This is Greenville's

Fastest Growing Store.

WHY?

BECAUSE no other store Anywhere is so diligent in the interests of the buying public to which it looks for support.

BECAUSE nothing but absolutely reliable merchandise is admitted here at any price--that point is of vital import.

BECAUSE the prices we ask are the lowest known to the merchandise world for goods of the quality we sell.

BECAUSE every sale that we make is backed by an absolute personal guarantee of satisfaction to the smallest detail.

BECAUSE every thing is done to promote your personal comfort while shopping, and to fulfill the most exacting requirements.

And so we might continue to name reason after reason almost without end. No really careful buyer will pass the offers we make without investigating them. Look at this double column full of Economy opportunities for this week:

White India Linen, White Persian Lawns, White Piques. The prices start at 5c and by an easy rising scale run up as high as 75c.

OUR RALEIGH LETTER.

Special Correspondent of Reflector.

RALEIGH, N. C., May 12.

As I am about to begin this letter a well-known gentleman and Democrat nudges me under the fifth rib and says:

"Truly we have fallen upon strange times when the leading 'organ' of our party makes of its leading editorial article a complaint against Senator Pritchard (Rep.) for recommending a man for postmaster in a 'certain town' because that man was a Democrat two years ago and wore a 'red shirt'—a man whom our organ says was in the last campaign one of the less than a dozen in that community who wore a red shirt; he was a fire tried, die in the fight Democrat then; he is understood to be a 'Pritchard Democrat' now, whatever that may mean."

Come to think of it, it does look a little out of the ordinary run of campaign argument, but if one is to judge by the present outlook the coming campaign promises to be an unusual one in North Carolina in more respects than one.

MATTERS OF CONCERN.

The annual banquet to be given in New York by the North Carolina Society of that city (May 20th) this year promises to be one of the most enjoyable of all such occasions in its history. The Society has a membership of nearly 400, with W. W. Fuller, Esq., formerly of Raleigh and later of Durham as its president. Among its guests next week who will speak on the occasion will be Senators Pritchard and Simmons and ex-Senator Ransom.

Trinity College hopes to secure Secretary of State Hay to deliver an address during its commencement exercises. And Charlotte invites President Roosevelt to come down on May 20.

One of the most interesting of all the political races in the Congressional districts of this State this year will be that between Congressmen Klutz and Blackburn (assuming that both will be re-nominated by their respective parties), both of them now being in the new Seventh district. The district, according to the vote of two years ago, ought to be Democratic by some 800 majority.

One million young shad have just been deposited in the Cape Fear river, between Fayetteville and Wilmington, by an agent of the U. S. Commission.

At the Communication of the Grand Lodge of Masons at Oxford on St. John's Day June 24, it is stated that the matter of locating the new Masonic Temple will be taken up. Several cities are bidding for it, notably Raleigh, Charlotte, Durham and Greensboro.

G. B. Patterson, a leading lawyer of Maxton, will contest with Congressman Bellamy for the Democratic nomination in that (Sixth) district. The new Sixth District is composed of Bladen, Brunswick, Columbus, Cumberland, Harnett, New Hanover and Robeson.

A Special Communication of the Grand Lodge of A. F. & A. Masons of North Carolina will be held at Greensboro on 26th for the purpose of laying the corner-stone of the new building to be erected at the State Normal and Industrial College.

Cushion Sole Shoes

A perfect boon to tender or corn-troubled feet. They are unquestionably the shoe of shoes for tender feet. To begin with, they combine graceful style, handsome appearance and comfort. Then the prices are right. The best of leather. Latest lasts and toe shapes. All sizes and widths. There is satisfaction in every shoe. Gennine "Cushion Sole" Shoes require no "breaking-in." They are fitted with soft, non-conducting leather-covered "Cushion Soles" which, while conforming to the shape of the foot, do not lump-up. They are perfectly easy, noiseless and act as a cushion to your every step. The soles being non-conducting, keep your feet at an even temperature in all weathers. It is the ideal shoe for tender feet. Step in and see this shoe. Try it on. You will be surprised at the absolute foot comfort it will give you.

The Charlotte Observer is hard to get ahead of. Sunday's issue not only printed the much discussed letters of Judge Clark, but also gave them in fac-simile, showing the letters just as they are. These letters, by the way fully refute the charges made by Major Wilson against Judge Clark and exonerate him from duplicity. We believe the controversy so far has made friends for Judge Clark rather than take any from him.

WASHINGTON LETTER.

From Our Regular Correspondent

WASHINGTON, D. C. May 12.

All last week in the Senate was spent in debating the Philippine bill and the prospects are that all this week will be spent in the same way. Senator Dubois tells me that he expects to address the Senate on the subject and Senator Bailey told me that he would probably do so. Senator Foraker will speak for the republicans and probably Senator Spooner. The democrats feel that they will be derelict in their duty if they do not completely expose to the public the situation in the islands and the probable results of the republican policy which is un-American in every detail.

The sudden death of three democratic members of the House of Representatives early last week, Messrs. Cummings, Otey and Salmon, seemed about to be followed by another on Friday when delegate Smith, of Arizona, exhausted with his efforts in behalf of the Territorial Omnibus bill, concluded a speech in favor of the bill and fell insensible with a slight stroke of apoplexy. Fortunately, however, Mr. Smith soon showed signs of recovery and is now regarded by his physicians as out of danger. The bill passed the House with the provisions, that the constitutional convention of New Mexico might change the name of that territory on its becoming a state, and that the convention of Oklahoma should adopt an irrevocable statute to the effect that the Federal government should have the privilege of attaching to the new state any or all of Indian Territory at any time.

There has been prevalent in Congress a grave suspicion that the affairs of the War Department in the Philippines have been administered with a lavish hand. The figures disclosed by the voluminous documents forwarded to the House in regard to the Pacific transport service, and which were elicited from the Secretary of War only by the most peremptory resolution, immediately led to the belief that similar methods had been pursued in the Philippines and a

resolution was passed by the Senate calling for information. To this resolution Mr. Root has replied that he cannot furnish figures during this session of Congress because they are almost inextricably involved with other statistics of the department. If such is the case, it is argued, the accounting methods of the War Department must be sadly lacking in system, but the more plausible explanation and the one generally accepted, is that the Secretary realizes that the figures will cast serious reflection on his party and that he has, in view of the approaching elections, concluded to suppress them for the present. His course is liberally condemned even by the leaders of his own party who argue that the public soon forgets but will not forgive being kept in the dark.

Instructions to List Takers.

The North Carolina Corporation Commission, in its capacity of a State Tax Commission, has sent out instructions to the list takers in the various counties. These instructions state that all property subject to taxation must be placed on the tax list at its true value in money and further say:

It has been claimed that there is a rule in North Carolina among assessors and tax listers to intentionally undervalue property, and instead of putting it on the list at its true value in money, to assess it at two-thirds or three fourths of its value. This is a remarkable contention in view of the tax laws that have existed in North Carolina since the Constitution of 1868; but if such rule ever did exist in the State, or in any part of it, there can be no use for excuse for it in the future."

It generally takes a woman to mend a man's ways.

Some people never marry because they have conscientious scruples against divorce.

He Knew.

When General Sherman said "war is hell" he knew that war was--when he made it. Page 494, of the serial volume 79 of the Federal Record, is credited with the following order of General Sherman, sent October 29, 1864, to General Watkins: "Canot you send over about Fairmont and Adairsville, burn ten or twelve houses of known secessionists, kill a few at random and let them know that it will be repeated every time a train is fired on from Resaca to Kingston? The expression "kill a few at random" has a fine flavor of barbarity that would do credit to an Apache. On October 19 of the same year he wrote to General Grant the details of his method of of convering war into "hell:" "I am perfecting arrangements . . . to break up the railroad in front of Dalton, including the city of Atlanta, and rush into Georgia, break up all its railroad and depots, capture its horses and negroes and make desolation everywhere." Sherman and Sheridan have the distinction of having set the hand on the dial of civilization back two centuries and fixed a lower standard of conduct in war than has been reached by any civilized nation since 1865.—Baltimore Sun.

The latest in the big gun line is the invention of a Norwegian, who claims that his gun, an electric one, will throw a projectile weighing two tons ninety miles. If they had a few of them over in the Philippines they might shell the woods and extend our jurisdiction. Admiral Dewey said it extended in shore as far as our guns could throw a ball.—Wilmington Star.

MISS ROSE OWENS,

No. 720 Seventeenth St.,

WASHINGTON, D. C.

"If every suffering woman has the same experience with Wine of Cardui that I had, your medicine will be most popular. About a year ago I began to have a worn out tired feeling with lassitude, pains in the back and head which kept increasing every month. I felt that I needed something, but to get the right medicine was the trouble. I finally decided on your Wine of Cardui and only needed to take three bottles when I was fully recovered."

Miss Rose Owens.

WHEN Miss Rose Owens, who has a responsible position in the Government service at Washington, D. C., decided to try Wine of Cardui, she made a wise choice. Over a million women have been relieved of female weakness by this same Wine of Cardui. It is not a strong medicine but may be taken every day in the year by any woman with benefit. It does not force results, but corrects derangements of the menstrual organs. It strengthens the nervous system, gives tone to the bodily functions, acts directly on the genital organs, and is the finest tonic for women known to the science of medicine.

If you are a suffering woman we would say to you that Wine of Cardui seldom fails to completely cure any case of female ills. We say emphatically, it never fails to benefit. Every day hundreds of sufferers are writing to our Ladies' Advisory Department. The letters are opened by persons competent to give advice. Mrs. Jones was cured by following the advice which was freely given her by the Ladies' Advisory Department. Miss Owens was cured without advice by just buying a \$1.00 bottle of Wine of Cardui from her druggist and taking this great medicine in the privacy of her home. No doctor's examination, treatment or advice is necessary. You have read what these two cured women have written. Is this not enough to lead you to determine to be rid of suffering?

August 13, 1900, Mrs. W. H. Jones, of Cameron, Mo., writes:

"I suffered terribly at monthly periods for three years. I would sometimes go for seven months with no flow at all. Now I have my health back again and am expecting to be confined in January. I cannot praise your medicine enough."

WINE of CARDUI

A million suffering women have found relief in Wine of Cardui.

After the business was disposed of there came the usual quotations, also the guessing contest, which were enjoyed by all. Mrs. Shelburn won the first prize and Mrs. J. J. Perkins the second.

At 10:30 o'clock we were served with dainty refreshments by our hostesses, who in their easy and gracious manner know so well how to make it pleasant for every one. We then bade each other a reluctant good night to meet with Mrs. Schultz Monday evening, June 2nd, 1902.
