Ricks & Wilkinson

This is Greenville's

Fastest Growing Store.

WHY?

BECAUSE no other store Anywhere is so diligent in the interests of the buying public to which it looks for support.

BECAUSE nothing but absolutely reliable merchandise is admitted here at any price--that point is of vital import.

BECAUSE the prices we ask are the lowest known to the merchandise world for goods of the quality we sell.

BECAUSE every sale that we make is backed by an absolute personal guarantee of satisfaction to the smallest detail.

BECAUSE every thing is done to promote your personal comfort while shopping, and to fulfill the most exacting requirements.

And so we might continue to name reason after reason almost without end. No really careful buyer will pass the offers we make without investigating them. Look at this double column full of Economy opportunities for this week:

White India Linen, White Persian Lawns, White Piques. The prices start at 5¢ and by an easy rising scale run up as high as 75c.

NEWSY HAPPENINGS AND BUSINESS NOTES.

WINTERVILLE, N. C., May 31.

If you have a small milk cow for sale See F. O. Cox. He is wanting one.

In our last we crowed a little bit too soon about crops, but we don't give up in spite of cold snaps, cyclones and other mishaps, old mother earth in this part of the globe has never failed us yet. We still hope for and believe we shall have big crops and a plenty of peaches, too. The farmers needn't stop smiling yet. We are in good heart and you know that's a good sign.

Miss Minnie Quinn, of Greenville, came down on Wednesday's train and left for home next morning.

More than one half of the tobacco trucks used in Pitt county will be of the Tyndall patent. This is strong argument in favor of the Tyndall truck. You can get them of the A. G. Cox M'fg Co., any day you may come after them.

Miss Effie Kittrell attended the commencement at Grifton Thursday night and returned home Friday morning. She was accompanied by two of her little cousins.

Eddie Humilton went to Kinston Thursday night.

Misses Mimie Cox and Kate Chapman, who have been visiting friends in Ayden for several days, returned on Wednesday morning's train. There were several out to the train that morning.

A. G. Cox M'fg Co., are laying in a big supply of cart wheels. You may not need a pair just now, but we want to remind you that they are making you a pair and you can call at any time for them.

Trade seems to be right lively with the Hunsucker Carriage Co., judging from the shipments they are making.

Sim Chapman and sister, Miss Lala, after spending several days at their old home, near Calico, came home Friday morning.

Wiley Brown, Jim Starkey and J. C. Lanier, all of Greenville have been down to see us this week. They are all gentlemen of the auburn lock order. There was another from the same place, though of not so ruddy a glow, who also came to see us, and that was our clever friend Bob Moye. Clever set, these are.

Mrs. Minnie McGlohon, of Littlefield, and Mrs. John Nelson, of Kinston, have been visiting Mrs. Joe Edwards during the week.

Lex and John Thigpen, who have been living here for quite a while, have returned to their homes near Hill.

Mr. and Mrs. A. G. Cox were visiting friends in Ayden yesterday.

Fresh paint and new timber is no unusual sight, but in every direction can be plainly seen their effects and it is encouraging as well as exhilarating.

The Winterville High School is getting out a catalogue for the next term of school. We expect they will send you one in about two weeks, if not, just apply and we will see that you get it.

The Best Prescription for Malaria Chills and Fever is a bottle of Grove's Tasteless Chill Tonic. It is simply iron and quinine in a tastless form. No cure, no Pay. Price 50c.

Men's Low Shoes.

YES, WE ARE MAKING SOME CONSIDERABLE NOISE ABOUT OUR LOW SHOE STOCK, AND AND WE HAVE A RIGHT TO DO SO—OUR DISPLAY JUSTIFIES IT. YOU'LL NEED A PAIR—EVERYBODY IS GOING TO WEAR THEM THIS SEASON.

THEY ARE FAR MORE COMFORTABLE THAN HIGH SHOES for SUMMER WEAR

Give your feet a chance to breathe. There are MANY NEW STYLES out. Come and make your selection now, while the assortment is unbroken. Any size—any fashionable toe shape—any width—any suitable leather—

\$2.50, \$3.00, \$3.50 and \$5.50

are a few of the prices.

MOTH TRAPS ARE A HUMBUG.

RALEIGH, N. C., May 30.

EDITOR REFLECTOR:

My attention has been called to the fact that the "Moth Catcher" is now on sale in Greenville, and as one whose duty it is to study insects and devise remedies for them, I wish to state that this device is a delusion and a snare. The trap will catch a great many insects, just as will any light, even the lamps on our tables, but they catch large numbers of insects that are beneficial, as well as those that are injurious. The parent of the worm in the fruit of the apple is not attracted by it, and all its claims are greatly exaggerated. It is a pure farce to claim that the use of these traps is to supersede spraying, for the control of any species of pest.

Those who are foolish enough to purchase this device are easily deceived into thinking it is beneficial, by the number of insects caught, but as before stated it is a pure deception. Better buy a good spraying pump, take care of it, and use it, if you wish to fight insects.

Those who desire information concerning insect pests or remedies for them, are invited to communicate with the writer, who, being employed to give this information, has nothing to sell, and has no connection with any firm which deals in traps, or insect destroyers of any kind. Always send specimens of any insect you wish to inquire about. They may be sent in tight wooden, tin, or pasteboard box, should be marked on the outside with the name of the sender and accompanied by letter in envelope by itself.

HEARNE & CO., GROCERS.

THE JUSTNESS OF THE ARCHITECT OF THE UNIVERSE.

As terrifying as has been the destruction of St. Pierre by volcanic eruption, it will not be surprising if within a short time after the lava cools and the ashes cease falling an even more populous city will spring up. There is something in humanity which defies death from such causes and even finds a charm in the act. A burnt child may dread the fire, but when he grows up he will not abandon the use of it on that account.

Martinique is said to be one of the most beautiful spots on earth and if it were not for the danger from the volcanoes and from the snakes which infest the island it would be a veritable paradise. This is doubtless true and is additional testimony to establish the fact that the Architect of the Universe did His work with an equal cunning as regards the whole. If we take into consideration the advantages and disadvantages of the habitable portions of the entire earth it will be found that they are well balanced. Alaska, for instance abounds in gold, but the climate is a great drawback to living there; the most fertile portions of the United States often lack good water or some other of the necessities of life; the tropics grow vegetables so luxuriantly that man can live in idleness and yet the life he is enabled to lead is hardly worth the living, even were his existence not in jeopardy from members of the animal kingdom. These things are likely to cause

citizens of various sections to ask how their States fare in the distribution of gifts, and when it is worked out the North Carolinian will have cause to congratulate himself and find good reason to remain at home, for while many desirable gifts are withheld from his country he certainly drew no more of the undesirable than was his share.

Suffering for Rain.

Mr. W. M. Smith, of the Falkland section, was here today and said his neighborhood had not had a good season for crops since the first of March. It has been especially bad on tobacco, being too dry to set out plants, and most of the plants set out have died. The prospects of a tobacco crop in his neighborhood are poor.

Mr. A. J. Whichard, of the Grindle creek section, also tells us that over in his neighborhood the same condition prevails, and crops are suffering greatly for want of rain.

"ARION TRIO."

Musical Concert in Opera House.

Greenville will be given the opportunity of enjoying a royal and magnificent musical entertainment on Tuesday evening, June 3rd, at the opera house, by the "Arion Trio," a company of young ladies of Red Springs Seminary, composed of Miss Celeste L. Seymour, Violinist. Miss Katherine Vardell, Soprano. Miss Lida Law, Pianist. These Ladies are musical celebrities, and are North Carolinians. The concert is given for the benefit of the Christian church and all lovers of fine artistic music will have the opportunity of spending a most delightful evening under the soul inspiring strains of sweetest music.

The "Arion Trio" gave a most thrilling concert at the Charleston exposition on "North Carolina Womans' Day," April 10th, 1902, in the auditorium, and was the feature of the day. Many North Carolinians were present, quite a number from Greenville, all of whom were charmed. Through the instrumentality of the Ladies Aid Society of the Christian church the trio have been induced to come to Greenville. All are requested to attend and enjoy the splendid musical concert, Tuesday night at 8:30 o'clock. Programme will be furnished at the opera house.

Admission 35 cents, reserved seats 50 cents.
