

Ricks & Wilkinson

This is Greenville's

Fastest Growing Store.

WHY?

BECAUSE no other store Anywhere is so diligent in the interests of the buying public to which it looks for support.

BECAUSE nothing but absolutely reliable merchandise is admitted here at any price--that point is of vital import.

BECAUSE the prices we ask are the lowest known to the merchandise world for goods of the quality we sell.

BECAUSE every sale that we make is backed by an absolute personal guarantee of satisfaction to the smallest detail.

BECAUSE every thing is done to promote your personal comfort while shopping, and to fulfill the most exacting requirements.

And so we might continue to name reason after reason almost without end. No really careful buyer will pass the offers we make without investigating them. Look at this double column full of Economy opportunities for this week:

NEWSY HAPPENINGS AND BUSINESS NOTES.

WINTERVILLE, N. C., May 23.

Some folks call our town a manufacturing town and it is, too. And some of the self same folks say the writer of these items is a manufacturer also, but we deny the charge. We have ever adhered to the truth from earliest infancy and expect to until we die. Just because Winterville is going to be a great big town some of these days and we brag about it, they say we are funny. Plague take a man who has got a good thing and won't crow over it. We've got lots of good things here and we are going to "Blow" just as much as we please. This town is growing, and don't you forget it, brother.

H. A. White, Charlie Cobb, J. L. Sugg and W. T. Lipscomb, of Greenville, have all been to see us this week. These are a clever set of gentlemen and our special friends.

Miss Laura Cox, who has been a student at the Raleigh Female Baptist College, came home Thursday.

Miss Lala Chapman is visiting Miss Leila Roach, of Coxville, for a few days.

John L. Phelps, of Plymouth, Deputy Internal Revenue Collector, has been here this week.

The gentleman who has the examination for rural free delivery in charge, is here investigating the third route proposed from this place. An examination for carrier will be had one day soon.

Miss Huldah Keel, of Greenville, is visiting Mrs. C. T. Kittrell this week.

Mr. W. A. Dail and Miss Hettie Barber were married last Wednesday evening at the home of the bride's mother. There was quite a large crowd in attendance and the ceremony was performed by Eld. C. L. Little in his usual impressive style. We tender our hearty congratulations.

Rev. C. W. Blanchard will fill his regular appointment in the Missionary Baptist church here tomorrow and tomorrow night.

Rev. Mr. Wines preacher of the Methodist Conference preached for our people last Sunday afternoon.

WASHINGTON LETTER.

From Our Regular Correspondent

WASHINGTON, D. C. May 23.

The debate on the Philippine bill, which still occupies the attention of the Senate, was marked by a very able speech by Senator Bacon, of Georgia, on Tuesday in the course of which the Senator compared the concentration camps in the Philippines with those established by Weyler in Cuba. The speech as a whole was conservative but for that very reason its more powerful passages caused the republicans, who have attempted to justify the administration's policy in the islands, to writhe under the scathing charges of the Georgia Senator. It is now anticipated that the bill will be disposed of on Thursday of next week.

It is safe to assume that the Philippine bill will be followed by the Nicaraguan Canal bill and that, in turn, by the Cuban reciprocity bill. Were there harmony in the republican ranks the Cuban bill would be next considered as that is the wish of the President and the republican leaders, but the insurgent beet sugar senators are still firm in their opposition and in the hope that the approaching heated period and the pressure from the House for adjournment will break their resistance the consideration of the Cuban bill will be postponed, unless Senator Platt can come to some agreement in the meantime by which he may feel assured of the prompt passage of a Cuban reciprocity measure.

It is a sad commentary on the perspicacity—or the reliability of the Washington correspondents that so little news has gone out to the country in regard to the infamous measure which recently passed the Senate at the instigation of the Pennsylvania Railway Company. This bill, which conveys to the company named funds and privileges estimated as being worth nearly \$7,000,000 provides for the erection of a "union" depot and the elevation of railroad tracks within the city limits. It is the second measure in favor of which Senator Hanna has seen fit to speak at this session of Congress, the first having been the Ship Subsidy bill.

The House, after days of consideration, has at last passed the Naval Appropriation bill. An amendment which makes it illegal to purchase any copies of Maclay's history for use in the Naval Academy at Annapolis was adopted and also one changing the title of what are now "naval cadets" to "midshipmen". The most significant feature of the debate which led to the prohibition of the Maclay history was the statement of Representative Dayton, of West Virginia, that after the record of the Schley Court of Inquiry had been read by the members of the House there might be a Congressional investigation of Admiral Schley's case. This is considered a direct affront to the President who has ordered that the Schley affair be considered closed.

Marvelous Elixir of Life Discovered by Famous Doctor-Scientist That Cures Every Known Ailment.

Wonderful Cures Are Effected That Seem Like Miracles Performed—The Secret of Long Life of Olden Times Revived.

The Remedy Is Free To All Who Send Name and Address.

After years of patient study, and delving into the dusty record of the past, as well as following modern experiments in the realms of medical science, Dr. James W. Kidd, 2858. Baltes Building, Fort Wayne, Ind., makes the startling announcement that he

DR. JAMES WILLIAM KIDD.

has surely discovered the elixir of life. That he is able with the aid of a mysterious compound, known only to himself, produced as a result of the years he has spent in searching for this precious life giving boon to cure any and every disease that is known to the human body. There is no doubt of the doctor's earnestness in making his claim and the remarkable cures that he is daily effecting seems to bear him out very strongly. His theory which he advances is one of reason and based on sound experience in a medical practice of many years. It costs nothing to try his remarkable "Elixir of Life," as

he calls it, for he sends it free, to anyone who is a sufferer, in sufficient quantities to convince of its ability to cure, so there is absolutely no risk to run. Some of the cures cited are very remarkable, and but for reliable witnesses would hardly be credited. The lame have thrown away crutches and walked about after two or three trials of the remedy. The sick, given up by home doctors, have been restored to their families and friends in perfect health. Rheumatism, neuralgia, stomach, heart, liver, kidney, blood and skin diseases and bladder troubles disappear as by magic. Headaches, backaches, nervousness, fevers, consumption, coughs, colds, asthma, catarrh, bronchitis and all affections of the throat, lungs or any vital organs are easily overcome in a space of time that is simply marvelous.

Partial paralysis, locomotor ataxia, dropsy, gout, serofula and piles are quickly and permanently removed. It purifies the entire system, blood and tissues, restores normal nerve power, circulation and a state of perfect health is produced at once. To the doctor all systems are alike and equally affected by this great "Elixir of Life." Send for the remedy today. It is free to every sufferer. State what you want to be cured of and the sure remedy for it will be sent you free by return mail.

The General Conference of the Methodist Episcopal church, in session at Dallas, Texas, has elected Dr. E. E. Hoss, of Tennessee, and Dr. A. Coke Smith, of Virginia, bishops.

MRS. HELENA BLAU,

Young Milwaukee Society Woman.

TEN thousand cured women have written to tell how Wine of Cardui bestows the blessing of health on every woman who takes it, rich and poor alike. Mrs. Helena Blau, No. 123 Seventh Street, Milwaukee, Wis., is one of the young women whom Wine of Cardui has rescued from a life of suffering. She writes:

Mrs. Helena Blau.

"Wine of Cardui is certainly 'women's best friend' and I am pleased to give my experience with it. A few months ago I caught a severe cold, having been out in inclement weather, which settled all over me, particularly in the abdomen. I was in almost constant pain. I consulted a physician and took his medicine for a month and without any relief. I then decided I would try your medicine and it was a lucky day for me when I did so. I noticed a change in a few days and felt encouraged to continue taking Wine of Cardui, and my patience was rewarded, for in two weeks my pains had left me and I felt like a new woman."

The woman who has suffered from female weakness should do anything within reason to secure health. Wine of Cardui is the medicine that appeals to reasonable women—women who hold operations and cutting in horror—women who know that Nature is the best physician. Wine of Cardui gives women back their health by giving Nature a chance to build up the wasted and diseased tissue. Wine of Cardui regulates the menstrual flow and Nature, when relieved of the drains or of the poisons in the system, makes the functional organs strong and healthy again.

Any woman who is silently suffering untold pains because she is too sensitive to undergo a physician's examination and treatment can find no excuse for not securing relief when Wine of Cardui is offered to her. There is no publicity to deter her. She can take Wine of Cardui in the privacy of her home, with as much assurance of a final cure as though a dozen doctors recommended it. Many physicians do recommend Wine of Cardui to their patients.

WINE of CARDUI

A million suffering women have found relief in Wine of Cardui.

A BRICK PLANT.

Would Pay Handsomely in Greenville.

As much building as is going on in Greenville all the time, it does look like some of our people would see the need, as well as profit, of establishing a plant here for making brick. Every year hundreds of thousands of brick are shipped here, while we believe they could be made just as cheap at home, save the freight to the consumer, and give employment to a large number of hands.

Take the sash, door and blind factory as an example. For years Greenville had to depend on getting all these building materials from elsewhere. Finally the Greenville Manufacturing Co. was organized and went to making these things, and now they have one of the most convenient and best paying enterprises in Greenville.

And it will be the same thing if a brick making plant is established. It will stimulate building by making material easier to get and will prove a paying investment for those who engage in it. Somebody start for a brick plant, and don't be long about it.

Will Play Tomorrow.

Mr. C. E. Young, the agent of the Equitable Life Insurance Co. who has been stopping here some days, will preside at the organ at the service in the Baptist church Sunday morning. Mr. Young is a skilled organist and it will be a pleasure to hear him.

PROSPEROUS ENTERPRISE.

Something Greenville is Proud Of.

The stock holders of the Greenville Manufacturing Company held a meeting Thursday and re-elected the old officers, as follows:

President—J. G. Moye.

Vice-President—O. Hooker.

Sec. and Treasurer—C. S. Carr.

Directors—J. R. Moore, J. A. Andrews, R. W. King, E. G. Flanagan and C. B. West.

The stockholders were highly pleased with the progress of the plant for the past year. Dry kilns have recently been added and the factory is better prepared than ever to fill orders promptly. They turn out the best work—that has ever been used in Greenville. All kinds of wood work needed about, buildings are manufactured by them and we are glad they are full of orders all the time.

This is the kind of enterprise that helps Greenville, and the town ought to have others.

The Orphans.

The singing class from the Oxford Orphan Asylum, in charge of Mr. J. Clyde Turner, came in this morning and will give a concert in the opera house tonight. They should have a large audience.

Miss Emma White, one of the teachers at the Asylum, is also with the class to direct the music. The class will attend service and do the singing at the Baptist church Sunday night, and the collection will be for their benefit.
