#### RESOLUTION OF SYMPATHY.

Whereas, on Sunday, June 1st, our Heavenly Father, in an allwise but mysterious providence, sent his white winged messenger to bear home the spirit of the beloved wife of our faithful teacher, Prof. W. H. Ragsdale, we, the members of his Sunday school class, desire to express our sincere heartfelt sympathy, praying Him who "doeth all things well" and who "tempers the wind to the shorn lamb" to help, comfort and strengthen him in this hour of great sorrow.

"Sometime, sometime we'll understand."

Resolved 1, That we appreciate and thank him for the effort he made to be with his class last Sunday.

2, That a copy of this be sent to the family, a copy to THE REFLECTOR, and one furnished the Sunday school to be placed on record.

To Destroy the Wild Onion Taste in Milk.

A gentleman told the writer that a tablespoonful or two of molasses, mixed in the feed for a cow that has eaten wild onions, will destroy the taste of the onions in the butter. He says he has seen it tried sufficiently. Give it a trial.—Asheboro Courier.

#### Ready to Yield.

#### NEWSY HAPPENINGS AND BUSINESS NOTES.

WINTERVILLE, N. C., June 14.

John Jacob Astor Vanderbuilt James Franklin Harrington and his span of pretty bays got back all right from the Aycock speaking at Farmville and none had a better time than they.

Mrs. L. N. Lancaster, of Vanceboro, Miss Clara Roach, of Coxville, C. F. Chapman and wife, of Calico, have been visiting the family of R. G. Chapman during the week.

Testimonial—To the Public.—It is my pleasure to add to the many words justly said in favor of the general satisfaction given in the various articles manufactured by the A. G. Cox Mfg. Co, especially the "Tar Heel Wagon and Cart." I have used them for a number of years, with very little or no repair. Their wheels are the best I ever used.—From One of Our Friends.

Work is steadily being done on the boys' dormitory and as we look across at its frame structure we imagine the boys will be delighted with their new home when they return.

Miss Eunice Cox, of Goldsboro, is visiting Misses Rosa, Minnie and Dora Cox this week.

It is no new sight for us to see a wagon loaded with a half dozen sets of flues and the horses prancing on their way out of town.

Yesterday was a warm dry day, yet the tobacco trucks were shipped out in good numbers. Others are still coming for them this morning.

Hunsucker Carriage Co. sent out four buggies yesterday morning for country delivery. This was a nice string of buggies and they also had a string of nice buggies. Did they have one string of buggies or two strings?

We know no one wants them, yet we are making a lot of nice coffins and can serve you promptly if you have to get one.—A. G. Cox Mfg. Co.

A negro sleight-of-hand performer has been giving exhibitions in our town for the last day or two.

Mrs. R. J. Proctor and little daughter, of Kinston, are visiting the family of her brother, J. W. Sparks.

Prof. W. H. Ragsdale, of Greenville, spent the day Wednesday with A. G. Cox.

The A. G. Cox Mfg. Co. showed us a pile of about 100 pair of cart wheels they have ready made and they are still making more. This is a nice dry season for such work and we never saw a better lot of wheels anywhere.

The tax lister was here Wednesday and will be here again today.

G. A. Kittrell has moved his family to town and occupies the C. A. Fair house on Academy street.

#### A Real Friend.

"I suffered from dyspepsia and indigestion for fifteen years," says W. T. Sturdivant of Merry Oaks, N. C. "After I had tried many doctors and medicines to no avail one of my friends persuaded me to try Kodol. It gave immediate relief. I can eat almost anything I want now and my digestion is good. I cheerfully recommend Kodol." Don't try to cure stomach trouble by dieting. That only further weakens the system. You need wholesome, strengthening food. Kodol enables you to assimilate what you eat by digesting it without the stomach's aid. John L. Wooten.

WASHINGTON LETTER.

From Our Regular Correspondent.

WASHINGTON, D. C. June 13.

Cuban reciprocity promises to be the rock which will inevitably rend asunder republican harmony and leave a feeling of antagonism between the party and the chief executive. The beet sugar senators still adhere to their position and refuse to permit any measure, granting reciprocity to Cuba at the expense of the beet sugar trust, to pass the Senate while Mr. Roosevelt insists that he will veto any measure which provides for a rebate of the duties. The testimony of Mr. F. B. Thurber that he had received \$2,500 from Mr. Have-meyer, president of the Sugar Trust, nearly \$9,000 from the War Department and various sums from other sources to circulate reciprocity literature will prove a serious obstacle to the efforts of the administration.

While the republican senators are quarrelling over reciprocity a few who are interested in an isthmian canal continue the debate in the Senate chamber but no genuine interest is manifested in the subject, except by those senators who have the project really at heart, and the orators who declaim on the merits of the respective routes do so to empty chairs. By unanimous consent Thursday, June 13th., has been set for the final vote. A number of the senators have left Washington for their summer vacations and others are making preparations to depart which proves how little they are interested in the remaining subjects for Congressional action.

The old saying that "murder will out" appears to be receiving another verification in the Treasury Department. It will be remembered that some time ago Mr. Wilbur F. Wakeman, then appraiser at the port of New York, preferred the most sensational charges against certain silk importers and certain government officials who had been party to the frauds. An attempt was made to suppress the charges. Lyman J. Gage, then Secretary of the Treasury, discountenanced the investigation, took sides with the silk importers, discredited Mr. Wakeman and eventually recommended

EVERYTHING THAT GOES TO MAKE A SATISFIED CUSTOMER.

HEARNE & CO., GROCERS.

Wakeman's dismissal, which recommendation, as it was urged by influential New York politicians, Mr. Roosevelt acted upon, but as it turns out against his own convictions. Mr. Wakeman, being sure of his facts, forced the issue with the result that Mr. Gage felt compelled to resign. But Mr. Wakeman was not even content with this. He wrote the President, who at first resented his letter, but subsequently ordered an investigation by a man whom he felt he could trust. As a result there has been received at the Treasury Department a report from this man, W. Wickham Smith, which is most sensational in its character and rumor has it that several persons will find themselves in jail and a number of reputations will be severely smirched when the affair becomes public.

R. J. Hennessee, a prominent farmer of Burke county, left his home about 9 o'clock Thursday morning to drive cows to the pasture. He did not return home, and that evening he was found dead in the pasture. Apoplexy is supposed to be the cause of his death.

Spring Fever.

Spring fever is another name for biliousness. It is more serious than most people think. Atorpid liver and inactive bowels mean a poisoned system. If neglected, serious illness may follow such symptoms. DeWitt's Little Early Risers remove all danger by stimulating the liver, opening the bowels and cleansing the system of impurities. Safe pills. Never gripe. "I have taken DeWitt's Little Early Risers for torpid liver every spring for years," writes R. M. Everly, Mountsville, W. Va. "They do me more good than anything I have ever tried." John L. Wooten.

Mallie Ottinger, a 10 year old son of Mr. Abe Ottinger, of Kingston, was drowned Thursday evening while swimming in the river.

Mrs. Laura S. Webb,

Vice-President of Women's Democratic Clubs of Northern Ohio.

THERE ARE MANY sickly women between the ages of 45 and 55, but there are very few invalids over 55 and 60 years of age. The change of life coming to a woman near her forty-fourth year, either makes her an invalid or gives her a new lease on life. Those who meet this change in ill health seldom live ten years afterward, while a woman who lays aside the active duties of womanhood in health seldom fails to live on in happiness, years after she has passed 60. This is truly a critical time.

Mrs. Laura S. Webb, of Toledo, Ohio, recognizes the change of life as a dangerous period and she also has faith in Wine of Cardui. She writes:

"As I had always been troubled more or less at the menstrual period, I dreaded

Mrs. Laura S. Webb.

the change of life which was fast approaching. While visiting with a friend I noticed that she was taking your Wine of Cardui, and she was so enthusiastic about it that I decided to try a bottle. I experienced some relief the first month, so I kept on taking it for three months and now I menstruate with no pain and I shall take it off and on now until I have passed the climax. I do not dread it now, as I am sure that your Wine of Cardui will be of great benefit at this time."

Wine of Cardui is the remedy to re-inforce a woman against the shock that comes with the change of life. It re-establishes healthy functions after years of suffering. In doing this it has saved thousands of sufferers just in time. Do not wait until suffering is upon you. Thorough preparations should be made in advance. Begin the Wine of Cardui treatment today.

WINE of CARDUI

A million suffering women have found relief in Wine of Cardui.

Don't Tamper With Mail Boxes.

We have read in exchanges about mail boxes on rural free delivery routes being tampered with or damaged. So far as we know there has been no inclination on the part of any one to trouble the boxes in this county, yet it might be timely to publish the following extract from the law:

"Whoever shall hereafter willfully or maliciously injure, tear down, or destroy any letter box or other receptacle established by order of the Postmaster General or approved or designated by him for the receipt or delivery of mail matter on any rural free-delivery route, or shall break open the same, or willfully or maliciously injure, deface, or destroy any mail matter deposited therein, or shall willfully take or steal such matter from or out of such letter box or other receptacle, or shall willfully aid or assist in any of the aforementioned offences, shall for every such offense be punished by a fine of not more than one thousand dollars, or by imprisonment for not more than three years."

Leads Them All.

"One Minute Cough Cure beats all other medicines I ever tried for coughs, colds, croup and throat and lung troubles," says D. Scott Currin of Loganton, Pa. "One Minute Cough Cure is the only absolutely safe remedy which acts immediately. Mothers everywhere testify to the good it has done their little ones. Croup is so sudden in its attacks that the doctor often arrives too late. It yields at once to One Minute Cough Cure. Pleasant to take. Children like it. Sure cure for grip, bronchitis, coughs." John L. Wooten.
