This is Greenville's

Fastest Growing Store.

# WHY?

BECAUSE no other store Anywhere is so diligent in the interests of the buying public to which it looks for support.

BECAUSE nothing but absolutely reliable merchandise is admitted here at any price--that point is of vital import.

BECAUSE the prices we ask are the lowest known to the merchandise world for goods of the quality we sell.

BECAUSE every sale that we make is backed by an absolute personal guarantee of satisfaction to the smallest detail.

BECAUSE every thing is done to promote your personal comfort while shopping, and to fulfill the most exacting requirements.

And so we might continue to name reason after reason almost without end. No really careful buyer will pass the offers we make without investigating them, Look at this double column full of Economy opportunities for this week:

### TOWN ELECTION.

#### The Next Board of Aldermen.

In the town election for Aldermen, held Monday, everything passed off very quietly and all the nominees of the primaries were elected except in the first ward. In that ward D. S. Spain was run against E. M. McGowan and came out ahead, the vote being Spain 51, McGowan 39.

In the Second ward L. C. Arthur and Chas. Cobb, the nominees, each received 23 votes.

In the Third ward E. B. Ficklen and B. F. Patrick, nominees, each received 51 votes.

In the Fourth ward only the nominees were voted for, R. L. Carr receiving 77 and W. R. Parker 74.

In the Fifth ward all the votes cast, 31, were for B. F. Tyson.

So the next Board will be composed of D. S. Spain, L. C. Arthur, Chas. Cobb, E. B. Ficklen, B. F. Patrick, R. L. Carr, W. R. Parker and B. F. Tyson. They will go in office July 1st. All are good men and a splendid management of town affairs can be expected.

#### A Pleasant Day.

Mrs. R. R. Cotten noted for her hospitality, entertained the End of the Century Club at Cottendale Thursday, May 29th.

Each guest was received with a cordial welcome, and at once declared at ease, that being the chief characteristic of the charming hostess.

Miss Sallie and Mr. Preston Cotten accommodatingly sang several selections, which were thoroughly enjoyed. In the cake walk, they were joined by Mrs. Cherry and soon the house was in an uproar of laughter.

Mrs. Grimes sang "The Rosary" which was also enjoyed and appreciated.

Luncheon was served at 3 o'clock, covers being laid for twelve. Promptly at 4:30 o'clock the Club was called to order and at once business was proceeded with. The Literature committee made their report and the program for the year's work adopted. The magazines and books were drawn for, each absent member being represented. The old President, Mrs. Jarvis, retired from the chair and the new President, Mrs. Cotten, was given the seat.

A rising note of thanks was extended to the retiring President for her efficient services during the past year.

The hostess had a "Rebus" entertainment, but as the contest was not fair, all were allowed to cut for the prize, Mrs. Niel Moore cutting the highest card and Mrs. Dick King the lowest.

Mrs. Cotten introduced a new feature, having five pickaninnies to cake walk. During the performance ices were served. This was an ideal scene of colonial days on a Southern plantation.

Too quickly time slipped by and when the hour for departure arrived it was with many regrets and best wishes that the hostess may live to an old age and that the End of the Century Club be entertained at Cottendale many times.

TUESDAY, JUNE 3, 1902.

NEWSPAPERS AS EDUCATORS.

Now that the entire country is waking up to the great importance of knowing things and an intellectual era is close at hand, there is one factor that should not be left unhonored.

Into almost every home some newspaper finds its way and the boys and girls who have begun to spell out their words, eagerly grasp the copy when it gets within the portals.

They take the home paper and relish every sentence their young minds can comprehend. A news paper is not like a stale history, an unreasonable reader, or a foolish primer, but it is full of live interesting matter. Tells of events that have just transpired and are happening now and the children become enthused over the knowledge they gain from the weekly, semi-weekly or daily visits of the product of the new press.

People that they know are talked of and it is but natural that the young mind will soon learn to go further into the current history as recorded by these regular issues and before long they find themselves capable of discussing questions in an intelligent manner, questions that effect the welfare of their society, politics and home.

Then it newspapers are performing this function in the onward march of the literary world, they should receive the hearty support of every citizen in the community, in which they they are published.

We ask you, in all sincerity, is there a means of educating your boys and girls, that is in closer reach than a county newspaper? You can send them all to this school fifty two weeks in a year for the insignificant sum of \$1.00. Will you allow them to grow up in total ignorance of what the outside world is doing, because you are unwilling to give them \$1.00 for twelve months schooling.

Think over this and act upon it. —Wadesboro Courier.

The Reformatory Movement.

The News has noted little in the State press of late concerning a State reformatory. It seems to us that no work that has been undertaken in the State in years has stronger claims for the unanimous support and encouragement of the press and people. With the establishment of this institution it will be possible to reclaim the erring youths of the State now while they are young and not hardened in crime, if its establishment should not be delayed longer than is necessary. The noble women of the State are to make it their work and they deserve and should have the aid and encouragement of the State press.—Charlotte News.

The State press evidently does not think much of the reformatory movement. Sober second thought has presented the matter in a different light altogether. In the

first place who would become the inmates of your reformatory? Go to your court house records and ascertain. Had you stopped to consider that?

An asylum to reform youthful negro criminals! They would not want anything better than such a place to be taken care of and educated. And the State (aided even by the good women) would not be able to provide an institution big enough to accommodate them.

No, it is not a reformatory that we want, but a change in the statute laws. Give the trial justices final jurisdiction of all minor offences—petty thieving and the like—and establish the whipping post as the mode of punishment, and no reformatories will be needed and the counties saved unnecessary expense in dealing with such cases.—Henderson Gold Leaf.

Ready to Yield.

A Real Friend.

"I suffered from dyspepsia and indigestion for fifteen years," says W. T. Sturdevant of Merry Oaks, N. C. "After I had tried many doctors and medicines to no avail one of my friends persuaded me to try Kodol. It gave immediate relief. I can eat almost anything I want now and my digestion is good. I cheerfully recommend Kodol." Don't try to cure stomach trouble by dieting. That only further weakens the system. You need wholesome, strengthening food. Kodol enables you to assimilate what you eat by digesting it without the stomach's aid. John L. Wooten.

Daughters of the Confederacy.

Reported for The Reflector.]

The T. J. Jarvis chapter of the Daughters of the Confederacy met with Mrs. Jarvis, in pursuance of call, this morning at 10 o'clock in memorial of Jefferson Davis.

Mrs. Jarvis gave a brief sketch of President Davis, his scholarly attainments and public career.

A resolution was passed expressive of the deep sympathy of the chapter for their sister member, Willie Ragsdale, in the loss of her lovely and beloved mother, Mrs. Elizabeth Sutton Ragsdale.

Spring Fever.

Spring fever is another name for biliousness. It is more serious than most people think. Atorpid liver and inactive bowels mean a poisoned system. If neglected, serious illness may follow such symptoms. DeWitt's Little Early Risers remove all danger by stimulating the liver, opening the bowels and cleansing the system of impurities. Safe pills. Never gripe. "I have taken DeWitt's Little Early Risers for torpid liver every spring for years," writes R. M. Everly, Mountsville, W. Va. "They do me more good than anything I have ever tried." John L. Wooten.

### SUBSCRIPTION CONTEST.

Among The Daily Reflector Carriers.

THE DAILY REFLECTOR wants  
more subscribers. There are many  
people in Greenville who read the  
paper every day yet are not sub-  
scribers, and there are others who  
may not see the paper. Every one  
should be a regular subscriber for  
two reasons, if no more. First,  
they ought not to be willing to let  
somebody else pay for their read-  
ing matter. Second, they ought to  
feel that they are doing their part  
in helping their home paper be a  
credit to the town and work for its  
advancement

To enlist the co operation of all  
in this direction, a special effort  
will be made during this month to  
induce every non-subscriber in  
town to become a patron. To ac-  
complish this our carrier boys are  
going to make a house to house  
cavass during the month. To  
stimulate the boys in their work  
they will each be paid a commis-  
sion on all the subscribers secured.  
The boy bringing in the largest  
number of new subscribers will also  
receive a prize of \$2.50 in gold,  
and the one bringing the next  
largest list will get a prize of a  
silver dollar.

There are no conditions to the  
contest except as follows: The  
contest will be confined to the  
three carrier boys of THE DAILY  
REFLECTOR—Kinchen Cobb, John  
Bagwell and Clifford Tyson, though  
any one can help either of them in  
getting subscribers. The boys can  
have as many sample copies of the  
paper as they desire and can work  
anywhere they please. Only cash  
new subscribers will be counted,  
but every month's subscription re-  
turned will count one—for instance  
any one who subscribes can pay as  
many months in advance as they  
please and it will count a corres-  
ponding number for the boy bring-  
ing it in.

Now let the good people help  
themselves, help THE REFLECTOR  
and help the boys by subscribing.  
The boys are going to hustle after  
you.

### MASONIC TEMPLE.

Early Erection is Now Assured.

The undertaking of Greenville Lodge No. 284, A. F. & A. M. to build a temple has made such progress as to warrant the success of their enterprise. Some months ago the Delaney property on Third street, adjoining the court house square, was purchased for that purpose. Since then the committee has been quietly but actively at work maturing plans. Bonds have been prepared and will soon be placed on sale. Many of these bonds have already been engaged and there will be no trouble in disposing of the remainder. As soon as a certain amount of the bonds are sold work on the building will begin. The temple will be three stories, the first floor containing offices, the second a modern opera house, the third lodge rooms.

This temple will be an ornament to Greenville and a credit to the Masonic fraternity. The town and entire community should be greatly interested in the enterprise.
