#### SIXTY DOLLAR PRIZE.

For Some Reflector Subscriber.

THE REFLECTOR has purchased a No. 9, ball bearing, rotary motion, drop head Wheeler & Wilson Sewing Machine, the retail price of which is \$60, and is going to make a present of this splendid machine to a subscriber of the paper.

The plan of giving away this valuable prize is as follows:

We have printed 1,000 tickets, numbered consecutively, and beginning the 1st day of August every person who pays \$1 on subscription either to THE DAILY REFLECTOR or THE EASTERN REFLECTOR will be given one of these tickets. Those who pay \$1 get one ticket, \$2 two tickets, and so on. It matters not whether you are an old subscriber paying up back dues or a new subscriber paying in advance, every dollar paid counts the same and gets a ticket.

One blank ticket has been sent to a person outside of the State to be numbered, the number to be known to no one but himself. This ticket after being numbered is sealed in two envelopes, these two enclosed in another envelope and mailed to Mr. J. L. Little, Cashier of the Bank of Greenville, to be kept in the bank by him until all the 1000 tickets are out, when the one at the bank will be opened and the number announced, and the person holding the ticket with the same number will be given the machine.

If you are already a subscriber

to THE REFLECTOR now is a good time to pay up all arrears and some in advance, getting a ticket for every dollar paid. The more tickets you get the larger number of chances you have at the machine. If you do not take THE REFLECTOR now is the best time to subscribe, get the campaign, home and general news, and at the same time have a chance to get this fine sewing machine. The sooner the tickets are out the sooner somebody will get the machine. Tell your neighbor about this and get him interested.

Everybody knowing anything about sewing machines knows that the Wheeler & Wilson is the best. If you want to see it and have its good qualities shown you go to Sam White's store any time after Aug. 15th and he will take pleasure in showing you its good qualities and telling you that THE REFLECTOR is going to give some subscriber a valuable prize in this Wheeler & Wilson Sewing Machine.

For the best grades of JOB PRINTING send us your orders.

#### Vacation Days.

Vacation time is here and the children are fairly living out of doors. There could be no healthier place for them. You need only to guard against the accidents incidental to most open air sports. No remedy equals DeWitt's Witch Hazel Salve for quickly stopping pain or removing danger of serious consequences. For cuts, scalds and wounds, "I used DeWitt's Witch Hazel Salve for sores cuts and bruises," says L. B. Johnson, Swift, Tex. "It is the best remedy on the market." Sure cure for piles and skin diseases. Beware of counterfeits, J. L. Wooten.

### Winterville Department.

#### NEWSY HAPPENINGS AND BUSINESS NOTES.

WINTERVILLE, N. C., July 30. The sermon delivered in the school chapel last Sabbath afternoon by Rev. W. E. Cox, of the Episcopal church, we hear commended in the highest terms. Mr. Cox is a Pitt county boy, and this was his first effort since being prepared for ordination. We bespeak for him a brilliant future.

H. A. White and a Mr. Steadman were here last Wednesday in the interest of the Standard Oil Company.

Quite a bevy of colored ladies and gents passed through our town one day last week on bikes. Their swell airs attracted no little attention.

Prof. G. E. Lineberry and wife after spending a very pleasant vacation with relatives and friends, have returned. The Professor will be busily employed from now out working in the interest of the Winterville High School. The prospects for this school for the coming session are brighter than ever and an entrance roll of 300 students would by no means be a surprise.

Misses Mattie and Lula McLaw horn, of Maunahan, were visiting their sister Mrs. W. L. House, last Thursday.

Miss Effie Kittrell returned from Kinston last Tuesday.

Mrs. J. J. Nobles is visiting Mrs. G. R. Dixon.

Miss Henrie Ragsdale, of Greenville, came down on Saturday evening's train and spent the Sabbath with Misses Mimie and Dora Cox, returning home Monday morning.

The Winterville Canning Factory people are now as busy as busy can be and the goods they are putting up cannot be excelled anywhere. They are still offering the best market price for fruit and berries of every kind.

John F. Stokes, who has been teaching school up in the western part of the State is home to spend the vacation.

There were 35 to leave here on the excursion for Norfolk last Monday.

Mrs. C. F. Chapman, of Calico, was visiting at the home of her father, R. G. Chapman, one day last week.

The "Handy" tobacco truck recently gotten up by the A. G. Cox Mfg. Co. is selling like hot cakes. The fact of its simplicity and durability as well that it can be used in any ordinary tobacco row and the various other uses to which it can be applied is appreciated by our farmers and they are showing their appreciation by buying this little "Handy" as rapidly as they can be rolled out of the factory. They only cost \$5 which is dirt cheap.

Fine refreshing rain yesterday. Watermelons, peaches and everything good from now out.

A little water in hot weather is a big help. Some of us don't realize it here, but maybe we will in the sweet bye and bye.

Men who are in doubt about it might chain their wives until the epidemic is over.—Durham Herald.

#### DIED IN A WELL.

Instantly Overcome By Gas.

On Tuesday afternoon at Falkland Mr. George Kittrell met a sudden death under unusual circumstances. Mr. Kittrell was an employe at the mill of Mr. J. L. Fountain. It was discovered that the large well which supplied water for the boilers at the mill was about to go dry, or was not affording enough water, and Mr. Kittrell and Mr. Fountain went to make an examination.

It was a covered well, and when a portion of the cover was removed Mr. Kittrell started down. He had reached only a short distance below the surface when he threw up his hands as if struggling. Mr. Fountain, who was looking through the opening, caught one of Mr. Kittrell's hands and prevented his falling to the bottom of the well. He called for help which came quickly and Mr. Kittrell was pulled out of the well, but was dead.

A physician was summoned who said that Mr. Kittrell's death was

instantaneous and was caused by gas in the well. A further examination of the well showed that it was impregnated with a deadly gas.

Mr. Kittrell leaves a wife and several children.

The figures recently issued for the past year show that North Carolina leads in the number of licensed whiskey distilleries. Of the 1258 establishments of this kind in the United States, 516 are in North Carolina, this being about 50 per cent of the total number. It is also a fact that there are as many illicit distilleries in this State as in any other State of the Union.

#### Poisoning the System.

It is through the bowels that the body is cleansed of impurities. Constipation keeps these poisons in the system, causing headache, dulness and melancholia at first, then unsightly eruptions and finally serious illness unless a remedy is applied. DeWitt's Little Early Risers prevent this trouble by stimulating the liver and bowels. These little pills do not act violently but by strengthening the bowels enable them to perform their own work. Never gripe or distress, Jno. L. Wooten.

WEDNESDAY, JULY 30, 1902.

Greensboro just now holds the medal for scandals, but there may be other competitors.

Expressions heard coming from the people themselves indicate that not every office seeker is going to land.

It sounds fishy, but the papers say a Danville man, at Morehead the other day, caught a 1,200 pound shark with a rod and reel.

A popular fad with people wanting a little more money is to bring suit against something or somebody. Is money a balm for wounded character?

It is said that Senator Simmons, who is chairman of the Democratic State Executive Committee and has done the party good service, will not accept a re-election to that position for the coming campaign.

## She Wore Socks.

A richly attired woman was driven in her brougham up to the curb in front of a fashionable jeweler's establishment on Chestnut street yesterday morning. The footman hastened to open the carriage door for her, but as she alighted her skirts caught on the hinge, and there was a generous display of lingerie and hoisery. So conspicuous was the incident that the attention of the passers by was attracted, and people could not help but notice and comment upon the fact that the woman instead of wearing stockings, had on white socks, such as little children wear. This accidental display was startling, to say the least. One man who took in the situation did not seem surprised. He is employed in a store where much hosiery is sold.

"Lots of women are wearing half hose now," he said. "I suppose coolness is the object to be desired, but this woman has demonstrated that an exposure is sometimes bound to occur. Still, that wouldn't happen often. How do they keep 'em up? Why, with garters, of course—garters such as men wear, only much lighter and more delicate."—Philadelphia Record.

## Notice.

The County Board of Education will meet on the first Monday in August for the purpose of filling all vacancies in the various communities in the county, and also for making any changes in the committees which may be necessary. All persons having any business of this character will meet the Board on the above named day.

W. H. RAGSDALE,  
Co. Supt. Schols.

## Church Attractions.

We gather the following from an exchange:

"At the service in the Lexington avenue church yesterday morning Schumann's 'Traumerei' was whistled by Miss Traux whistled her solo while the collection was being taken. So pleased were the worshippers with her effort that after the service they induced her to whistle 'The Mocking Bird.'"

We think this is all wrong. Of course, 'Traumerei,' is all right and 'The Mocking Bird' is grand, but there will surely be trouble if this is kept up. There will be a split in that church in two weeks, and about one half the congregation will be demanding "Annie Rooney" and "My Little Alabama Coon," and then dissensions will arise and the cause will languish.

Then the church across the street may pick up one of those whistling girls, and if a spirited rivalry crops out it may result in working the poor vaudeville people overtime, and they ought to rest on Sunday. This is a bad start.—Newport News Times Herald.

## Opportunity for Advertisers.

Next Saturday's issue of THE DAILY REFLECTOR will be double size—eight pages. It will afford an opportunity for advertising that business men would do well to take advantage of. Copy for advertisements to go in Saturday's issue should be in the office Friday.

F. W. Cromer, a white man, was arrested here this week for soliciting insurance without license and refusing to give proper receipts where he collected money. In default of bond he was sent to Nashville jail. He claimed to be from Virginia and that he was working for the Industrial Aid Association of Georgia. His work was principally among the colored people.—Rocky Mount Spokesman.

It is rumored in commercial circles that the Atlantic Coast Line has bought the Louisville and Nashville railway.

If the party owes a man anything it should not attempt to square the debt at the expense of the whole people.—Durham Herald.

Some of the New York papers say that "Newport Society is corrupt." It may be corrupt, but with the prominence with which dogs, donkeys, monkeys, &c., figure in it, it is also stupid, and in the estimation of some people that is a good deal worse.—Wilmington Star.

Whatever other issues may arise and whatever prominence present issues may attain, there is no doubt in the minds of the Democratic leaders in Washington that tariff revision will constitute an important feature of the platform on which the Democrats will appeal for support in 1904.

## You Can Exercise Skill in Properly Cleaning a Floor.

Genuine skill can be exercised in cleaning a floor as in anything else. After the rugs and carpets have been taken up a floor that is not finished in any other way should be thoroughly scrubbed and dried before it is covered again. It is economy to lay down floors of matched boards of good, seasoned wood, which will not warp and show the cracks. After the carpet is up and the dust has been thoroughly swept up and has settled scrub the wood with warm water and sal soda, cleaning and scrubbing about a square yard of surface at a time. It pays to have two pails, one of soda and water to scrub the floor with and one of clear hot water to rinse it up with. Use two cloths, one to wipe up the floor and the other to dry with. When the floor is scrubbed, wash and dry these cloths before you use them for another cleaning. If the floor is hardwood, it would better be dressed by a regular finisher, as there are few maids in this country who are willing or intelligent enough to do this work, though this is the regular part of the maid's work abroad, and the tools furnished in this country for the purpose are much easier to handle than those used in Europe.

## Cushion in Italian "Cut Work."

Italian "cut work" embroidery, similar to that in vogue in the fourteenth and fifteenth centuries, together with the fine linen thread lace of the same period, was conspicuous in a recent exhibit of art embroidery. The work is done on linen and is remarkable for the clever adaptation of the geometrical circle and square in its designs. The "buttonhole," the raised "satin" and the "weaver's" or "darning" stitches are those most commonly used. The lace is imported and very much resembles the Maltese lace in character. A pretty sofa cushion is made of two squares of linen (14 by 14 inches), ornamented at the four corners on either side, with a design in "cut work" embroidery; a broad insertion of lace unites the two squares, the handsome crimson brocade of the cushion being revealed through the lace.

### Something Wrong With His Mouth.

We venture the assertion, tha  
Beaufort county has a citizen,  
whose counterpart cannot be found  
in the State. He is past seventy  
years of age, has been married  
more than forty years, has an in-  
teresting family of children and say  
he never kissed one of his children  
or wife in his life, and that kissing  
is more productive of meanness  
than any one thing. He is a model  
father and husband, and one of  
the most successful all round farm-  
ers in the county.—Washington  
Messenger,

Many events happen which seem  
inexplicable. For instance, take  
the elopement of Mrs. Stafford with  
young Harding last week. How a  
man like Harding could make up  
his mind to do such a thing is past  
comprehension on general princi-  
ples. How the woman, who hith-  
erto has borne an excellent char-  
acter, could so far forget herself  
as to desert children, home and  
husband, forfeiting every sem-  
blance of respectability, is likewise  
a stunner, yet such things occur  
too frequently and there is of  
course a cause for it, though it can  
never be a just one. Depravity is  
the underlying principle, but the  
mystery is how people of former  
decency and respectability can  
bring themselves to such a pass.—

## PERSONAL NOTES

Brief Mention of People Met  
With in the Social World

H. M. Hardee, of Norfolk, is in  
town.

Mrs. J. T. Britt left this morn-  
ing for Seaboard.

Mrs. Nannie Savage left this  
morning for Henderson.

Mrs. W. H. Long left Tuesday  
evening for Seven Springs.

Miss Jessie Lee Sugg returned  
to Kinston Tuesday evening.

J. W. Higgs and family left to-  
day for Rocky Mount to visit rela-  
tives.

F. M. Hodges and little son,  
Churchill, went to Tarboro this  
morning.

Mrs. B. E. Parham and child  
returned Tuesday evening from  
Oxford.

District Attorney Harry Skin-  
ner returned this morning from  
Raleigh.

Miss Helen Perkins returned  
Tuesday evening from Wrights-  
ville and Wilmington.

Miss Bessie Joyner, of Littleton  
and Carlotta Mewborn, of Kinston,  
are visiting Miss Alice Lang.

H. L. Feunel, of Wilmington,  
who had been spending a day here  
on business, left Tuesday evening.

Miss Jennie Dixon, of Rocky  
Mount, who has been visiting her  
sister, Mrs. J. W. Higgs, returned  
home today.

Little Misses Nannie, Ried and  
Vernice Lang, daughters of W. M.  
Lang, of Farmville, came in this  
morning from Kinston where they  
have been visiting.

Misses Maggie and Mary McGow-  
an, of Elm City, who have been  
visiting Mrs. E. B. Higgs, return-  
ed home today. Little Miss Mar-  
garet Higgs accompanied them  
home for a visit.

Capt. G. D. Hawks, conductor  
of the passenger train, passed  
through with his family this morn-  
ing to spend his vacation at Vir-  
ginia Beach. Capt. Dove will  
have charge of the train during his  
absence.

Something of a Sprinter.

Tuesday evening Policeman S.  
I. Dudley had John Allen Kinion  
in custody taking him to the town  
lockup. As they were crossing the  
square in front of the court house  
Kinion gave the officer the slip  
and took a lively sprint down  
Evans street. The officer started  
in pursuit but was so distanced in  
the run that he soon flagged.  
Later Kinion showed up crossing  
Evans street again when the chase  
was renewed and he was captured  
around near the Methodist church.

Another Excursion In August.

Hatch Bros' excursion from  
Kinston to Norfolk returned on  
good time Tuesday night, passing  
Greenville about half past eleven  
o'clock. There was a large crowd  
on the excursion and they report  
the trip most delightful. Hatch  
Bros. have been running excursions  
several years, and handle them  
most successfully, always preserv-  
ing the best of order and giving  
those who go a good time. So  
many of the people were busy in  
tobacco and could not go on this  
excursion that they have decided  
to run another from Kinston to  
Norfolk on Aug. 26th, returning  
27th.

**Mother Always Keeps It Handy.**

"My mother suffered a long  
time from distressing pains and gener-  
al ill health due primarily to indi-  
gestion," says L. W. Spalding, Ver-  
ona, Mo. "Two years ago I got her to  
try Kodol. She grew better at once  
and now, at the age of seventy-six,  
eats anything she wants, remarking  
that she fears no bad effects as she  
has her bottle of Kodol handy." Don't  
waste time doctoring symptoms. Go  
after the cause. If your stomach  
is sound your health will be good.  
Kodol rests the stomach and streng-  
thens the body by digesting your food.  
It is nature's own tonic. J. L. Wooten.
