very important matter indeed which I should not otherwise have discovered."—George F. Hearst, U. S. Senator, Massachusetts.
"I am a constant reader of the 'Review of Reviews,' and appreciate it very highly indeed. I think it is a very important part of my library, and practically a necessity for one in public life."—J. B. Foraker, U. S. Senator, Ohio.
"It is one of the best and most satisfactory publications of the day."—Charles W. Fairbanks, U. S. Senator, Indiana.
"I do not have a great deal of time to read magazines, but I take pleasure in saying that the 'Review of Reviews' is among the number which finds a place on my table each month."—James K. Jones, U. S. Senator, Arkansas.

Send for particulars as to how it can be had with an invaluable set of books for 50 cents a month.

WEDNESDAY, APRIL 2, 1902.

Dr. Dred Peacock, who has for eight years been President of Greensboro Female College, has resigned. He will be succeeded by Mrs. Lucy H. Robertson, who has for 18 years served as lady principal of the college.

Here is a marriage out of the ordinary. Albert T. Patrick, who last week was convicted of the murder of millionaire Rice, in New York, and sentenced to be electrocuted, was married Sunday to Mrs. Addie M. Frances, the woman with whom he boarded prior to his arrest. The marriage took place in the toms.

Dr. Hutchinson, an English expert on leprosy, expresses the opinion that it is caused by eating improperly cured salt fish. An American expert sometime ago expressed the opinion that it was caused by eating too much fresh fish. That's how experts differ.—Wilmington Star.

Speaking of the lynching of a negro car porter in Colorado a few days ago for a fiendish assault on an aged woman, an exchange remarks that "human nature is much the same in the West as it is in the South." Under the circumstances it wouldn't be much human nature if it wasn't.—Wilmington Star.

Mr. R. B. Glenn, of Winston, issues an address announcing his candidacy for the United States senate. He does this now in order to set at rest all doubt as to the fact of his candidacy. He favors the primary. He says of it:

"Both our national and state conventions have declared for the election of senators by popular vote, and a primary is now the nearest thing possible thereto. Our last convention ordered a primary, thus voicing the people's wishes, and giving every democratic voter a voice in selecting the candidate.

"As to when the primary should be held, I care not. If at the general election, I will make my campaign for the whole ticket. If before or after the election I am willing to adopt the course of having nothing to say, or to follow the South Carolina method, and go around the state so that every one can hear our views on all the issues."

He has many friends around the state, is a vigorous campaigner and will make it interesting for his opponents.—Wilmington Messenger.

HEARNE & COMPANY, GROCERS.

Queer Kind of Fishing.

The natives of Tutuila, one of the islands of Oceania, have a peculiar method of catching fish. At a given signal all the inhabitants of the village assemble on the seashore to the number of about 200 persons, each carrying a branch of the cocoa palm. With these in their hands they plunge into the water and swim a certain distance from the shore, when they turn, forming a compact semicircle, each one holding his palm perpendicular in the water, thus making a sort of sieve. The leader of the party then gives a signal, and the fishers all approach the seashore gradually in perfect order, driving before them a multitude of fishes that are cast on the sand and killed with sticks.

A Household Necessity.

A family medicine chest is one of the necessities in the household, and every housewife should understand how to use its contents. There should be a place for keeping all the bottles and packages together, although it be nothing better than an upper shelf in the closet or pantry. Then they can be found without loss of time, which is not the case where the bottles are left scattered about on the windows and mantels.

The home medicine chest should contain a bottle of camphor, some good liniment, a few doses of quinine in capsules, sweet oil, castor oil, paregoric, flaxseed, mustard, sulphur, vaseline, linewater and various other things that have been tried and found good.

Should any member of the family be severely burned cover the burned portion with linseed oil and lime-water; then wrap it with cotton wool. Allow it to remain twenty-four hours.

Lurking on Street Corners

and in the cars are vagabonds of all sorts whose cold touch sets the flimsy of neuralgia and rheumatism at their work of torment. Modern magic in the form of Perry Davis' Painkiller, conquers the ills and restores peace of mind with comfort of body. You will save yourself many a day of misery by keeping this good old remedy in the house. There is but one Painkiller Perry Davis'.

TOBACCO TRUCKS.

Tobacco farmers can get the best Tobacco Truck on the market this season from W. O. Barnhill, who is manufacturing the French patented by C. B. Tripp & Son. This is not only the best Truck, but it is easiest to handle between the rows and at the price is the cheapest sold. Leave your order with W. O. BARNHILL, Greenville, N. C.

ARE YOU DEAF?

ANY HEAD NOISES?

ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE

by our new invention. Only those born deaf are incurable.

HEAD NOISES CEASE IMMEDIATELY.

F. A. WERMAN, OF BALTIMORE, SAYS:

BALTIMORE, Md., March 30, 1902.
Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion.
About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely.
I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that unless an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever.
I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and today, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you very truly yours,
F. A. WERMAN, 720 S. Broadway, Baltimore, Md.

Our treatment does not interfere with your usual occupation, and is free. YOU CAN CURE YOURSELF AT HOME at a nominal cost.

Misses Nina Grimes and Sadie Beverly spent Tuesday in town.

M. O. Blount spent Tuesday at Stokes on business.

There are two citizens of the United States who are eminently fitted to be minister to the new republic of Cuba, and they are of course General Fitzhugh Lee and Governor General Wood. Lee had fine opportunities as consul general at Havana for studying the people and the country previous to the war with Spain and Wood has had since. Both during their official service in Cuba pleased the people of the United States and won the friendship of the Cubans. President-elect Palma, of Cuba, speaks in the highest terms of each. The South would naturally prefer to see the place given to Lee. Certainly it is the eternal fitness of things that the choice should be between these two.—Charlotte Observer.

Merely a Reminder.

Bear in mind that Perry Davis' Painkiller is just as good for internal as for external troubles. It will stop the agonizing cramps in the bowels which follow exposure to cold and wet when taken internally and will cure strains, sprains and bruises when applied externally. It should be administered in warm water, slightly sweetened. There is but one Painkiller, Perry Davis.

Fire at Williamston.

Monday night the Martin & Biggs furniture factory, at Williamston, together with several thousands dollars worth of lumber, was destroyed by fire. The loss is estimated at \$25,000 with about \$11,500 insurance. A large number of hands are thrown out of employment by the fire.

It Was Splendid.

The amateurs scored a great success in rendering Hazel Kirk in the opera house Tuesday night. A large house greeted them, and nothing but praise is heard from all who were present. The drama is a heavy one that would do credit to stage professionals, yet the amateurs rendered their parts with the highest skill, the entire play being faultless. There were no tedious delays as so often occur between the acts, but everything moved with utmost precision. Greenville has some talented young people and they added to their reputation on this occasion. The play reflects much credit both upon the actors and the management.

The exercises by the children of the town at the M. E. church on Easter were very good.

The seines near here are all pulling for what they are worth but that don't seem to be much. The catch of shad is very slim, smaller than ever was known before.

O. W. Gaskins went to Greenville Thursday to take a prisoner to jail, Elias Coward, colored, who had been stealing hogs from the Nottingham and Wren Co.

The farmers near here give in a plenty of young tobacco plants now, and if nothing prevents they can get all their crop set out early.

W. E. Williams, of Baltimore, was here Monday.

The Charleston edition of THE REFLECTOR gives an interesting sketch of what is to be seen at the exposition as well as lots of information. Several are talking of going from here.
