Died.

Miss Virginia House, a maiden lady aged about 50 years, died a few days ago at the home of her brother, Mr. William House, four miles from Greenville. She was also a sister of Mr. D. T. House and was highly esteemed by a large number of friends and relatives.

Dainties for the Table.

SCALLOPED HAM.—To two cups of finely chopped ham add one cup of chopped hard boiled eggs and two tablespoonfuls of capers, also one teaspoonful of mustard moistened with water, and a little pepper. Capers may be omitted. Blend the dry ingredients and mix with one large cup and a half of hot white sauce. Butter a pudding dish and fill with the mixture. Dust the top with buttered bread crumbs and place in the oven to brown.

FIG CRACKERS.—Put a few dried figs in a very little water and simmer to soften only. Drain and chop fine, making a paste with a little whipped cream. Spread between wafers and press two together.

LAMB CHOPS, ITALIAN STYLE.—Remove the bones from the chops, press the meat into circles and fasten in shape with small tooth-picks before they are broiled. Season and serve on a bed of macaroni covered with tomato sauce. Macaroni may be boiled or baked.

MINT SHERBET.—Add crushed mint leaves to boiling lemonade. Strain and freeze.

NEWSY HAPPENINGS AND BUSINESS NOTES.

WINTERVILLE, N. C., June 7.

Glory.—We wish we could find something to write about that would electrify the world, stir up the nations and bring about such a conglomeration of thought and expression as to make somebody think we were somebody and there should be no mistake about it. That would be glory, and glory galore, don't you think so? We do.

The closing exercises of the Free Will Baptist Seminary at Ayden drew large crowds from this place and surrounding country. The occasion is spoken of highly and is said to have proven most creditable to the school.

The A. G. Cox Mfg. Co. have received quite a large number of testimonials commendatory of their Economic Back Bands, the following being one of them: "Replying to yours of 13th. Our sales on Economic Back Bands increase each season, which we consider is sufficient evidence of their popularity with the trade. We find that when once introduced they make friends and merchants have no trouble to sell them afterwards, they appeal so strongly to the intelligent farmer's idea of usefulness, economy and humanity.—Yours truly, N. Jacobi Hdw. Co. Wilmington, N. C."

Mrs. H. M. Dixon and children, who have been visiting the mother of Mrs. Dixon at Wharton, returned yesterday evening.

Mrs. T. R. Tyndall, after spending several days with friends, has returned home from Grifton.

Mrs. Barnes Summerell left for her home in Ayden Friday afternoon.

Prof. A. A. Forbes, of Greenville, after spending several days with the band boys here, left for home on Friday morning's train.

"Pig" Forbes is a jolly old soul and carries sunshine where'er he goes. Our folks will always be glad to see him.

Herbert White, of Greenville, was with us a short while on business, Thursday.

The first ripe whortleberries of the season made their appearance on our streets last Wednesday.

F. O. Cox hasn't got that cow yet. Don't send a car load. One is all he wants.

Lex Thigpen, of Hill, spent one day and night here this week.

Many people from way up in upper edge of Greene, Wayne and Wilson counties have been here this week after their Tyndall Tobacco Trucks than which there is none better.

We hope none of our young people will feel offended at our failure to make personal mention this week, but so many have been coming and going our space will not admit of it.

Spring Fever.

Spring fever is another name for biliousness. It is more serious than most people think. Atorpid liver and inactive bowels mean a poisoned system. If neglected, serious illness may follow such symptoms. DeWitt's Little Early Risers remove all danger by stimulating the liver, opening the bowels and cleansing the system of impurities. Safe pills. Never gripe. "I have taken DeWitt's Little Early Risers for torpid liver every spring for years," writes R. M. Everly, Moundsville, W. Va. "They do me more good than anything I have ever tried." John L. Wooten.

Men's Shoes!

Need a Pair?

We should think you would. We don't see how any man can get through the summer without a pair of

OXFORDS

Your feet deserve to be made comfortable and you neglect the first principle of summer comfort if you fail to wear LOW SHOES. Guess we make more profit on high shoes than on low; but in summer with low shoes we make more friends. Men's best LOW SHOES made of the most popular and modern lasts, Patent Leather, Patent Kid, Russia Leathers, Vici Kid, etc.,

\$1.50, \$2.00, \$2.50, \$3.00 and \$3.50.

FOSSILS AND THEIR USES.

All scientific and quasi scientific institutions keep vast collections of the remains of prehistoric ages—both vegetable and animal—for the purpose of proving certain historic truths about the wonderful climatic changes, and consequently the proportionate changes in the vegetable and animal kingdom, during different periods of the world's history. To the general public these are of course valueless, but their value is known and prized by the scientists.

Then there are others—fossils in human form, and yet living, though somewhat out of their sphere—being merely the survivors of a very remote age—the unprogressive age, perhaps, judging from the attitude they assume towards all manner of improvements. They prefer the old wooden plow of the ancients to the modern sulky cultivator, the old fashioned hawk bill sickle to the harvesting machine, the use of coal oil for street lighting to electricity, the old stage coach to the fast flying palace car, the use of wells and springs instead of water works for city purposes, and so on ad infinitum.

We once knew of one of these fossils in a neighboring town who made a speech against a certain improvement then being advocated. He was bitter in his opposition, and fought it at every turn. When he finished his speech before the mass meeting, he was replied to with, "you are a fine fellow to oppose an improvement like this, which promises so much for our town, when you haven't added as much as a shingle to your own house in twenty years." And it was so.

Why we even have some of these same interesting relics of a bygone age here in Greenville in this day of push and progress. They are opposed to graded schools, water works, electric lights, and all public utilities of like nature, things so essential to the progress of any town—absolute necessities in this bustling age before there can be any material advancement.

But such characters have their uses. They show how easy it is to become satisfied with ancient usages, and how hard to break away from old ways, to throw away century ago ideas for present day inventions and discoveries, and serve to strengthen the faith and intensify the enthusiasm of those who favor twentieth century methods for the betterment of our conditions.

This is the purpose they serve,

simply to demonstrate a truth, otherwise they would be entirely valueless.

You Know What You are Taking
When you take Grove's Tasteless Chill Tonic because the formula is plainly printed on every bottle showing that it is simply Iron and Quinine in a tasteless form. No Cure, No Pay. 50c.

Rhny-Balsam Relieves Right Away
and makes a speedy end of coughs and colds.

People who come here occasionally ask what makes Greenville grow so. It just can't help growing. The people come and we have to make room for them. You can't hold down a town like this.

Leads Them All.

"One Minute Cough Cure beats all other medicines I ever tried for coughs, colds, croup and throat and lung troubles," says D. Scott Currin of Loganton, Pa. One Minute Cough Cure is the only absolutely safe remedy which acts immediately. Mothers everywhere testify to the good it has done their little ones. Croup is so sudden in its attacks that the doctor often arrives too late. It yields at once to One Minute Cough Cure. Pleasant to take. Children like it. Sure cure for grip, bronchitis coughs. WASHINGTON LETTER.

From Our Regular Correspondent

WASHINGTON, D. C. June 6.

Late Tuesday afternoon the Lodge Philippine bill was passed in the Senate by a vote of 48 to 30. The only democrat who voted for the bill was Senator McLaurin of South Carolina. Senators Hoar, Mason and Wellington, republicans, voted against the measure. The fifteen minute speech delivered by Senator Mason on Monday, in which he explained his reasons for opposing the bill, was a manly utterance replete with humanity and common sense and would have swayed the opinions of any less partisan hearers than his republican colleagues. Speaking of his position later, Senator Mason said to me, "I am afraid it will hurt me but I could not conscientiously support the policy of which the Lodge bill is a confirmation." The

bill will now go to the House for action but the republican leaders expect to report one of their customary drastic rules for its consideration and anticipate that the power of the party whip will secure its prompt passage, practically without debate.

The Nicaraguan bill is now being considered in the Senate and the House has under consideration the bill for the protection of the President which passed the Senate some time ago. The present prospects are that a substitute bill will be passed or at least that many radical changes will be made in the measure which passed the upper chamber.

The Cuban reciprocity problem is causing untold worry to the President and the republican leaders and numerous conferences have been held at the White House. The latest and most annoying complication is a substitute bill proposed by Senator Dietrich, of Nebraska. The Senator's plan consists in abolishing the differential on refined sugar, adding a similar percentage to the duty on raw sugar and then allowing the Cuban planters a 25 per cent discount from the total duty. This plan would give the Cubans a 25 per cent advantage in American markets and would not increase the cost to the consumer but would curtail, to some extent, the profits of the Sugar Trust. No objection is urged against the plan except by the friends of the trust; the President approves the substitute and it offers an opportunity for the now divided factions of the republicans to get together. It remains to be seen, however, how strong the influence of the Sugar Trust is in the Senate for it is freely predicted that the Trust is too powerful in the upper chamber to permit any legislation detrimental to its monopoly.

MISS MONIE BOWEY,

No. 38 Perry Street,

DETROIT, MICHIGAN.

A couple of winters ago I slipped on a frozen sidewalk and fell flat on my back. On being examined I found that I had sustained internal injuries which laid me up for more than two months. After that I noticed that I had pains in the back and groin which I never had before. I doctored and doctored for several months but as the pains increased instead of growing better I decided that I was not having the right treatment. Reading in the papers of the wonderful cures performed by Wine of Cardui I wrote to one of the parties and received a very satisfactory reply and I immediately sent for some. In a very short time I felt generally better and after seven weeks faithful use I was once more well and strong. I have never had a sick hour since and I daily bless your splendid medicine.

Miss Monie Bowey.

Wine of Cardui makes women more womanly by curing their weakness and making them stronger. Wine of Cardui cured Miss Bowey. As a medicine for all women in every trying period of their lives can you think of a better medicine for yourself, your sister, your daughter or your mother? Can you think of a more acceptable present to give your friend than a bottle of this medicine which will bring her health and happiness? You are suffering? Your duty is to rid yourself of this pain. If your daughter, mother, sister or friend is sick and in need of relief, your duty is equally great to them. Many women, now well, owe their lives to friends who brought them Wine of Cardui.

Wine of Cardui is adapted to women at any age in any walk of life. For the working woman it gives her strength for her tasks and better treatment than a doctor for very small cost.

MONIE BOWEY.
WINE OF CARDUI is one medicine that should always be kept on hand in every home for immediate use when female weakness first makes its appearance. Miss Bowey's painful and dangerous accident would not have resulted so seriously had she taken Wine of Cardui promptly.

WINE of CARDUI

A million suffering women have found relief in Wine of Cardui.

The Arion Trio, who were to have given a musical concert at the Opera House last Tuesday night, are here and will give a musical concert in the Opera House tonight for the benefit of the Christian church of Greenville. Everybody who can go will be more than repaid and highly pleased. Prof. Harry Harding, Superintendent of the Graded Schools of New Bern, was present at their concert in New Bern a short while ago, and pronounced it a most excellent entertainment and worthy the patronage of all the good people. After a week of work there is nothing more delightful and restful than the strains of sweet music rendered by lovely woman.

The Arion Trio will also sing at both services in the Christian church on Sunday.

Orders for **JOB PRINTING** are solicited. Best work.

A Real Friend.

"I suffered from dyspepsia and indigestion for fifteen years," says W. T. Sturdevant of Merry Oaks, N. C. "After I had tried many doctors and medicines to no avail one of my friends persuaded me to try Kodol. It gave immediate relief, I can eat almost anything I want now and my digestion is good. I cheerfully recommend Kodol." Don't try to cure stomach trouble by dieting. That only further weakens the system. You need wholesome, strengthening food. Kodol enables you to assimilate what you eat by digesting it without the stomach's aid. John L. Wooten.
