Great Cut in Prices of High Class

Wash Dress Fabrics and Silks

Although most houses wait until the end of the season to make reduction, it has never been our policy to do so. We put a time limit on goods, and if not sold within that period, they must go. This week we offer among other great values many of our finest novelties at prices far below cost of importation, an opportunity customers can thoroughly appreciate with the season all before them.

All of our White Goods, Lawns, Dimities, Silks, Chiffons, Mercerized Gingham, Piques, in white and figured, have been reduced 25 per cent.

Also 10,000 yards Challeys and Scotch Lawns 4½c yard. Fine sheer quality, pin dots, rosebud all over effects, fancy stripes and figures, white and tinted, full assortment. Lot not broken. (This quality elsewhere 7c yd.)

RICKS & WILKINSON

A Sensational Story Regarding a Plot to Kill Edward.

London, June 17.—A sensational story is current in London tonight of the discovery of a plot to assassinate King Edward. This story has created considerable discussion in newspaper and other circles, but it is lacking in anything like confirmation.

According to the current report King Edward's sudden illness at Aldershot was due to a cold but was merely an excuse withdrawing His Majesty from the function on the discovery by Scotland Yard detectives of a plot against his life. The principals in this plot have not yet been arrested. At Scotland Yard tonight the utmost reticence was maintained concerning the rumor. It was notable, however, that the chief inspectors who usually go home at night, were all on duty and refused to interview newspaper reporters, and declined to deny or confirm the rumor.

Some people have the unhappy faculty of saying the right thing at the wrong time.

Leads Them All.

"One Minute Cough Cure beats all other medicines I ever tried for coughs, colds, croup and throat and lung troubles," says D. Scott Currin of Loganton, Pa. "One Minute Cough Cure is the only absolutely safe remedy which acts immediately. Mothers everywhere testify to the good it has done their little ones. Croup is so sudden in its attacks that the doctor often arrives too late. It yields at once to One Minute Cough Cure. Pleasant to take. Children like it. Sure cure for grip, bronchitis, coughs." John L. Wooten.

GUN BOAT IN DISTRESS.

Pitt County Boys' Thrilling Experience.

The Washington Post of the 14th contained a special dated San Francisco, 13th, announcing the arrival there of the U. S. Gunboat Manila in a crippled condition. She had been picked up in distress off Point Bonita and towed into port by the tug Slocum.

The Manila had on board a crew of ninety seven men, ten officers and eighty four marines. On June 1st her high pressure piston broke. On the 4th a storm tore her sails to pieces. The vessel lay in the trough of the sea beyond central from 6 a. m. to 2:45 p. m., when the engine was finally started and headway was made. Then the steering gear got out of order and the vessel turned with a heavy sea aft. When the gear was repaired and the ships brought to a position of comparative safety she was 1100 miles from the port and outside the track of vessels.

The course was set for San Francisco and the vessel run with the low pressure engine. Good weather was met with until June 10th when a stiff gale came up and the vessel was forced to lie to for 24 hours. On the 12th the United States weather observer at Point Reyes sighted the Manila and the Slocum went to her assistance.

Mr. Lyman A. Cotten, son of our countryman Mr. R. R. Cotten, was one of the officers on the Manila. He telegraphed from San Francisco to his father on the 13th announcing his safe arrival there. It was a thrilling experience and Mr. Cotten's host of friends in Pitt will be glad to know he is back safe on his continent. He expects to visit his home people sometime during his stay in the United States.

O. W. HARRINGTON,
Sheriff.

A Real Friend.

"I suffered from dyspepsia and indigestion for fifteen years," says W. T. Sturdevant of Merry Oaks, N. C. "After I had tried many doctors and medicines to no avail one of my friends persuaded me to try Kodol. It gave immediate relief. I can eat almost anything I want now and my digestion is good. I cheerfully recommend Kodol." Don't try to cure stomach trouble by dieting. That only further weakens the system. You need wholesome, strengthening food. Kodol enables you to assimilate what you eat by digesting it without the stomach's aid. John L. Wooten.

GOING AWAY?

IF SO, see that your trunk contains a good stock of vacation stuff. You'll need Outing Shirts, Ties, Collars Cuffs, Fancy Hosiery, and perhaps

a suit of nice Underwear. All the fixings a gentleman needs and a good assortment of each sort at prices with which he will not think of finding fault. Step in before you leave.

THURSDAY, JUNE 19, 1902.

The Pasquotank county convention endorsed Hon. George H. Brown for Associate Justice of the Supreme court, and Hon. John H. Small for Congress.

Charlotte has become so enthusiastic over baseball that a club composed of colored women has been organized there. And it is said they play well. You don't lose Chaalotte.

The long looked for decision of the Supreme Court in the Greenville Bond case came yesterday and is adverse to the town. This is a very great surprise to many as it was pretty generally thought that the Bonds would be upheld, thought we might lose the school bill. It is reported, however, that all is lost. If this is true it behooves the town and the incoming board of Aldermen not to be discouraged but to go forward as best we can with what we have, and get more when we can.

Greenville's misfortunes come close together. The adverse decision to the town of the Supreme court in the bond matter takes away the prospect of having a graded school here for some time. And now comes the announcement of the discontinuance of the Masonic Hall School. This leaves the town without a female school. In order to give the town such a school the Masons have conducted one for two years, but they have no building now. If Greenville is to have a female school next fall our people can waste no time in arranging for it. One is certainly needed.

Easier to Bark Than to Work.

A dog hitched to a lawn mower stopped to bark at a passerby. The boy who was guiding the mower said: "Don't mind the dog; he is just barking for an excuse to rest. It is easier to bark than to pull this machine." It is easier to be critical than correct; easier to bark than to work; easier to burn a house than to build one; easier to hinder than to help; easier to destroy reputation than to construct character. Fault finding is as dangerous as it is easy. Anybody can grumble, criticise, or censure, like the Pharisees, but it takes a great soul to go on working faithfully and lovingly, and rise superior to it all, as Jesus did. —Ram's Horn.

The first kiss only comes once in a lifetime.

Spring Fever.

Spring fever is another name for biliousness. It is more serious than most people think. Atorpid liver and inactive bowels mean a poisoned system. If neglected, serious illness may follow such symptoms. DeWitt's Little Early Risers remove all danger by stimulating the liver, opening the bowels and cleansing the system of impurities. Safe pills. Never gripe. "I have taken DeWitt's Little Early Risers for torpid liver every spring for years," writes R. M. Evers, Moundsville, W. Va. "They do me more good than anything I have ever tried." John L. Wooten.

While the beer tax was on the brewers clamored for its reduction as an unjust imposition on them and a hardship to the beer drinkers. After July 1st the reduction from \$1.00 to 60 cents a barrel goes into effect, but there will be no reduction in prices, because they say the materials are so high. Thus they swipe 40 cents a barrel. —Wilmington Star.

Thirteen more of her mother's children, Mrs. Pennock says, had three sets of twins each, or a total of thirty-nine, making fifty-seven sets of twins, or 114 children in all. Mrs. Pennock was born in Sweden.

MASONIC ANNUAL MEETING.

The School Will Not Be Continued.

Greenville Lodge No. 284, A. F. & A. M., held its annual meeting today with a large attendance.

The following officers were elected.

R. Williams, W. M.

R. L. Carr, S. W.

J. R. Moore, J. W.

J. M. Reuss, Sec.

W. B. Wilson, Treas.

All other officers are appointive and will be announced at the public installation next Thursday.

The lodge decided to abandon the female school it has conducted for two years and will continue it no longer. This step was due to the burning in October of the old lodge building, and the inability of the committee to make satisfactory arrangements for another building in which to carry on the school.

Colored Marriage.

There was a swell wedding in the First Baptist church, colored. Wednesday night, the contracting parties being Staton Clark and Alvania Foreman. The ceremony was performed by Rev. R. L. Kearney. The wedding march was played by Walter Nettles and he did it well. There were ten couples of waiters. The church was tastily decorated for the occasion.

A large number of white people, probably as many as two hundred, were present to witness the marriage. These also had an opportunity of seeing what a nice church the colored Baptists here have. Recently new pews have been put in and these with the other finishings give the church a beautiful interior.

Resolutions of Respect.

Whereas, on June 1st, God in His almighty providence took from us our beloved sister, Mrs. W. H. Kagsdale, we, the members of the Woman's Mission Society of Memorial Baptist church, in testimony of our respect to her, do dedicate a page of our record book to her memory.

Also we assure her husband, children and all her relatives our deepest sympathy.

That we send a copy to the family, also to the Greenville REFLECTOR and Biblical Recorder with a request to publish.
